Thursday, August 11, brought the return of the Cardboard Boat Races to the Sheridan County Munipal Pool. While it wasn't considered their best year, Hoxie Rec was very appreciative of those who participated. For the Duck Races, there were 607 ducks sold, with Kenzie Nondorf being the top seller, having sold 125 little yellow rubber ducks, which was the most ducks ever sold! Hoxie Rec sent thanks to Hoxie Medical Clinic for providing the cold treats for everyone. Everyone had great fun!

### School Begins and So Do the Activities!

## Golden Plains Prepares for Fall Sports Season

Freshman Ezekiel Weiner and Sophomore Owen Patmon run the course for a Cross Country Practice at Golden Plains High School during the first week of practice. With Freshman Tanner Black and Sophomore Dominic Stout joining the boys' team, they will be able to compete as a team at meets this season. Their first meet is on September 1 in Goodland. Golden Plains High School will introduce their 2022 Fall Sports Teams on Friday, August 26, with an evening of open practices at the gym and football field in Rexford. The Volleyball team will introduce members at an open practice beginning at 5:00 pm in the gym. This year's team is small with only 8 players including returning seniors Breanna Rath and McHaley Carter. "I am very excited for this season," said Rath. "We are low on numbers but that gives us the opportunity to grow closer as a team." "I'm excited to see the improvements in each other as the season progresses," added Carter. "I am really looking forward to this season." Leading the team again this year are Coaches Ashley Arnberger and Laura Fellhoelter in their fifth year coaching together. "The high school volleyball team had a very successful summer season," said Arnberger. "I am excited to get back in the gym with this group of girls. We will continue to stress fundamentals, work ethic, and competition. I believe we are in for an exciting season." The Lady Bulldogs kick off their

season on August 27 at the Healy Invitational Tournament. The Cross Country team will be introduced at the football field at 6:00 pm. The team includes six runners in their third season. Included on the team is Junior Emma Weiner who placed third in the state as a freshman and won the state championship last year with a broken leg, along with returning team members Ava Brantley, Owen Patmon, Dominic Stout, and freshmen Ezekiel Weiner and Tanner Black. They are coached by Mindy Fleckenstein. "We are always trying to improve our times and become the best runners we can possibly be," said Emma Weiner. "It's good to see a couple more people join the team. It's exciting for the boys to be able to compete as a team." Their first meet will be on September 1 in Goodland. The Football team will host an open practice at the field following the Cross Country team introductions. The boys have a much smaller number of players this year with 12 participants. Mason Green returns as the lone senior with Will Bruggeman, Landon Meier, Blake Durham, and Michael Moore as juniors. Miguel Garcia, Abe Taylor, Josh Rath, Wyatt Amlong, and Maddix Green will contribute as sophomores, while Dylan Wark and Diego Perez join as freshmen. Coach Travis Smith leads the team for the 23rd year. "Our goal is to improve each and every day, practice, and game," said Smith. "We want to be in the top 4 spots in our district to qualify for the playoffs." Ed Weiner will assist him at the games. The boys will open their season on September 2 in Weskan. The Bulldogs will be playing six-man football for the seventh year. They were among the first teams to transition to 6-man in the 2016 season. The Kansas State High School Activities Association (KSHSAA) has sanctioned six-man this year and there will be a traditional post-season playoff system. "I think it brings a legitimacy to 6-man by having it sanctioned by KSHSAA," continued Smith. "We were excited to be one of the first to bring 6-man football to Kansas and even more excited that KSHSAA has taken it over." Following the football open practice, the Rexford Lions Club and Golden Plains Booster Club will host a pot-luck meal. They will provide hot dogs with guests asked to bring a side dish or dessert. The Booster Club will hold their first meeting of the season following the BBQ.

NEWS from the OUTSIDE with John Liester

Summer is just about over. The nights are cooler, hunting season is a week away, and I am more than ready! Getting all the different decoys ready, sorting calls, and practicing while I drive. The list goes on. My cousin wants to try muzzleloader hunting this season. I believe she will do just fine. And again, this season I will be using my old fifty-four caliber Hawken rifle. I love that old gun. It's like taking a big step back in time. Despite the lack of care by the previous owner, it shoots amazingly well. But first, I'm going to hunt doves. I just love jalapeno poppers made with doves. To those who've never tried them, you're missing out!

Fishing has been good. I went to Antelope Lake Saturday evening and caught four catfish. But more importantly, I got to teach two young ladies how to fish for them! By the time I came home, they had each caught a four pound plus catfish, and were beyond happy. I was just glad I was able to help. If you're fishing and see someone struggling, or if they ask for advice, help them out. Who knows, you may make new friends.

Friday I was going to go fish Norton. But a friend called and said the lake is down four feet! I decided I just didn't want to see that right now so I came home. Got my yard mowed and trimmed instead.

On another note, keep your eyes open. We have been seeing more and more skunks around our neighborhood.

The FBI raided Mar-a-Lago. Gee, that wouldn't be a blatant attempt to harass Trump at all, would it? If it was legit, we would have already heard about their findings. But no, just more garbage to try to get people afraid to vote for him. I have news. It's not working. I have never seen a political group so desperate to stop someone as the Democrats have been. Between this, the January 6<sup>th</sup> fiasco, and of course the "impeachment" trials, they look more desperate every day. To the point of being hilarious to

see! And lets now forget our own state's politicians because the Democrats are just as bad here! Watch any ad on TV. Not one ad from the Dems telling us the good things they will do. No, every ad is an attack ad on their opponents, and the fact that they are outright lying doesn't seem to bother them one bit. It's just sad to see our state coming to this. We need to vote these people out once and for all! It just amazes me to hear so many people screaming we need new people in office, then you vote for the same old ones over and over. Sheep is what they are. And scared witless about change. Anyone who thinks the way things are is alright deserves to have inflation destroy them. Have fun with that.

Pack the "Sack" with Fun Nutrition!

Many families are choosing to pack lunches for school and work. This practice can save time and money, and reduce waste. But as the days turn into weeks, it can become a grueling task to keep your lunch box ideas fresh and fun for the kids, as well as healthy. Here are some yummy homemade lunch ideas (or snacks) that will save your time and money while maximizing health!

- **Kabobs.** Sometimes, it's all about presentation! Stringing bite-sized pieces of vegetables, cheese, fruit and cooked fish or meat chunks onto skewers can be just the thing to tempt your child's taste-buds. It's also a great way to introduce a new food strung among some old favorites.
- **Make your own.** In the evening, fill a small container with a tight-fitting lid with a smoothie mixture, or with alternating spoonful of fat-free yogurt and fruit. Freeze. In the morning, pack a spoon and the frozen treat. It will still be semi-frozen by the time your child enjoys it at lunch, and it offers good nutrition in a "kid-friendly" way.
- **Warm it up.** Beyond sandwiches, think tacos, quesadillas, pasta and pizza for lunchtime variety that can be served hot or cold. An insulated thermos container can be a great way to pack warm soups, brown rice, whole-grain pasta dishes or oatmeal, as well as leftover dinners.
- **Sandwich in variety.** Even a simple change, such as

## The Hoxie Democrat Friday, August 24, 1888

E. E. Moser can be found in the corner store lately, occupied by Acton & Co.

The police this week made a raid on the Hoxie Joints and found some twisted hay.

Henry Suffecool has five acres of rye sown and up nicely. He will use it for pasture for calves this fall.

I. C. Bowen has two road carts and a mule and will now make regular trips from this city to his farm.

J. P. Roswell says that the hail hurt his crop some, but that he will have enough left to see him through.

D. M. Scott has gone to Colorado to work. Mrs. D. E. Hemphill has returned from her visit to Iowa and D. E. is again happy.

J. J. Sprague reports the cars as eleven miles from Hoxie and that they are laying track at the rate of one mile per day.

Pat Curran was in the city last Monday with a load of melons that were the finest we have seen this year. Pat is a good farmer.

Mr. Petringrew, post office inspector, was in the city Monday and there will shortly be made some changes in mail routes running into the city.

Caleb Farber has the ground ready for fifteen acres of wheat and will sow about thirty acres of small grain this fall.

Jerry Mote, one of Sheridan county's old citizens, is back from the east, and he says he is just like the rest of them, he could not stay away.

A. W. Reed, of Salina, was in the last Tuesday and swapped a few crop stories with our loafers and devils. He says they did not have much rain out there but were going to have a fair crop.

A. Snowberger brought in a wagon load of water and musk mellons last Tuesday which were of large size and good flavor and he reports that he will have a good crop of mellons and corn even if it don't rain any more.

Uncle Billy Hausafus, they say got so excited at Colby when the cars came in that he tried to get on the wrong train and then when he found out his mistake almost got run over by the other train. What will happen when the cars come in here? He will have to have a guardian we are afraid.

### Guy Giggings

Mr. L. M. Grant has moved from Hoxie to this place, where he has built a fine residence.

Mr. W. Jarson has gone to Graham and Trego counties, where he will spend a few weeks with his friends and relatives.

Mr. Frank Brandram's brother, of England, arrived at this place last week. He will spend the fall with his brother and friends.

## 125 Years Ago August 26, 1897

Tom Richardson is having his house papered. Miss Edna Hedge is visiting in Selden this week.

The butcher shop has opened again with Ed Jones at the block.

Leon Daniels is driving the Selden stage until his school in the Ellering district commences.

Earnest Sprague of Selden came down Friday to visit his friend Julius Gallogly and remained over for the picnic Saturday.

Samuel Wiggins donned his best bib and tucker Tuesday and hied himself to the Northeast, his destination is supposed to have been Norton.

The mill started this week and is now turning out No. 1 flour. It will run night and day as soon as they can arrange the time for the millers.

G. F. Weist and sister were sight seeing in the city Monday. They expect to soon move to Colorado where they will make their future home.

Photographer Lee informs us that he got an extra good negative of the old settlers at the picnic and that he will have some of the pictures on sale in a few days.

Columbus Lewis is hauling his wheat into market and reports that he is having bushels of fun. Every time he meets a pop he gives McKinley and 80 cent wheat as a cheer.

Uncle Jake Toothacre continues to improve in health and it will only be a short time until he will be able to be up and around. He has had quite a siege of it and is to be congratulated on his recovery.

E. T. Crum shipped hogs again Tuesday.

Hally Oltman was in Sunday trying to find threshing hands.

Lou Korb was using a godevil this week in his hay, he made it go like the d---l and is nearly through with his hay harvest.

J. M. Woodworth returned Saturday from a few days visit to Colorado. While away he saw many ex-residents of Hoxie, but when asked about how they were doing remained silent.

Jake Spall and John May, of Allison, two of the *Sentinel's* most ardent supporters in that neighborhood were in town Monday on business.

Mrs. J. B. Hitchcock and son Ray, of Oberlin, relatives of Mrs. S. P. Davidson of this city visited here the forepart of the week.

### Selden Department

Jacob Weist had a sale Tuesday.

Miss Edna Hedge of Hoxie is visiting Miss Nettie Weiser at this time.

Solomon Wolford has purchased a Dempster wind mill and erected it on his farm.

J. L. Zeigler of Hoxie was on our streets on Sunday last.

Prof. Messmore is going to engage in the poultry business. He has erected a building with that intention.

Hays Symphony to Perform Outdoor Pops Concert During Fall Art Walk

**By FHSU University Communications**  
Hays, Kan. – The Hays Symphony will present an Outdoor Pops Concert: Pops Potpourri; a Jazzy Salute to Fiddling Fun from Leroy Anderson, Morton Gould, and George Gershwin, as part of the Hays Arts Council's Art Walk Friday, August 26th, at 7:30 p.m., in the Hays Pavilion, 10th & Main Streets.  
The ensemble is under the direction of Dr. Brian Buckstead, FHSU assistant professor of violin and viola. Each featured composer offers a unique representation of music from the Twentieth Century. This group of American composers, Leroy Anderson, George Gershwin, Morton Gould, and Richard Hayman, were all giants in their field, creating a kind of American songbook.  
Once considered America's favorite 'pop' conductor, Richard Hayman conducted a myriad of ensembles throughout the eastern U.S., eventually becoming the chief arranger for the Boston Pops during Arthur Fielder's tenure. His Pops Hoedown is a kind of 'Yeעהaar,' barnyard romp giving the orchestra musicians quite a workout. Maestro Buckstead programmed several of Leroy Anderson's works for this concert, the most famous of which is the "Syncopated Clock." The piece features woodblock with a constant rhythmic pulse intertwined with short light melodies in the strings. John Williams described Mr. Anderson as "one of the greatest American masters of light orchestral music."  
Morton Gould, considered a child prodigy, had his first composition published at six. He later studied at the prestigious Julliard School and became an accomplished pianist. He was employed at Radio City Music Hall as a staff pianist, exposing him to both classical and popular programming of the day. "Yankee Doodle" was inspired by his lifelong endearment of those who served in our armed services. "American Salute" was originally written for orchestra (in 24 hours) and then later for band. The work represents Gould's skill in thematic development; he creates the work based solely upon the melody of "When Johnny Comes Marching Home."  
George Gershwin, well known for his epic "Rhapsody in Blue" and jazzy show-stopping Broadway tunes, showed his more reflective side with his "Lullaby for Strings." When Lullaby was finally published in 1968, Ira Gershwin wrote, "It may not be the Gershwin of Rhapsody in Blue, Concerto in F, and his other concert works, but I find it charming and kind."  
Bring a lawn chair and enjoy an outdoor concert celebrating American music in this Pops Potpourri Concert. This free concert and the post-concert reception consisting of cookies and drinks are made possible by Cathy's Breads and AutoWorld.

Sportsbooks for Wagering Opens September 1

Governor Laura Kelly announced that sportsbooks at Kansas' four state-owned casinos can begin accepting wagers in person and on mobile platforms starting September 1, 2022 and will officially open September 8. Sports wagering, like all gaming in Kansas, is owned by the state and operated by the Kansas Lottery. Under temporary rules and regulations, the state's four casino gaming partners can begin launching sports betting just in time for the first professional football game on September 8.  
The four casinos contracted with the state to offer sports wagering through independent platforms are Boot Hill Casino & Resort; Ford County near Dodge City; Kansas Star Casino in Mulvane; Hollywood Casino at Kansas Speedway, Kansas City, KS; and Kansas Crossing Casino & Hotel in Pittsburg.  
Tribal casinos are also working to align on contracts with the State of Kansas for sports wagering. These casinos will be authorized to launch as soon as they are ready.  
"Legalizing sports betting is a common-sense solution that keeps Kansans' money in Kansas and drives business to sporting events, casinos, restaurants, and other entertainment venues," Governor Laura Kelly said. "I want to thank all our partners for working with us to get this done in time for football season."  
Operators are being granted a one-year provisional license based on past performance in other states. The platforms that have been granted contracts will be announced soon.  
Kansans will be able to use any of state-approved platforms within the geographic boundaries of the state.  
"This announcement represents a lot of hard work and collaboration between the Kansas Lottery, the Kansas Racing and Gaming Commission, our casino and tribal partners," Stephen Durrell, Executive Director of the Kansas Lottery, said. "The process to bring this to fruition has moved at an unbelievable pace. We are excited to be bringing sports betting to Kansas players and adding more fun and exciting play options to the Sunflower State."  
In May, Governor Kelly signed Senate Bill 84, bipartisan legislation legalizing sports wagering in Kansas on mobile apps, in casinos, and other specific venues. SB 84 allows venues such as restaurants and nonprofit fraternal or veterans organizations to hold sports wagering. SB 84 preserves tribal sovereignty, allowing the negotiation of a new or existing gaming compact regarding sports wagering.  
Additional information about sports wagering can be found on the KRGC website at [krgc.ks.gov](http://krgc.ks.gov).

DSNWK Awarded Community Service Tax Credits

Developmental Services of Northwest Kansas (DSNWK) has been awarded \$150,000 through the Community Service Tax Credit Grant program at the 50-percent rate through the Kansas Department of Commerce. There were 55 applications of which 29 were awarded with a total of \$4,084,455.75. \$1 million of that amount went to childcare projects. The tax credits are available to donors on a first come, first served basis and are expected to go quickly.  
Tax credits are an incentive for donors to give to charity and non-profit organizations. Any tax credit issued by DSNWK that exceeds the tax liability of the donor is refunded to the taxpayer. "You can use the tax credit to pay any unpaid Kansas state taxes, or receive the credit back on your refund," said Jerry Michaud, President/CEO of DSNWK.  
Donations to this project also count towards DSNWK's \$5 million Stronger Forever Together capital campaign goal.  
"We are very thankful and excited to once again have the opportunity to offer these tax credits for donors," said Michaud. "These donations will be used for economic rejuvenation through construction updates on outdated buildings targeting energy efficiency, ease of access to facilities and better connectivity."  
DSNWK is a 501(c)3 nonprofit serving individuals with intellectual and developmental disabilities from the counties of Cheyenne, Decatur, Ellis, Gove, Graham, Logan, Norton, Osborne, Phillips, Rawlins, Rooks, Russell, Sheridan, Sherman, Smith, Thomas, Trego and Wallace.

44<sup>th</sup> Annual Logan Labor Day Celebration

The 44<sup>th</sup> Annual Logan Labor Day Celebration at the Logan Golf Course located 1.25 miles east of Logan, Kansas on HWY 9, will be held on Sunday, September 4, 2022. The Hansen Museum with funds from the Dane G. Hansen Foundation sponsors this annual family-friendly event. There is no admission fee.  
The day kicks off at 11:00 a.m. with a sand volleyball tournament and the Dane G. Bales Jr. Memorial Car Show. The car show has been a highlight of the Labor Day Celebration since 1998. This year's featured car is Darrell Patee's 1954 Chevy Convertible. Make sure to get there before 4:00 p.m. to check out everything from classic coupes and beefed-up muscle cars to antique pick-up trucks and flashy hot rods.  
Get some exercise, don a disguise, see the sights, or win a prize at this year's festivities. Let the kids run loose and find entertainment that will burn off some energy by jumping in the bouncy house or taking on their friends at the Meltdown Game. "Disguise" yourself or the kiddos by visiting the free face painting booth or sit with the family for a caricature sketch by artist Brooke Werner. Ready to see the sights from higher up? Check out the popular 25-foot rock climbing wall that will be open from 11:00 a.m. to 7:00 p.m. Feeling competitive enough to try for a prize? The Siruta Pedal Pullers State Sanctioned Kid's Tractor Pull begins at 2:00 p.m. and winners are eligible to compete in the State Pull at the Kansas State Fair in Hutchinson.  
In-between activities, you'll find plenty of delicious options for both lunch and dinner, (plus snacking in-between), at the Legends 281 Food Booth, The Corn Kettle, and Buck's Snow Shack.  
Take a ride into Logan and visit the recently renovated Hansen Museum from 1:00 p.m. to 5:00 p.m. On view in the gallery is the amazing work of ceramic artist Rodney Zimmerman. Eclectic, whimsical with a dash of quirky, but completely elegant, the gallery has taken on an "Auntie Mame" vibe (1958 filmed based on the novel with the same title).  
The 44<sup>th</sup> Annual Logan Labor Day Celebration's musical entertainment will start at 5:30 p.m. with Mark Nebel from Hutchison, KS and at 7:00 p.m. "Jimmy Dee and The Fabulous Destinations" a local rock 'n' roll band made up of Ellis County natives will take the stage and wow the crowd with their superior talent.  
Last, but certainly not least, the grand finale by Rainbow Fireworks of Inman, Kansas, will light up the sky with a brilliant display of fireworks that can be seen for miles. All this and more happens at the 44<sup>th</sup> Annual Logan Labor Day Celebration, at the Logan Golf Course located 1.25 miles east of Logan, Kansas, on Sunday, September 4, 2022.  
For more information, call the Hansen Museum at 785-689-4846 or visit us on the web at [www.hansenmuseum.org](http://www.hansenmuseum.org). Museum Hours are M-F 9-12 & 1-4; Sat. 9-12 & 1-5; Sun. & Holidays 1-5. The museum is closed Thanksgiving, Christmas, and New Years. We are handicapped accessible, and admission is always free thanks to the generous support of the Dane G. Hansen Foundation. For more information about this and other exhibits, contact Shari Buss at 785-689-4846.

\$3.2 Million in Grants Available to Aid Rural First Responders Combatting Opioid Abuse

-- Applications Open Through September 15--  
Governor Laura Kelly announced \$3.2 million in grants that will be used to assist rural first responders combatting opioid abuse. The grants will fund training regarding carrying and administering approved medication for emergency reversal of opioid overdose.

"The opioid crisis impacts families across Kansas, which is why it's crucial that our first responders have the support and training they need to save lives and bring relief to our communities," Governor Laura Kelly said. "This funding will be instrumental in helping struggling Kansans access appropriate treatment and recovery support services."  
The Substance Abuse and Mental Health Services Administration (SAMHSA) First Responder-Comprehensive Addiction & Recovery Act (FR-CARA) grants, administered by the Kansas Department for Aging and Disability Services (KDADS), are open for application by rural first responder agencies and members of other key community sectors at the state, tribal, and local levels.

New Kansas State University Scholarship Program

A new scholarship program at Kansas State University addresses affordability for new incoming in-state and out-of-state undergraduate students who plan to start at K-State beginning summer/fall 2023.  
The in-state scholarship program offers new opportunities for incoming undergraduate students who plan to attend the Manhattan, Salina or Olathe campuses. The top general university in-state award for incoming freshmen, which requires a minimum 3.95 unweighted GPA and a minimum 32 ACT score or 1420 SAT score, has increased to a total award value of \$22,000 over four years. This is one of the highest merit scholarship awards in the state that is automatically awarded when a student applies for admission by the priority application date.  
The new in-state program also provides a transparent GPA-only pathway to achieve an academic scholarship, offering students the opportunity to earn scholarships without an ACT or SAT score.  
For out-of-state freshmen and transfer students who plan to attend the Manhattan or Salina campuses, the new Wildcat Nonresident Award will be available to domestic and international students beginning in summer/fall 2023. This award, which is automatically granted to eligible degree-seeking students who apply by the priority application date, reduces the nonresident portion of tuition from between 50% to 100% for eligible students based on unweighted GPA, with no test score required. A 100% reduction means a student's tuition will equal in-state rates.  
The Wildcat Nonresident Award joins the successful Missouri Match Tuition Award in K-State's scholarship lineup. To receive an award equivalent to in-state tuition, incoming freshmen from Missouri must have a minimum 3.25 overall unweighted high school GPA and a minimum 22 ACT or 1100 SAT composite score. Incoming transfer students must have a minimum 3.25 cumulative GPA from their current college or university.  
"With the success of our Missouri Match program, we wanted to provide an opportunity for students in any state across the nation to attend K-State," said Karen Goos, vice provost for enrollment management. "As a top-ranked R-1, land-grant university with a high rate of success, we want to provide all students with talent and promising leadership potential the opportunity to earn a prestigious K-State degree."  
Each student's application for admission is automatically reviewed for the university's general scholarship and award offerings, and the university affirms that students will be considered for the highest award possible. K-State's Kansas resident awards, Wildcat Nonresident Award and Missouri Match Tuition Award are all renewable as long as K-State's general renewal requirements are met by the student.  
Incoming undergraduate freshmen remain eligible to also submit supplemental competitive scholarship award applications for both the Manhattan and Salina campuses. Newly admitted students — freshmen and transfer, domestic and international — are also eligible for college and departmental awards through the K-State Scholarship Network. The K-State Scholarship Network is also available to current students each year.  
Students can learn more about all of K-State's scholarship offerings by visiting the Office of Student Financial Assistance's scholarship and award site.

Back-to-School is Breaking the Bank

**Congressman Mann**  
**As students prepare to head back to the classroom, parents are headed to the store for their annual back-to-school shopping. Back-to-school shopping is already the second largest annual expense for families and sadly, this year parents will be facing an average of \$661 per student this year for school supplies due to skyrocketing inflation. Inflation continues to rise under the Biden Administration and is costing the average Kansas household over \$8,700 per year.**

Small Grain Production and Stocks Data to be Collected

During the first two weeks of September, growers of small grains around the country will be contacted by the U.S. Department of Agriculture's National Agricultural Statistics Service (NASS). The agency is taking a comprehensive look into the 2022 production and supply of small grains, which include wheat, oats, barley, and rye.

"The small grains industry is important to Kansas agriculture, and it is crucial for everyone to have accurate data about this key sector of the economy," said NASS' Kansas State Statistician Doug Bounds. "We will contact more than 2,500 producers in Kansas to accurately measure 2022 acreage, yield, and production for small grains and the quantities of grains and oilseeds stored on farm.

Responses to the survey will also be used in calculating county yields," explained Bounds. "USDA uses county yield information from the survey to evaluate and administer vital farm disaster mitigation.

Farmers who receive this survey should use this opportunity to assure their county is accurately represented in the calculation of Kansas county yields."

The data collected from this survey, along with additional information, will be used to help set small grain acreage, yield, and production estimates at the county level, which will be available this December in NASS's Quick Stats database at [quickstats.nass.usda.gov](http://quickstats.nass.usda.gov).

"NASS safeguards the privacy of all respondents and publishes only aggregate data, ensuring that no individual operation or producer can be identified," stated Bounds. "We recognize that this is a hectic time for farmers and

John Olson

May 22, 1947 - August 18, 2022

John Royd Olson, 75, of Yorktown, IN, formerly of Hoxie, KS, passed away peacefully on Thursday, August 18, 2022, surrounded by his loving family.

He was born in Chicago, IL, to the late Lorin and Ruby (Alvig) Olson. John attended Lane Technical High School in Chicago, Illinois (School of Champions), Augustana College in Rock Island, Illinois (Bachelor of Arts in Math) and the University of

Kansas (Master of Arts in Teaching Mathematics). While teaching on an emergency certificate in Northwest Iowa he met the love of his life Brenda (Diischer); they married on May 7, 1971.

John dedicated his life to education, he loved and cared for his students and enjoyed the company of his fellow educators. He taught at Hoxie High School in Hoxie for 30 years. While teaching at Hoxie High he spent all 30 years as the student council advisor. Following his tenure at Hoxie High, John taught upper-level math at Colby Community College for 17 years in Colby. Additionally, he served as the college sponsor of Phi Delta Phi Honor Society. He was a member of Phi Delta Kappa, a national fraternity of educators.

He was dedicated to his family; he looked forward to spring break and summer holidays traveling with the kids and grandkids. His family always included his "pups", his heart had endless love for all of them.

In his spare time, John could be found in the basement woodworking or doing improvements around the house. He enjoyed decorating the house for Halloween and Christmas. He loved to travel, attend theater, museums, and amusement parks with his family. All of these improvements, decorations or family members often were the subject of his photographic endeavors. There wasn't a chair that he couldn't rest his eyes in.

He is survived by his wife Brenda, sons Peter (Amy), Matthew (Carlie), daughter-in-law Barbara Lewis (Jared), and grandchildren Hunter, Connor, Rylee, Bentley, and Liam. Also, his current pups, Cooper, and Zoey.

He was preceded in death by his parents and brother Peter Lind.

"Math is fun and who can doubt it, if we have no doubt about it." *John Olson*

A Memorial Service will be held in Hoxie at Mickey Leopold Funeral Home on Monday, August 29, at 10:30 AM. Lunch at the Hoxie United Methodist Church will follow for family and friends. The family will remain at the church until 3:00 PM for anyone who would like to visit. Local arrangements have been entrusted to Ballard and Sons Funeral Home in Daleville, Indiana.

In lieu of flowers, the family has requested memorials for the McCook, NE Humane Society or Dr. Max Pickerill Scholarship at Colby Community College. Please make checks out directly to McCook Humane Society or Colby Community College Endowment Fund.

Herskowitz advised Teeter is working on the road 60N and then west. There was discussion about the width of the road. Bids were received from Town & Country and Bainter Oil for tires for one of the tractors. Both businesses bid Firestone 420/85R28. Bainter Oil bid came in at \$1,185.00/each and Town & Country at \$1,175/each. Mader made a motion to approve and purchase two tires from Town & Country who had the low bid. Joe Bainter seconded. Carried 3-0

Joe Bainter had received several complaints about a hole east of Selden. Herskowitz will check it out.

At 8:10 Wes Bainter made a motion to enter into executive session for a period of 20 minutes for the discussion of non-elected personnel. Joe Bainter seconded the motion. Carried 3-0. Present were the Board, Herskowitz, Pratt and Bracht. The door opened at 8:28

with no decision being made. Joe Pratt stated he will try and make contact with the attorney who is handling the oil lawsuit. The hearing is scheduled for September. Pratt stated he had not heard anything since mailing out the prairie dog and musk thistle letters. Bracht presented two Treasurer abatements for severed minerals. Wes Bainter made a motion to approve and sign the abatements seconded by Joe Bainter. Carried 3-0

There was a brief discussion about the RNR notices that had been mailed out. The Board opted to not contract fuel for the landfill at this time.

The Board canvassed the Recount of the votes cast for the State Representative District #118 between Jim Minnix and Tatum Lee at the August 2, 2022 Primary Election. Wes Bainter made a motion to accept the recount as presented seconded by Joe Bainter. Carried 3-0. Bracht advised the Board that

there was a clerical error in the total tally for Adell Township so both candidates had one vote taken away and Tatum Lee received an additional vote from West Kenneth. Minnix was still the winner, receiving 489 votes and Lee receiving 358.

Joe Bainter made a motion to approve the August 9, 2022 Minutes as amended. Mader seconded. Carried 3-0

Wes Bainter made a motion to approve the warrants seconded by Mader. Carried 3-0

The August 12, 2022 Payroll was approved on a motion by Joe Bainter and seconded by Mader. Carried 3-0

Deb Kaufman, EMS Director, came to the table. Kaufman presented a bid from Nex-Tech for a new computer for the meeting room at the EMS Building. The bid was \$2,526.94. Wes Bainter made a motion to approve the bid, seconded by Joe Bainter. Carried 3-0

Kaufman discussed with the Board prepaying the Verizon hot spot bill for all three ambulances for two years. The cost would be \$2,880.00. Permission was given to do this. It will be paid using ARPA funds.

The Board discussed with Kaufman the new Ford ambulance issues, which were electrical and where she might need to go for future maintenance.

Karl Pratt, Ellen Pratt, Karen Lewis, Ardith Bell, and Julia Colson came to the table representing the Historical Society. Karl Pratt advised the Board that the Building

Committee would meet on Sunday, August 20, at 2:30. There is currently no floor plan or timeline for the building, which will be used mainly for storage. The hope is to double the size so more artifacts can be displayed. A consultant has been hired and grant funds will be utilized to pay for the service. Mader will be the liaison between the Historical Society and the Board of Commissioners and will plan on attending the meeting on Sunday. The Board thanked them for coming.

Wes Bainter stated he had some concerns about the two-million-dollar emergency room remodel project discussed by Chad Koster, CEO Sheridan County Health Complex at an earlier meeting. He would like the projections of where the revenue is coming from. Bracht will gather the information on current bonds, payment, etc. for the next board meeting.

The following payroll and warrants were approved by the board as presented:

General \$69,706.20  
Road & Bridge \$16,508.74  
VIN \$215.58  
Noxious Weed \$2,612.87  
Public Transport \$868.84  
MV \$1,300.28

At 9:14 a.m. with no further business, Wes Bainter made a motion to adjourn, seconded by Mader. Carried 3-0. The next regular meeting will be Tuesday, August 23, 2022, at 8:00 in the Courthouse main floor foyer.

Attest: Heather Bracht, County Clerk, Wes Bainter, Chairman

from white sandwich bread to whole grain choices (including mini bagels, tortillas, pitas, muffins or crackers), can get kids more excited about good nutrition. Consider various fillings, such as a variety of thinly sliced vegetables, fruit chunks, dried fruit, fruit preserves, cooked dry beans, nuts, seeds peanut butter, hummus, egg or tuna salad, leftovers such as last night's meatloaf, chili or shredded cooked chicken, roasted meats and poultry, and sliced cheeses. For example, spread peanut butter on a whole wheat tortilla, roll up a banana in it, and then slice it into pieces for easier eating. If you need a simple protein food, pack hardboiled eggs, low-fat cottage cheese, low-fat cheese chunks, canned tuna or peanuts.

hands of the opioid epidemic. This grant will help train our first responders to save lives and educate our neighbors about this issue, particularly in rural communities," said Representative Sharice Davids (KS-03). "I'm glad to support these federal grants and to support Governor Kelly in ensuring this crisis is addressed in every corner of our state."  
"Expanding our efforts to address the substance abuse crisis through access to treatment, training and other proven tools and resources is a priority for our agency," KDADS Behavioral Health Services Commissioner Andy Brown said. "This funding will help us identify partners across the state who can connect recovery services and resources to rural communities to meet the needs of Kansans."  
KDADS has selected four rural regions of the state that encompass 53 counties for implementing this project based on the Kansas Board of Emergency Medical Services map. These regions include:  
• Region I - Northwest: Cheyenne, Rawlins, Decatur, Norton, Phillips, Sherman, Thomas, Sheridan, Graham, Rooks, Wallace, Logan, Gove, Trego, Ellis, Russell, Ness, and Rush  
• Region II - Southwest: Greeley, Wichita, Scott, Lane, Hamilton, Kearney, Finney, Hodgeman, Gray, Ford, Stanton, Grant, Haskell, Meade, Clark, Morton, Stevens, and Seward  
• Region III - North Central: Smith, Jewell, Republic, Osborne, Mitchell, Cloud, Clay, Ottawa, Lincoln, Dickinson, Saline, and Ellsworth  
• Region IV - Southeast: Greenwood, Woodson, Allen, Bourbon, Elk, Wilson, Neosho, Crawford, Chautauqua, Montgomery, Labette, and Cherokee  
First responder agencies can find additional information, including application forms and submission instructions, for the grant funding here.  
Applications are due to KDADS by September 15, 2022.
