Hague Set for New Space Station Mission

NASA astronaut Nick Hague, who was forced to abort his recent mission to the International Space Station, is scheduled to launch again Feb. 28, 2019, from the Baikonour Cosmodrome in Kazakhstan.

Hague will launch with Alexey Ovchinin of the Russian space agency Roscosmos, who was his commander and crewmate on the aborted mission in October, and NASA astronaut Christina Hammock Koch aboard the Russian Soyuz MS-12 spacecraft. The trio will join the station's Expedition 59 crew and return to Earth in October 2019 as members of Expedition 60. Hague and Koch will serve as flight engineers for Expeditions 59 and 60. Ovchinin will serve as a flight engineer on Expedition 59 and the commander of Expedition 60.

During their mission, the station crew will take part in about 250 research investigations and technology demonstrations not possible on Earth to advance scientific knowledge of Earth, space, physical, and biological sciences. Science conducted on the space station continues to yield benefits for humanity and will enable future long-duration human and robotic exploration on missions to the Moon and Mars. The crew also is scheduled to be onboard during the first test flights of NASA's Commercial Crew Program, which will return human spaceflight launches to U.S. soil.

Hague is a native of Hoxie, Kansas, and a colonel in the U.S. Air Force. Prior to his selection as an astronaut in 2013, he was part of the Air Force Fellows Program in Washington, where he worked as an adviser to the U.S. Senate on matters of national defense and foreign policy. He earned a bachelor's degree in astronautical engineering from the U.S. Air Force Academy and a master's degree in aeronautical and astronautical engineering

Sheridan County Historical Society Local Business Displays Honor Veterans and Reminisces About Christmas

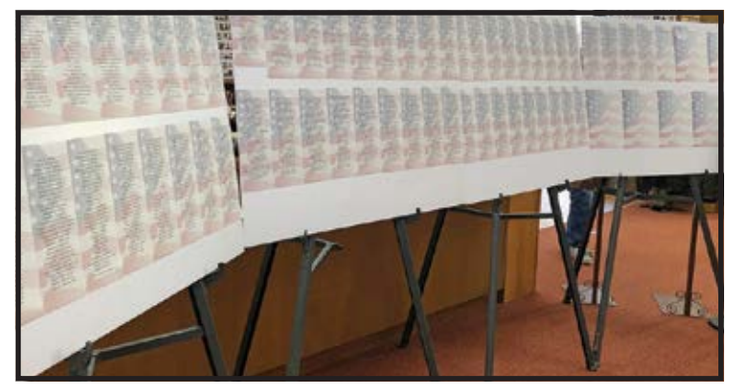
The Sheridan County Historical Society has two Pop-Up Displays showing this month.

November's "Honoring Our Heroes" display at the Sheridan County Library was so well received that it was requested the it remain in place through December. This display honors those from Sheridan County who served in the Armed Forces. "We believe you will be amazed with how many people have served for our country, just from our area! Stop by and check it out!"

In the November presentation there are military memorabilia in display cases, uniforms from different wars on mannequins, as well as photos and names of all those from here who have served. It is an awe inspiring and very somber display. If you haven't seen it yet, you really should make the effort.

The theme for December's display is "I'll Be Home for Christmas, if Only in My Dreams", and is showing at Peoples State Bank. There is a fireplace setting that includes Santa's suit and a Christmas tree. Photos of Hoxie's Main Street lit up for the holidays, many family Christmas photos, and various holiday scenes from over the years. If you can, take some time to visit Peoples State Bank to see the beautiful display, and to reminisce.

(Sentinel Staff photos)



Perfect Day for the Christmas Craft Festival

By Viktorija Briggs

Sunday, December 2, the Christmas Craft Festival was held at the 4-H Building in Hoxie. This year, there were only 18 vendors compared to last year's 31 due to the roads being impassable from the winter storm of the night before. While there were a little over half the vendors, unlike last year's window-shoppers, this year almost every patron left with a bag or two (or more) of great finds for gift-giving or something for themselves. It was a great day for business, and a beautiful day to get out of the house. Thank you to the vendors and patrons for making the day a great one! (Photo by Viktorija Briggs)

WHS Freshmen Snowflakes Fundraiser

By Saige Meier, Photo Editor

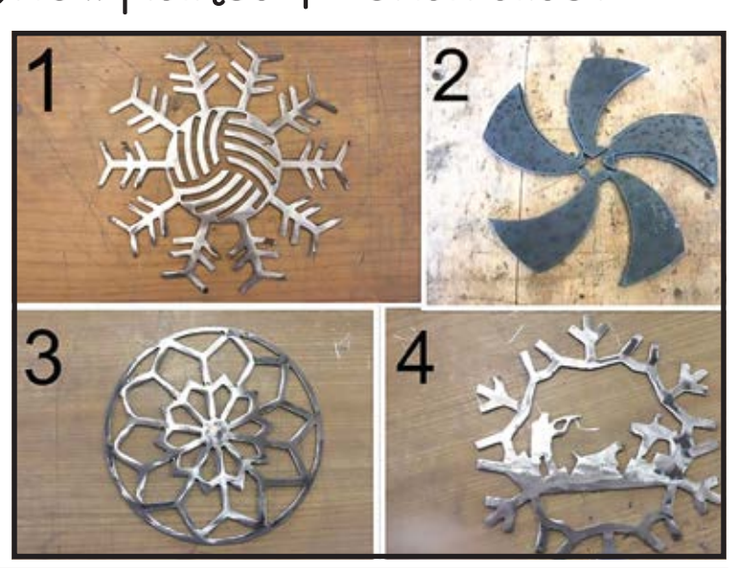
The freshman class at Wheatland High School is selling 6-inch metal snowflakes for $10 each. Snowflakes can be painted for an extra $1. There will be 15 original designs, and 1 pre-existing design to choose from.

"Having this experience of operating big machines and designing our own unique snowflakes has really been great. It is really cool to see all the designs everyone has come up with," said Freshman Isabella Ostmeyer.

The freshman class will have a table set up to sell snowflakes at home basketball games when they are available. Four of the designs are pictured with this article.

"The snowflakes would be a great Christmas ornament or as a gift to family/friends," Freshman Class Sponsor Emily Boyd said.

If you want to see the rest of the design options or need more information, contact Ms. Boyd at eboyd@thunderhawks.org or you can call the high school and ask to talk to Emily Boyd at 785-673-4223.

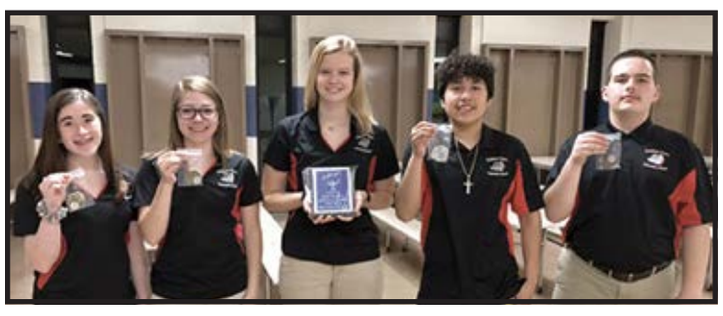


Farm Bureau Gives Honors at 100th Annual Meeting

Kansas Farm Bureau recognized members and friends at its 100th Annual Meeting, Dec. 1-3 in Manhattan. The organization presented 10 Friends of Agriculture awards. This award recognizes individuals who have made significant contributions to Kansas Farm Bureau and agriculture or rural Kansas. The local recipient was Craig Cooper of Sheridan County, who served Kansas Farm Bureau's 10th district for 32 years. In that role Craig worked to ensure county Farm Bureaus had the tools and resources they needed to succeed and that members were able to engage locally and beyond to ensure agriculture and communities in northwest Kansas remain vibrant.

Kansas Farm Bureau's mission is to strengthen agriculture and the lives of Kansans through advocacy, education and service.

GP Scholars Place Second at Cheylin



Golden Plains Scholars Bowl team showing placed second at the Cheylin meet on November 12 in Bird City. The Bulldog Scholars have placed in the top three at every meet so far this season. Team members competing included Haley Miller, Lauren Patmon, Taryn Fleckenstein, Joseph Yanez-Perez, and Flint Hodge. (Photo by Steiner Scott)

By Mack Keller

The Golden Plains Scholar's Bowl team brought home silver medals from the Cheylin meet on November 12 in Bird City. The first game played was against Wheatland/Grinnell who beat GP handily with a 60-10 score. From there, Golden Plains began a winning streak. They defeated Weskan 45-20, St. Francis 50-40, Heartland Christian 30-10, Brewster 20-0, Rawlins 40-0, and Cheylin 30-10. Unfortunately, the Golden Plains team found their streak shut down at the end by Logan 40-20 to earn second place.

The participating members at this meet were Taryn Fleckenstein, Joseph Yanez-Perez, Flint Hodge, Lauren Patmon, Haley Miller, and Wyatt McDonald. "I'm happy with how the team performed," said Coach Steiner Scott. "We came up against some new competition and did very well. I'm proud of the team." The team competed again on Thursday when they travelled to Goodland for a late afternoon contest.

UMW Annual Cookie Walk

The Hoxie United Methodist Women will be having their Annual Cookie Walk Sale on Thursday, December 13. The sale will be held from 10am to 4pm in the Fellowship Hall at the Hoxie United Methodist Church.

Tables will be filled with many varieties of cookies, candies, and other baked goods for you to choose from. Purchase nuts for your holiday baking.

Shoppers will have a choice of containers for their cookies. If you need school treats, a gift for a neighbor, fancy cookies for home entertaining, or cookies for student care packages, you will find them at the Cookie Walk. The cost for the items at the sale will be $7 per pound. Proceeds from the Cookie Sale go toward sending youth to Summer Camp each year.

Shoppers can register for gift baskets with the drawing for the baskets taking place at 3:30pm. Bring a friend and have an enjoyable time while shopping for cookies!

Hague Set for New Space Station Mission

Continued from page 1

from the Massachusetts Institute of Technology.

Koch, who grew up in Jacksonville, North Carolina, earned bachelor's degrees in electrical engineering and physics and a master's degree in electrical engineering from North Carolina State University in Raleigh. Her career includes experience as an electrical engineer focusing on space science instrument design at NASA's Goddard Space Flight Center in Greenbelt, Maryland, and the Johns Hopkins University's Applied Physics Lab, in Laurel, Maryland. She also worked as a research associate with the United States Antarctic Program, completing several deployments, including spending the winter at the South Pole. Her work at remote scientific research stations went on to include sessions as a field engineer in the Arctic and as station chief with the National Oceanic and Atmospheric Administration in American Samoa. She was selected by NASA as an astronaut in 2013.

How to Make a Tiffany Bow

Have you ever wondered how to tie one of those pretty, silky bows you see in upscale ads on TV or in magazines? *(I know, probably not really.)*

That's called the Tiffany Bow, and it is from Tiffany's in New York. *(Yes, I know, surprise, surprise - New York - who would've guessed?)*

Well, woohoo, get your materials together, because here's your tutorial to make your very own upscale gift wrapping using the Tiffany Bow.

First, you need a gift box to wrap - this time of year, that shouldn't be too hard to find.

Next, you need wide, silky ribbon that should be able to wrap at least 2 1/2 times around the box. To do this right, you should have a *nice* gift box, or at least wrap it in some *very* fancy wrapping paper. If you're using wrapping paper, be sure to have your ribbon match - or you'll spoil the effect, which would be a waste of time (and money).

Obviously, you need scissors.

Wrap the ribbon around the box as shown in the photo, and if you're careful, you will have a nice, fancy Tiffany Bow.

But, if you're like many people, why bother because it's just going to get ripped off the package without a second thought, anyway.

But, at least you now know how to tie a Tiffany Bow!

(Pass out the Brownie Buttons.)

Christmas Dainties

At the holiday season we delighted in sweetmeats, cakes and homemade goodies. One of the chief pleasures of the season is getting ready, making things, which is also a good way of keeping the children in the house interested and feeling that they have a part in the preparations.

Orange or grapefruit peel makes such a delightful confection which may be used as a garnish or as a confection.

Save the skins from two or three oranges, those which have thick, soft skins are best. Remove all the fiber and cut the skins with a sharp knife, using a board. The English product is so attractive because it is shredded so fine. Put the skin on to cook in cold water and allow it to boil half an hour. Then change the water, starting again with cold, repeat this two or three times until it has boiled in all about an hour and a half or until tender. Then pour off the water adding as much sugar as there is peel, just cover with water and let boil rapidly until all the sirup has boiled away. During the last five minutes it must be watched constantly, pour it out on a plate covered with granulated sugar and toss it rapidly over and over until every bit is covered with sugar. Set away to cool, then put in tin boxes.

Orange Fromage – Strain the juice of five oranges and a lemon. Boil together one cup of sugar and one cup of water three minutes. Pour this over a tablespoonful of gelatin which has been softened in two tablespoonfuls of cold water, stir until dissolved, then add the fruit juice. Put this in a two quart ice-cream brick. It should be about half full. Whip a pint of cream until stiff, sweeten and flavor to taste.

New Ways with Chestnuts

At this season of the year, when chestnuts are fresh and plentiful, some different ways of using them in dishes for the table. After cooking until tender in boiling water the nuts may be added to any fruit salad. Cut in small pieces and mixed with apples and celery, with mayonnaise, a most appetizing salad may be prepared.

Chestnut Fritters – Cook the nuts, peel and blanch them and pound or mash fine. Add a fourth of a pound of butter to a pound of the nuts, two ounces of sugar, a beaten egg and four ounces of flour; roll with the hands into little balls, dip in egg and crumbs and fry to a delicate brown in butter or oil.

Kenoxie Archives & Museum's Now & Then

Compiled by Rachel Farber, Archive Director

125 Years Ago
December 7, 1893

Miss McGraw's musical powers are without doubt most wonderful.

Mrs. H. L. Korb returned from the east last week.

Bill Waite had a good time, but thinks the floor a little slick and hard.

Dad McDonald says he had a dance at his house Wednesday night that surprised the natives.

The elocutionary entertainment at the church was all right and Coleman as an all around entertainer is out of sight.

The Thanksgiving dance was a success in every sense of the word, notwithstanding the inclemency of the weather.

Marshall Batty returned from Lenora last week. He reports things in a prosperous condition at that place and Charlie Smith happy.

The scarcity of school marms at the ball was owing to so many going to Colby to the meeting of the Northwest Kansas Teachers association.

Probate Judge, Benson, of Gove county says he enjoys performing marriage ceremonies, but it is necessary to have a little of the "root of all evil" to defray expenses.

J. H. Patterson sold his team of Norman fillies to W. C. Erhart, of Topeka, last week. They are three-year-olds and the team weighed 3630 pounds. He also sold a spring colt that weighed 760. Who says Sheridan county has nothing but cayooses?

Tom Pratt came in from Allen county Nebraska, last week. He is feeding about 600 head of cattle and as many hogs up there and says everything is doing well and he expects to turn off a train load of fat stock in the spring.

Grainfield lost her drug store some time ago, but will soon have a new one throughout.

There will be a grand Christmas ball at the Opera Hall December 25. Good music, good order, good time and warm hall. Nothing will be left undone to make this an enjoyable affair. Don't forget date, Christmas evening.

Thanksgiving day was duly observed in this city in various ways, but Mr. and Mrs. Turkey seemed to entertain the largest number of all creeds. Thanksgiving services were held at the church and the usual ceremonies gone through with. Most of our business houses were closed and the day closed with a grand ball at the Opera Hall at night.

Seguin Squibs

A. W. Campbell has about completed his new house and barn.

Mr. Perry who with his wife have been visiting their daughter Mr. W. H. Dodds, has been very sick.

R. M. Love who has been living on his wife's claim in Bloomfield township has moved back on his homestead in Logan, he has put up a new Aeromotor windmill and built an addition to his house, fixed up his barn and is going to put up a pasture and is fixing his place up to become a permanent resident, we are all glad to welcome him back for Bob is a good citizen.

Fred Thompson and Arch Campbell, are stepping high these days, Fred is the father of a little daughter born November 20 while Arch says his "girl" is a "boy" again, but he is going to call him "Mary Jane" any how.

100 Years Ago
December 5, 1918

Local News

Charles Miller drove over in his car from Gaylord, Wednesday evening, and spent Thanksgiving Day with home folks.

Little Keith Reed, who has been staying with his uncle and aunt, Mr. and Mrs. C. H. Reed, of Selden, during his mother's absence in Denver, returned home with his mother Thursday.

Mrs. G. F. Sloan, of Selden, spent several days in Hoxie, last week, visiting her daughter, Mrs. Ben Clark, and family.

Aren't they a handsome pair? Do you know hwo they are? (Sheridan County Historical Society photo)

Carl Aumiller was down from Selden on business Tuesday. Carl had just received a letter from his son, Charley, who is at Funston, saying that he had been promoted to sergeant.

Christ Linderman has purchased the old courthouse and is busily engaged in razing it. He will get a great quantity of nice lumber from this source. We understand he paid $250 for the structure.

County Treasurer Hoch is very busy these days. Taxpaying is on in full blast and Charley is kept on the hump writing receipts, answering letters of inquiry and taking in the money.

Frank Hasik was down from Menlo, Tuesday, on business. Frank says that the "flu" is visiting practically all of the homes up his way. He has had it and he says you'll sure know you've had something when you have it.

Selden News

By Camouflage

Rufe Trimble and family moved to Goodland, Friday, where Rufe has a job in an elevator.

Mrs. A. L. Winsor and children, Louise and Denman, of Colby, spent Thanksgiving with Mr. and Mrs. C. C. Malcolm.

Mrs. Anthony reports Monday a busy day at the gallery, taking baby pictures. They are certainly just the thing for Christmas presents.

Houck's Landing

By Remus Spaulding

The high cost of living prevented any cases of over-feeding Thanksgiving.

J. B. Doubleday is fencing the grass land on the old J. W. Christian place for winter pasture.

J. E. Johann returned to Camp Funston, Friday evening, after spending four days very pleasantly with the old folks at home.

Valley

Grade School to Present Concert

A band and vocal concert will be presented here next Wednesday evening, Dec. 11 in the grade school gym, according to Mrs. Margaret York and Charles E. Beuchman, directors.

The concert, "A Festival of Christmas", will begin at 7:30 and will feature members of the Hoxie Grade School and Junior High music department.

The public is invited to attend. There is no admission charge.

Leoville News

Gene Fortin returned home from Denver Saturday. He had surgery at the Presbyterian Hospital three weeks ago. He spent some time with his daughter, Mrs. Duane Bollig and family in Denver while recuperating. Teresa Fortin and a girl friend from Denver spent Thanksgiving here with the family.

Mr. and Mrs. Paul Jacobs and Mr. and Mrs. Felix Reitcheck Jr. and family of Goodland spent Thanksgiving with Mr. and Mrs. Ray Jacobs.

Seguin Items

Joe Bange and Mildred were Thanksgiving Day dinner guests of Mr. and Mrs. Walt Meitl and family of Dresden.

Mrs. Margaret Stephens returned home from Wichita last week after spending two weeks visiting the Bert and Pete Stephens families. She returned home with her grandson, John Beckman.

Studley Items

Mr. and Mrs. John Wade and four daughters, Miss Hilda Pratt and Mr. and Mrs. T. E. McClelland were Thanksgiving dinner guests of Mr. and Mrs. Clarence McClelland and sons.

Mr. and Mrs. Sylvan Harris, Mr. and Mrs. John Lewis, Carol, Tina and Marty and Mr. And Mrs. Duane Dechant and daughter enjoyed a cooperative dinner Thanksgiving day with Mr. and Mrs. Henry Niblock.

Mickey's Want Ads

You can select a nice gift from our small appliances: Hair dryers, blenders, mixers, toasters, irons, all main brands.

Two Marines were walking down the street in San Diego. A pretty girl leaned out of a second story window and, motioned toward the stairway, said, "Come on up here, boys, I'll give you something you've never had before."

The two Marines stopped and looked at each other. Finally one said to the other, "What in the world do you suppose she's got, leprosy?"

Saline Valley 4-H

The November meeting of the Saline Valley 4-H Club was called to order by our new president, Tom White. We opened the meeting with the repeating of the flag salute and we sang America.

Ten members and two leaders answered roll call by naming their favorite piece of turkey. We had initiation of a new member, Melanie Simon.

For our program Stephen Smith gave a demonstration on how to make a pretty thing for storing things from a shortening can and Christmas cards.

"Do you know how to treat high blood pressure," as the title of Harry White's health talk. Kay Transue gave a poem on "What we mean when we say America" for conservation. For other program Patty White read a poem about Thanksgiving. Mary Breeden told about the use of vitamins, a make up from last month.

We decided to buy new curtains for the community building. We drew names for Christmas gift exchange. We adjourned and the Albert Popps served refreshments.

HHS Students Published by Poetry Society

Ten Hoxie High School sophomore students submitted original poetry to the Kansas State Poetry Society and their poems were printed in the most recent issue of **Sunflower Petals**, published several times a year.

Megan Garrett, Jade Meyer, Sonya Cooper, Jayson Woofter, Tara Krannawitter, Heath Johnson, Melissa Mauck, Davis Rath, Angie Alstrom, and Dustin Smith, Salina (formerly of Hoxie) studied poetry and wrote poetry as part of a literature unit last year in Mrs. Peggy Eland's English I class.

Sales Brisk in Christmas Promotion

Despite frigid temperatures, holiday shoppers took advantage of seasonal sales and began buying for Christmas. Hoxie Chamber of Commerce members have been encouraging hometown shopping with their own Christmas promotion, a drawing for a 1993 Ford Festiva automobile.

Broadway News

The Ross Boone family was home Sunday. They sang a special Sunday morning at Mt. Pleasant.

The Lawrence Simon families were home a few days. Doug and Carmen and family came from Oklahoma. Doug had the flu when they left Sunday afternoon. Katherine Simon is ill with the flu or cold.

Wilma and Jim Mader went to Paola to Judy and Mike Welter's Tuesday to spend a few days over the holiday. They returned Saturday afternoon.

McGraw News

Mr. and Mrs. George Karnes and Mr. and Mrs. Leonard Sewell visited Dee Lewis since his return home from the hospital the end of last week.

Mr. and Mrs. Roger Mauck and family, Bob Weis, Dennis and Melissa, and Steve Weis were Thanksgiving Day guests of Mr. and Mrs. Ray Weis.

Mr. and Mrs. Gayle Bainter were guests of Mr. and Mrs. Warren Bainter and family on Thanksgiving. Other guests were Jim and Nathan Gaumer.

Jennings Community

Phillip, Jeri, Justin and Chad Carper were Thanksgiving Day guests of Mr. and Mrs. Otis Carper. Rev. Elin Colglazier also brought communion to Otis and Hazel one day last week.

Brandon and Lisa Wagoner spent the weekend with their grandparents, Mr. and Mrs. Stan Shaw while their parents, Kevin and Colleen Wagoner attended the annual IMCA Racing Banquet in Kansas City.

Mr. and Mrs. Wahlmeier and family spent the Thanksgiving vacation snow skiing in Colorado.

Selden Happenings

Mabel Andrews had Thanksgiving Day dinner with Ted Andrews in the Hoxie hospital.

Mr. and Mrs. Ronald Neff entertained for Thanksgiving dinner guests, all of their children except Doug who lives in Arizona.

Mr. and Mrs. Jim Berens visited Tillie Goscha Tuesday.

Rexford News

Cleda Moeder spent last Sunday in Victoria with her son, Tim and Shelly Moeder and Taylor. Taylor is one year old and Grandma Cleda helped him celebrate his birthday.

Joel McIntyre and Scott of Colby and Joel's son, Jeff who is attending college in Hays, spent Thanksgiving with his mother, Frances McIntyre.

Guests of Joel and Betty Nickol for Thanksgiving were Nellie Keefer, Debbie, Jolene Hanson and Pete and Renee Hodges.

Scholars Bowl Takes 2nd at Wallace County

By Jayda Schwarz

The Golden Plains Bulldogs Scholar Bowl team placed second at Wallace County on November 19. Competing for the Bulldogs were Taryn Fleckenstein, Haley Miller, Joseph Yanez, Flint Hodge, Karrington Schaben, and Wyatt McDonald.

There was a total of 11 teams that competed in this meet. The teams were split into two pools. The Bulldogs went 4-1 in pool play winning against Wallace Co., Triplains, Rawlins Co., and Colby. They lost to Oakley but still qualified for finals. The 'Dogs went 1-1 in finals with a win over Weskan but lost to Wheatland-Grinnell for 2nd place.

"I think we competed really well," said senior Haley Miller, "but we will always have room for improvement. I'm excited to see how the rest our season goes," The Bulldogs will compete next at Greeley County on November 27.

StuCo Provides the Pie

On Monday, Nov. 19 StuCo hosted a pumpkin pie eating contest in honor of Thanksgiving break, and to have some fun. It was open to both high school boys and girls, and the divisions were split so there would be both boys and girls as first through third place winners.

The first place winner for the boys, Andrew Taylor, was awarded $20, second place winner Elliot Godek was awarded $15, and third place winner Isaiah Dickman received $10.

Taking first for the girls was Tyra Schultz, receiving $20, second place winner Jett Schmidtberger was awarded $15, and tying for third was Saige Meier and Jailey Gallentine, each receiving $5 for a very close tie.

Bulldogs Begin Season

Layup! Golden Plains Senior Jacob Ritter (10) goes in for a layup in the first game of the season against Wheatland/Grinnell in Grainfield on November 30. GPHS has 21 boys, including five seniors on the team this season. (Photo by Judy Rogers)

By Judy Rogers

The Golden Plains Bulldog basketball team began their season in Grainfield on November 3 with a 44-53 loss to the Wheatland/Grinnell Thunderhawks. The high school boys, with 21 players on the roster and new head coach Laura Rush, had been hard at work for several weeks and were ready to play.

"We were excited to play," said Wade Rush, sophomore. "We were a little nervous but relaxed once we started."

The 'Dogs scored first to begin the game, but the Wheatland/Grinnell Thunderhawks answered and pulled ahead 7-2 before the Bulldogs came back to make the score 8-16 by the end of the first. The Bulldogs worked hard again in the second to add 13 points but allowed the 'Hawks to hold the lead at 21-34 by the half.

The Bulldogs stayed true to their game in the second half as they were able to hold Wheatland's top scorer in the first half to only three points in the third as they continued to work the ball to the basket to add 10 points to their score while allowing the 'Hawks 11.

The Bulldogs finished strong in the fourth adding 13 to their final score holding the 'Hawks to 8 for the final score 44-53. Leading the Bulldog scoring were senior Caleb Korte with 16 and sophomore Wade Rush with 13. Additional points came from senior Jacob Ritter 6, senior Nolan Ritter 4, junior Austin Patmon 3, and sophomore Kole Butts 2.

"We worked well as a team," added Rush, "but we need to work on reducing turnovers." The Bulldogs will face the Wallace County Wildcats on Monday, December 3, for the first round of the Sagebrush tournament in Brewster.

Winter Preparations for the Next Round

By Ken Selzer, CPA, Kansas Commissioner of Insurance

Winter weather in Kansas appeared earlier than usual this year with the Thanksgiving weekend blizzard throughout much of the state. People were caught on the roads, halted at shelters and generally snowed in for a couple of days.

Even though we are behind in the pitch count, so to speak, regarding our Kansas weather preparations, we at the Kansas Insurance Department have some timely considerations that will help you prepare for your next winter storm event. We've broken them down into three areas: vehicle insurance, vehicle maintenance and family protection.

First, here are our five important vehicle insurance tips:

- Confirm your insurance is active and premiums are paid. Have a current copy of your insurance card in your vehicle or with you.
- Select liability limits that are right for your financial circumstances. If you find yourself at-fault in an accident and have insufficient liability coverages, your personal assets are at risk for paying the remaining financial obligation.
- If you rent a vehicle for a trip, check with your insurance agent to see if your policy includes coverage. Also, make sure you don't duplicate benefits from your own policy if you decide to get rental insurance. A quick call to your agent should help determine that.
- Verify that your homeowners or renter's insurance covers the theft of personal items from your vehicle, especially if you are planning to haul more expensive items. Many people believe that vehicle insurance covers replacement of stolen items from their vehicles, but that usually is not the case.
- Know if your policy includes roadside assistance, such as towing, fuel delivery, lockout service and jump-starts.

Second, we have some useful tips for trip preparation:

- Have a fully-charged cell phone — and pack your vehicle phone-charging units for your car and standard electrical outlets.
- Make sure you have an emergency kit for long trips. Include a first-aid kit, batteries, flashlights, drinking water, snacks, jumper cables, ice scrapers, tissues and towels, a tow rope, extra clothing and blankets.
- Check your battery and your tires.
- Keep your gas tank at least half-full all the time.
- Check or replace your wipers. Nothing can be as dangerous — or as aggravating — as having faulty wipers during bad weather.
- Make sure your prescriptions are adequate.

Finally, and maybe most importantly, family insurance needs should be a part of your winter preparations as well. Our top considerations for family discussions about insurance matters include the following:

- Make sure, for those young and old, that important insurance and legal papers are in a secure place that more than one person knows about.
- Assess personal insurance needs for yourself and your family. Needs for an older adult, for example, could be much different from those of a child or grandchild.
- Make sure you know what health insurance coverage you and your family have. What are your deductibles and co-pays? What preventive services are now covered? What providers are in your coverage network? Will you be covered away from home?
- Plan your expenses for insurance premiums. Chart your premiums and their due dates on a 2019 calendar.
- In this season of giving, be sure you know the recipients of your financial gifts. Unfortunately, scams abound during this time of year, and the spirit of the season is often the reason that people get taken.

Although we can't always predict exact winter weather patterns, we can be prepared for any driving and winter event with a little planning. Here's hoping the holidays and winter season will find you comfortable with your insurance knowledge and preparations.

New OneUSDA Internship Program Announced

(Washington, D.C., December 4, 2018) Today, U.S. Secretary of Agriculture Sonny Perdue announced the "OneUSDA Internship" opportunity for Summer 2019. As part of the Federal Pathways Program, the OneUSDA Internship will provide students a way to explore serving their country through a career in government while gaining work experience in agriculture, natural resources, rural development, and other career fields.

"The improvements we're making to internships at USDA will enable us to recruit the best and retain the best," said Secretary Perdue. "Today's young people are the future of America and there are few things more American than agriculture. We're aiming to find young talent, with a diverse background, across all 50 states, to begin their careers as an intern with USDA."

The OneUSDA Internship Program offers Federal opportunities to students currently enrolled in qualifying educational programs or institutions, with a comprehensive developmental program intended to provide students with experience in a dynamic work environment that will enhance their educational goals and shape their career choices. An internship with USDA will involve various components of on-the-job experience, mentorship, and training tailored to the student's education, experience, and interests.

During 2018, USDA was proud to host more than 3,000 interns throughout the country, about half of which were through the Federal Pathways Program. In the Summer of 2019, USDA will hire Pathways Interns in hundreds of locations across every state in the country for the following occupational fields:

Veterinary Science

Biological Sciences (e.g., natural resources management forestry, wildlife biology, fish biology, ecology, botany, rangeland management, recreation)

Engineering

Agribusiness, Contracting, Procurement, and Industry

General Administration and Office Support

USDA is making sure the Summer 2019 OneUSDA internship job announcement is easier-than-ever for college students to find and apply for. After choosing the geographic region of preference and the career path that best matches with students' area of study and professional aspirations at http://www.usda.gov/Internships, students simply follow the weblinks to https://www.usajobs.gov/ to set up an account, then follow the prompts to apply to the internship.

When applying, applicants will also have an opportunity to indicate their preferred area of interest and USDA Agency or office. USDA will start reviewing applications on December 9, and the application window will close on January 18, 2019.

For more information, visit www.USDA.gov/Internships.

K-State Research & Extension to Host Small Ruminant Workshop

By Alyssa Rippe, Livestock and Farm Management Agent, Twin Creeks Extension District

A Small Ruminant Workshop will be hosted by K-State Research and Extension in Colby on Friday, November 14 at the Thomas County 4-H Building. The program will begin at 9:30 a.m. with information from Dr. Alison Crane, KSRE Sheep and Goat Specialist. Dr. Crane will discuss fencing strategies, facility management, and assessing nutritional needs of goats and sheep throughout their production cycle. As markets for sheep and goats are extremely seasonal, Dr. Crane will also provide in-depth information on marketing your small ruminants. Shad Clymer, DVM, of Colby Community College will provide information on managing the health of your flock with details on parasite management and vaccinations. In the afternoon, Dr. Crane will present additional information on co-grazing small ruminants with cattle. A producer panel will finish the day around 3 p.m. with practical advice and tips from sheep and goat producers in Northwest Kansas. A meal will be provided free of charge thanks to our sponsors, American AgCredit, Caprine Supply, Colby Livestock Auction, High Noon Feeds, Kencove Farm Fence Supplies, KSU Animal Science Department, Premier 1, Superior Farms, and Sydell Inc. Registration is encouraged by December 13 to Twin Creeks Extension District – Oberlin Office at 785-475-8121.

Winter Forage Conference

The Kansas Forage and Grassland Council and Kansas State University Winter Forage Conference and KSFGC Annual Meeting is Tues., Dec. 11 at the Lyon County Fairgrounds in Emporia at 9:30 a.m.

Registration cost is $45 per farm (plus $15 for each additional farm member), which includes lunch, subscriptions to both Progressive Forage Grower and Hay & Forage magazines, along with membership to KSFGC, the American Forage and Grassland Council and the National Alfalfa and Forage Alliance. Admission is free for KSFGC members.

You can register online or RSVP and pay at the door by contacting Franklin County Extension at (785) 229-3520 or dhibdon@ksu.edu, or Lyon County Extension at (620) 341-3220 or brees@ksu.edu.

To assist with planning and meal counts, please RSVPs by Dec. 7. Walk-ins on Dec. 11 are welcome.

AgCon2019 to be Held in Overland Park April 11-12

The Commodity Futures Trading Commission (CFTC) and the Center for Risk Management Education and Research (CRMER) at Kansas State University will host AgCon2019, the 2nd annual agricultural commodity futures conference on April 11-12 in Overland Park.

The CFTC and CRMER will again jointly host the conference, which brings together federal, state and local governments with agribusiness and academia to discuss a range of topics that are important to the agricultural community who depend on the futures markets.

AgCon2019 conference details and registration information will be announced in the coming months.

Kansas Crop Progress and Condition

For the week ending December 2, 2018, there were 3.6 days suitable for fieldwork, according to the USDA's National Agricultural Statistics Service.

Topsoil moisture supplies rated 0 percent very short, 4 short, 76 adequate, and 20 surplus.

Subsoil moisture supplies rated 0 percent very short, 6 short, 83 adequate, and 11 surplus.

This is the last weekly Crop Progress and Condition report for the 2018 growing season. We would like to extend our appreciation to the dedicated county FSA and extension staff who supplied the necessary information for these reports. For December through February, we will

issue monthly reports. The first monthly report (for December) will be issued January 2, 2019.

Weekly reports will begin March 4th for the 2019 season.

Field Crops Report: Winter wheat condition rated 3 percent very poor, 13 poor, 39 fair, 35 good, and 10 excellent. Winter wheat emerged was 89 percent.

Corn harvested was 96 percent.

Soybeans harvested was 95 percent.

Sorghum harvested was 89 percent.

Cotton condition rated 1 percent very poor, 6 poor, 36 fair, 50 good, and 7 excellent. Cotton

harvested was 48 percent.

Sunflowers harvested was 89 percent.

Pasture and Range Report: Pasture and range conditions rated 4 percent very poor, 10 poor,

33 fair, 48 good, and 5 excellent.

Commission Minutes 11/26/2018

Now on this 26th day of November 2018, the Board of Commissioners, Sheridan County, Kansas met in regular session with Chairman Vic Bielser presiding. Others present were Joe Bainter, Troy Dewey and County Clerk Heather Bracht. Guests included Wes Bainter, Rachel Farber, Vitus Meier, Gary Smith, Viktorija Briggs and Ross Carder.

The meeting was called to order by Bielser.

Bielser made a motion to approve the November 19, 2018 minutes as amended, seconded by Dewey. Carried 3-0.

Information was given to the Board regarding a meeting for Western Prairie Food Farm and Community Council to be held in Colby on November 27. Bracht advised the Board the Northwest Kansas Planning & Development annual meeting will be held on Wednesday, November 28. Bielser is planning on going.

Dewey made a motion to approve the warrants as presented. Bielser seconded the motion. Carried 3-0.

County Attorney Joe Pratt entered the meeting. The Board reviewed the correspondence sent to Larry Cressler about the county road he wanted maintained. Bielser stated he had wanted to be clearer to Cressler in the letter that the fence needed to be erected in order to maintain the road.

The Board took a 5-minute break.

Paulette Feldt, Road & Bridge Supervisor, entered the meeting. Feldt advised that the sand and gravel contract with Dennis Ritter is up for renewal and Ritter wants paid $1.00/yd., up from $ .75/yd. Dewey made a motion to approve paying $1.00/yd. for sand and gravel, effective immediately. Bainter seconded the motion. Carried 3-0. This new rate is for everyone. A sealed bid for the tanker was received. Bielser opened the bid, from Eric Washington, and the bid was $351.00 for the tanker. Bielser moved to accept the bid, seconded by Bainter. Carried 3-0. Feldt will be sure the tires are the old tires and not newer ones. The old lift is being placed on Big Iron with December 26 being the sale date.

Melissa Wachendorfer, Public Health Nurse/Administrator and Lynn Moss, Office Manager, entered the meeting. Moss advised the Board that Public Health had their VFC site visit and passed with flying colors. Moss presented the reports indicating how many clients were seen during the month of October. This number is up from 2017 by 111. Moss stated Public Health is also showing a profit for the 3rd quarter. Wachendorfer brought bids for the remodeling job at the office. The ad was placed in *The Hoxie Times* for two weeks and they had no response from it. A refusal was received from two contractors. The bid from Moss Construction in the amount of $1,750.00 was accepted on a motion from Dewey and second from Bainter. Carried 3-0. $1,500 of this bid will be paid from grant money received. Moss has been working closely with Jim Myers, Auditor, figuring out all the reports he needs for the audit, so she feels confident they will be ready in the new year.

Brandon Carver, Sheridan County Sheriff, entered the meeting. Carver started reviewing applications for the Communications Director position. At 9:45, Bielser made a motion to enter in to executive session for a period of 15 minutes for the purpose of discussing non-elected personnel. Dewey seconded the motion. Carried 3-0. Present were the Board, Carver and Bracht. At 9:57, the door opened and Bielser made a motion to enter in to executive session for another 15 minutes. Bainter seconded the motion. Carried 3-0. The door opened at 10:09 with no decision being made. Bracht will schedule interviews for the December 3 meeting.

The Board took a 5-minute break.

Bielser made a motion to amend the Agenda to include Ralph Zerr and Tony Haffner. Dewey seconded the motion. Carried 3-0. The Board and guests discussed the roads south of town. They believe the equipment operator is making terraces on the red line and there is no sand on it. The Park road is in very bad shape. They feel the equipment operators need training on how to grade roads, by someone who knows how to use a grader.

Doug Heim, Heim TV; Kevin Coomes, Glassman Corp. and Clayton Follis entered the meeting to discuss bids for the heating and air system at the Sheriff's office. Glassman presented their bid and the entire group discussed different options. Coomes exited the meeting to inspect the Sheriff's Office and took back the bid. Initially discussed was installing a mini-split system. After much discussion with the contractors, including Vitus Meier and Gary Smith, a request will be made for contractors to submit a bid for two residential forced-air furnace systems with electric residential condensing unit. The furnace must have an ECM motor and 92-95% efficiency rating. Bracht will contact Midwest Energy to have a load calculation done and this information will be shared with the contractors.

The following warrants were audited and allowed:

General Fund $63,402.86
Road & Bridge $36,823.52
Conceal Carry $227.00
Spec Tech $169.00
E911 $2,255.73
Noxious Weed $847.66

Public Health $2,559.39
Public Transp. $148.14
Landfill $1,677.44
MV $50.00

With no further business, Bielser made a motion to adjourn, seconded by Dewey. Motion carried 3-0. The next regular meeting will be Monday, December 3, 2018 at the regular time and meeting place.

Attest: Heather Bracht, Clerk,
Vic Bielser, Chairman

BOT Minutes

Chairman Joy Bretz called the meeting to order at 12:04 pm in the Conference Room. Members in attendance were Lucille Heim, Leanna Sloan, and Ken Eland. Also present was Niceta Farber, Michael O'Dell, and Rebecca Bird.

A motion was made to approve the agenda with five additions. 4-0

A rental housing option for on-call and agency staff was discussed. Gannon Spresser has offered basement space available for rent at $300 per month. There have been instances where three individuals have shared the current rental unit. A motion was made to rent the discussed basement space at $300 per month. 3-0-1

Tim Lee entered the meeting to discuss the heating/cooling system. The boilers are about 7 to 8 years old. Tom Feldt with the school will be contacted for a site visit to discuss their experience with the current system. The potential issue is the different systems throughout the facility and how they were originally laid out. Some departments, such as the lobby and Physical Therapy, have two different systems active in their area.

Mike Mullins entered the meeting at 12:38 pm.

A tour of Central Sterilization to discuss proposed changes was completed. Outpatient specialist space versus pre- and post- operating room was discussed.

The facility received a letter from the Kansas Healthcare Collaborative acknowledging our achievement in meeting all quality milestones.

The proposed organizational chart was reviewed. The main changes include relocating Social Services and Assisted Living under LTC as both are regulated by KDADs. Environmental Services would become the main branch with Maintenance located underneath. Infection Prevention has been moved under Hospital Acute. A motion was made to approve the organizational chart with the discussed changes. 5-0

Dr. Newcomb, with Kansas Pathology Consultant, completed an on-site visit. Dr. Nordhook will no longer be the lab director as he is relocating out of state.

The Rural Health Symposium will be November 15, 2018 in Salina, KS. One of the main topics will be the CMS price transparency requirements.

A motion was made to reappoint Gary Hembd, CRNA, to Allied Staff and to reappoint Joseph Vavricek, M.D. (Plains Radiology), and Matthew Mendlick, M.D. (Plains Radiology) to Consulting Staff. 5-0

An application for the KAMU Capital Improvement grant is being completed for a Clinic bariatric exam tables and is due November 15, 2018. This is a matching grant and would require $5,261 from facility funds. A motion was made to approve the KAMU Capital Improvement grant application for the bariatric exam tables with matching facility funds. 5-0

As of October 19, the facility had received approximately $21,000 gross from the Fall Ball fundraiser. The response for the $5,000 grant submission to Midwest Energy is still pending. These funds would replace the 14 windows for resident rooms.

A response has not been received from the Hansen Foundation regarding the grant application for telemetry. A contingency plan for funding was discussed including Western Coop and Board funding.

The concrete proposal is pending. Letters have been sent to local contractors and staff has visited with two contractors to date.

Statement Service quotes from Change Health, Trubridge, and Trizetto were discussed. The objective would be to better utilize staff workload and develop a more appealing statement. Additional staffing versus outsourcing the task was discussed. A motion was made to add statement services with Change Health. 2-3

Provider updates were discussed. Dr. Nemechek, Hannah, and Niceta attended the provider recruitment fair in Kansas City.

The building project update was discussed. A committee is being formed to develop the timeline. Community individuals who helped with the building project will be contacted for input. A community meeting will tentatively be scheduled for November 27, 2018 at 7:00 pm. Corinna Cox will be visiting on November 1, 2018 to review LMI progress. Tax credit letters will be mailed out at the end of this week.

The 340b program update was discussed.

The Rawlins County Dental Clinic update was discussed.

Board minutes from the September 24, 2018 regular meeting was discussed. A motion was made to approve the minutes for the September 24, 2018 regular meeting with discussed changes. 5-0

The financial statements and analysis were reviewed. The proposed budget was discussed. BKD will be on-site for pre-audit fieldwork on November 6, 2018.

The bad debt write-offs were discussed. The Clinic did not have accounts to submit this month. A motion was made to approve the bad debt write-offs for September 2018 in the amount of $8,688.41 for the Hospital and pursue in small claims for those within Sheridan and surrounding counties. 5-0

A motion was made to approve September Accounts Payable in the amount of $532,556.51. 5-0

The Treasurer's Report was reviewed.

Grant submissions were discussed. The application submitted to Dane G. Hansen for the telemetry system is still pending.

The FQHC agenda and project manager report were dispersed. The process for hiring the clinic manager/project manager was reviewed per the FQHC policy.

Shelby Moss entered the meeting to discuss employee updates. Advertising and the job description for the Clinic project manager was reviewed. Shelby met with Mr. Weiner regarding high school recruitment and will present at the school at the end of this semester 8th grade and up on different jobs and programs available. After winter break, an on-site visit for the students will be scheduled. Staff recommends extending the transcriptionist contract for six months to allow time to find a staff replacement. A motion was made to approve the extension of the transcription contract for six months. 5-0 The proposed dress code policy revision was reviewed and discussed. A motion was made to approve the proposed Dress Code policy as presented. 4-1 BlueCross BlueShiled premiums for 2019 were presented with a slight increase compared to 2018.

Leisha Jones entered the meeting to present the Pharmacy report. The 340b split billing is live but there are issues pulling reports. The 340b audit with BKD has been completed. The Antibiotic Stewardship program is in place and is discussed at Infection Prevention meetings monthly. The addition of a consumer take-back box for patients to drop off unused medications is in progress.

Hannah Schoendaler entered the meeting to present the Acute report. The telemetry system is expected to be installed in four months once ordered. Staffing and potential employees in school were discussed. Clinicals are going well with the Colby Community College LPN students. The facility is reimbursed at $27.50 per hour for Hannah and Renee Mader's time during LPN clinicals. Staff have completed three mock codes throughout the facility including the hospital lobby, LTC, and Assisted Living at varied times.

Leanna exited the meeting 4:47 pm.

The Assisted Living survey and revisit was completed. There are two items remaining to be addressed which should be completed by the end of the week. We are working to have the 24/7 citation reversed.

Corporate Compliance minutes were reviewed.

Teresa Poage entered the meeting to present the QAPI and Risk Management reports. Fall statistics were discussed.

Joanne Jayma entered the meeting to present the Laboratory report. The blood culture analyzer is live. A contract technician will be helping while Joanne is on maternity leave. Dr. Newcomb will be the new Lab Director and is assisting with a reference lab.

The next regular board meeting will be Monday, November 26, 2018 at 11:30 am.

A motion was made to adjourn the meeting at 5:37 pm. 4-0

Don William

October 9, 1928 ~ November 30, 2018

Donald Emery William passed peacefully at the Sheridan County Health Complex on Friday, November 30, 2018 at the age of 90. Born on October 9, 1928 in rural Sheridan County as the fourth of five children to Lorenzo Lewis and Ada Rena (Selbe) William, he lived nearly his entire life in the community of Hoxie.

Before graduating high school, Don worked numerous jobs, including Vic's Grocery Store, where he learned the value of hard work and the importance of customer service.

Don married Helen Eileen Mowry on December 6, 1948, and they were blessed with four children.

An entrepreneur at heart and gifted with a personality that prevented him from ever meeting a stranger, Don joined his father as co-owner of William Tire Shop in 1948. In 1964, he purchased the remainder of the company and operated the business from the building he constructed at the SE corner of Royal and Main Streets until selling the business in 1982.

Along the way, Don owned and invested in numerous other small businesses including the bowling alley and Don's Auto Sales. He also invested in feeding cattle for several years. While he was driven to provide a viable financial future for his family, a love of his community and desire to see Hoxie prosper also drove many of his investment decisions.

He was active on the city commission, with the Chamber of Commerce, the volunteer fire department and in the community's economic development efforts. Perhaps a few of his most notable activities included being an original investor in the Hoxie Feeders, co-founder of the real estate company that developed the Wheatridge subdivision and being a founding principal of the Door Factory. Don served on the Board of Directors for First National Bank of Hoxie for approximately twenty years. He recognized the importance of a vibrant business environment and impact it had on the entire community's small business owners. While not all of these activities produced favorable results, it certainly demonstrated the love he possessed for his community and garnered the respect of his peers.

Don made a point to know everyone on a first name basis and was frequently relied upon when a community historian was needed. Don's grandchildren held a special place in his heart and afforded his smiles on a daily basis.

Don is survived by his wife, Helen of the home; a sister, Myrtle Prussner of Clifton, IL; children, Janice Brown (Dale) of Hoxie, KS, Jerry William (Lisa) of Cleveland, OH, Dan William (Mary) of Hoxie, KS, and Marisa Fleenor (Rick) of Mission Hills, KS; ten grandchildren and ten great-grandchildren.

He was preceded in death by his parents, Ranz and Ada William; sisters, Ina Taylor and Norma Ackerman; a brother, Ronald William; and a grandson, Timothy Brown.

The funeral service was held at the Hoxie United Methodist Church, Hoxie, KS on Tuesday, December 4, 2018 at 10:30 A.M. Don will be laid to rest at the Hoxie City Cemetery following the service. Memorials are suggested to the Sheridan County Amusement Company or Mickey Museum and may be sent in care of Mickey-Leopold Funeral Home, PO Box 987, Hoxie, KS 67740. Online condolences may be left at mickeyleopoldfuneral.com.

Howard Baalman

Howard J. Baalman, 83, passed away at the Sheridan County Health Complex LTCU, on December 1, 2018. Funeral Services are planned for Wednesday, December 5, 2018, at 10:30 A.M. at St. Martin Catholic Church in Seguin, KS. Visitation will be held Tuesday, December 4, 2018 from 2:00 P.M. until 8:00 PM with family receiving friends from 5:00 P.M. until 7:00 P.M. and a Vigil Service and Rosary will be held Tuesday, December 4, 2018 at 7:00 P.M. with visitation and Vigil/Rosary Service at Mickey-Leopold Funeral Home, Hoxie, KS.

We make gifts for the holidays... ...and donate them to different groups.

www.readingclubfun.com Annimills LLC © 2018 V15-47

Kids: color stuff in!

We like to make gifts!

The holidays are here! It's great fun to surprise family or friends with gifts. If you like to make gifts, it's time to start planning and working on them. Gifts that you make and give from your home, kitchen, garden or artistic skills are from your...

___ ___ n ___ ___

(Hint: There are 2 parts to this picture. Find '1★' to start the first puzzle...then follow the numbers. Next, find 'A★' to start the second puzzle... then follow the alphabet.)

When done, color in the picture.

and your

___ ___ a ___ ___!

The Art of 'Gifting'

Read the clues to fill in the crossword:

card, scarf, shirt, May, wreath, birdhouse, pot, bracelet, container, calendar, scrapbook, potholder, piñata

If I have...

1. yarn, I can make a doll or mittens or a _____
2. evergreen branches, I can make a _____ to hang or a table centerpiece
3. balloons, newspaper and paste, I can make a bright _____ for a party
4. loom and loops, I can make a _____ or a set of placemats
5. playdough or clay, I can make small ceramic animals or a _____
6. camera and a computer, I can make a _____ from photos of family pets
7. photos, paper and glue, I can make a _____ to keep track of memories
8. dye and rubber bands, I can make a colorful _____ to wear
9. popsicle sticks and glue, I can make a _____ to hold knick-knacks
10. paper, glue and glitter, I can make a _____ to mail
11. wood, nails, hammer and paint, I can make a _____
12. beads and string, I can make a _____ or a necklace

Giving a World of Color

When done with the puzzle, color in the pictures too.

Everyone likes a dash of color to brighten up the day! You can make a wonderful gift by painting something. How about building and painting a birdhouse or feeder? Maybe you can decorate or paint someone's name on an item.

Ask an adult to help you find what you need.

Wheeeeeee!

Can you find and circle these things that you can paint?

tote bags, lunch bags, notebooks, footstools, school boxes, gift wrap, stones, sneakers, models, shirts, aprons, hats

Hey! It's dark in there. But, cozy warm!

Crunch! Crunch!

'Put Together' a Special Gift for Someone

Thank YOU!

Have you ever "put together" a gift? It's easy. Just collect a few things that go well together and place them nicely in a container, such as a bag, box or basket. Use your imagination to decorate your gift: a bow, a flower or card would add a nice touch. If you want to be a little fancy, add a piece of tissue paper or make a nest of shredded paper in the bottom of your gift container. Very nice!

Here are some ideas to get you started, but you will have to fill in the blanks with vowels to read them:

o o o e u a u a a o e e i

1. r __ bber stamps, __ nk pads, paper
2. cheese, crackers, j __ lly
3. soaps, bubble bath, small t __ wels
4. dried fl __ wers
5. c __ ndies, c __ __ kies
6. coffee, t __ __, muffin mix
7. fruit, n __ ts
8. p __ ns, envelopes, stationery
9. pet toy, pet sn __ cks, and shampoo

The Garden Bug

Frankincense oil

Frankincense comes from the Boswellia tree. It has a long history in folk medicine in Africa and Asia. In the Bible, it is one of three gifts that the wise men offered to Jesus. It is said to control bleeding, help heal wounds, improve oral health and fight inflammation. Studies have suggested that certain substances in frankincense can treat cancer. - *Brenda Weaver*
