Commission Minutes 6/18/2024

Now on this 18th day of June 2024, the Board of Commissioners, Sheridan County, Kansas, met in regular session with Chairman Mike "Buck" Mader presiding. Other members present were Joe Bainter, David Stithem, Harry Joe Pratt County Attorney and County Clerk Heather Bracht. Guest was The Sheridan Sentinel.

At 8:00 a.m. Mader called the meeting to order.

Those in attendance stood and recited the Pledge of Allegiance.

Mader made a motion to amend the agenda to include Andrea Cross from Options. Bainter seconded. Carried 3-0. Cross discussed the services provided through Options and answered a few questions.

Joe Herskowitz, Road & Bridge Supervisor, came to the table. Herskowitz advised the Board that a new culvert had been put in on 10E.

There was discussion about the fencing that will be done at the landfill.

There are currently three graders that have some problems.

Review of some of the roads was discussed.

The Board and Herskowitz reviewed the County's policy on steel toed boots. It was tabled and will be further discussed at the next meeting.

Herskowitz advised the Board he had received the paperwork from the State for the landfill and the disaster relief funds. He will check with the State and see what end date he should show.

Pratt and the Board discussed vacating a trail road on Dwayne Kersenbrock's property in the SW4 of 23-8-29. Pratt will proceed with talking with Kersenbrock and completing the necessary paperwork.

Jordan Riley, EMS Director, came to the table. EMTs Kristen Allmer, Judi Feldt, Don Koerperich, and Tracy Poppert were also in attendance. Riley stated the driveway in front of the ambulance bay seems to be sinking. Riley will contact Hoxie Concrete about this and what the options might be.

Two cot batteries were ordered at a cost of \$965.

The airport was closed down on Saturday through Sunday noon. Riley would like to have some involvement in the planning for next year.

Riley advised the Board that there was an EMS meeting on Monday, June 17, and 10 EMT's were in attendance. At the EMT meeting there were a few concerns voiced and Riley states he is pushing to get an EMT class going but there are only a couple interested individuals.

There was discussion on what two full-time employees would be doing during their shifts. Riley stated that he has looked at community paramedicine, which could be offered with the two full-time employees. The individuals would be required to stay at the EMS Building but would not be on at the same time. A town hall could be put on to educate the public. The Board advised Riley that because ag value has dropped so much, and house values have gone up there is just no way the changes he wants to make can happen in 2025. It is an awful year to ask for more money. Everyone understands there needs to be a change but what the change is needs to continue being discussed. The Board appreciates all the work Riley put into the information presented and they will help however they can. There were other options discussed but no decision was made. Riley will continue to work on promoting EMS and staffing.

A bid was presented from Heim TV for replacement of 14 heat/air conditioning units that had been damaged in the storm on June 7. Mader made a motion to approve the bid, seconded by Stithem. Carried 3-0.

Approved expense was \$13,399. Penco Engineering had sent information pertaining to the work on Sheridan Ave. to 10W and Road 10W from Hwy 24 to Scott Foote's home. At this time, the County will only pay for their portion of the work to be done on Sheridan Ave. to 10W. No other decision was made as it pertained to financing work on 10W. Bracht will contact Scott Foote and invite him to an upcoming meeting.

The KDOT documents were signed pertaining to the easements, moving of the monitoring well at the landfill and fencing for the work on Hwy. 23 South. Bracht had requested from Karl Pratt information on what he had done as Economic Development Director, and that information was distributed to the Board for review.

Stithem made a motion to approve the June 14, 2024 Payroll as presented. Bainter seconded. Carried 3-0

The June 11, 2024 Minutes were approved as presented on a motion by Stithem and second by Mader. Carried 3-0

Charlene Shaw June 3, 1938 ~ June 26, 2024

Charlene Marie Shaw (Char, Lenie, BumBum, Mom, Gma) was born in Springfield, CO, on June 3, 1938, to Fred and Mary Gibson, and she went to her eternal home on June 26, 2024, in Logan, KS. Char's childhood was spent learning, loving, and causing havoc with the rest of the Gibson Clan.

On July 30, 1955, she was united in marriage in Clayton, NM, to Jarrold Tex Shaw.

Charlene and Tex made their home in Selden. They were married for 64 years, which were packed full of adventure and fun! Char continued to live in Selden until Sept 2023, when at that time she moved to Logan Manor in Logan and lived there for the remainder of her time with her loving 'family' there.

Char lived a life full of adventure! Between snowmobiling, fishing, camping, trike riding, and so much more, she developed life-long friendships across the United States.

One thing is for certain, she had a deep love for her family, and this was obvious from the joy she had when she attended any and every activity she could for them. Her house was the site for endless numbers of card games, ping pong, and many others. Snacks were never ending, and you were very likely to hear some George Strait!

She was preceded in death by her parents Fred and Mary Gibson; husband, Tex Shaw; her brothers: Gene, Donald, Larry, Bob, Kenneth, and Wayne; and sisters: Margaret Wade, Iris Taft, Inis Brisendine, and Shirley Greenlee.

She is survived by four children: Randy & Adeana Shaw, Springfield, CO; Dan & Miriam Shaw, Selden; Doug & Jill Shaw, Ellis; Lisa & Lance Stoll, Selden; and sister-in-law, Debbie Gibson, Springfield, CO; and sister-in-law, Doris Jean Oliver, McCook, NE; 14 grandchildren, 21 great-grandchildren, and numerous nieces and nephews.

There will be a Celebration of Life on Wednesday, July 10, at 1:30 p.m. in the Selden Grade School Gym. A family burial will be held at a later time. In lieu of flowers, please consider a donation to her little friends at Little Paws Daycare in Selden. Memorials may be sent in care of Mickey-Leopold Funeral Home, PO Box 987, Hoxie, Kansas 67740.
