Linda Lager Receives Extension Appreciation Award

The Extension Appreciation Award is presented to an individual, couple, or organization that has exhibited extra effort in support of K-State Research and Extension programs. Their hard work and dedication to lifelong learning, for both themselves and those they serve, is the foundation of Extension work. Their selfless acts of volunteerism create ripples throughout our communities and can be seen in the development of our youth, the continuing education of our adults, and the overall prosperity of our towns. This year, the Twin Creeks Extension District Executive Board awarded Linda Lager with this honor at their most recent board meeting.

Linda has been involved in Extension Programs in Sheridan County since the early 1980's. From 4-H Mom to 4-H Club Leader to Extension Council Member and everything in between, Linda has brought commitment, dedication, and a community-service attitude to all she served.

According to Linda's daughter, Brenda (Lager) Haas, Linda "always believed in doing things and doing them well, completing them from start to finish. This was no different in 4-H. If you enrolled in a project, you fulfilled the requirements of the project including all record bookkeeping at the end of the 4-H year." This is still true today. As a club leader for the Angelus 4-H Club, she ensures every member completes their record books for judging at the county and area levels.

Linda has also been a tireless supporter of the life skills 4-H can teach. Daughter Brenda states, "Mom also believed in practicing over and over again to make sure we did things well, whether that was baking the same recipe over and over again, walking our 4-H project animals around the yard, practicing a talk or demonstration several times at home after school before the 4-H meeting or county and/or regional 4-H days. I remember getting home off the school bus and she would have everything set up so that I could practice my presentation a couple times a day for several days leading up to the day of the presentation. Mom spent some late nights with my sister and me and our sewing projects the night before Style Revue ripping out seams and sewing them straight."

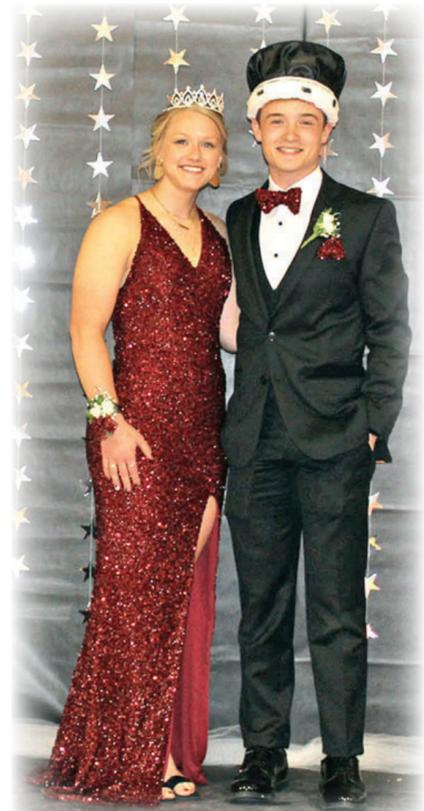

Linda continues this dedication to project learning to this day. Amanda Ostmeyer, Angelus 4-H Club Leader, shared photos of Linda teaching club members how to bake breads, sew an apron, make a meal for a community service project, and bake pies for the fair. Linda states, "We (the club) can make 35 pies in just 2 hours!"

All this project learning then translates into community service projects, a part of 4-H close to Linda's heart. Daughter Brenda says "Mom strongly believes in giving of herself through service. She has been active in serving in her 4-H club, in her church, and in her community. She served the club in many ways over the years, including project leader and community leader." Just a small portion of the community service projects Linda has lead and helped with include providing leadership for the 4-H Food Stand during the fair, serving local Golden Age dinners, mowing the lawn for the church, organizing Christmas goodie bags for people at home during COVID, and so much more.

In the words of Dana Geisinger, previous 4-H Club Leader and 4-H Program Assistant, "These are just a few of the reasons why so many people look up to Linda. Leaders like Linda are what kids, parents, and 4-H agents dream of. We need more Linda's in this world."

The Twin Creeks Extension District Board and staff would like to congratulate Linda Lager on this achievement and thank her for the huge contribution she has made to our 4-H Program, our overall Extension Program, and her community!

"Club VIP" Prom King & Queen

Golden Plains seniors Kassie Miller and Ethan Shea were named the Queen and King of the GPHS "Club VIP" Prom in Rexford on April 23. Kassie is the daughter of Mike and Tammy Miller, and Ethan is the son of Krista Cook and Magnum Shea. (Photo by Judy Rogers)

EASTER EGG HUNT FUN AT HOXIE ELKS

Area kids had lots of fun at the Easter Egg Hunt held at the Hoxie Elks Club on Saturday, April 16. The event was sponsored by Hoxie Elks Lodge and Sheridan County Economic Development.

This year's Easter Egg Golden Egg Winners are:
 3 & under: Zaley Barr
 4 & 5 yo: Rhett Baker
 K & 1st grades: Hudson Mader
 2 & 3rd grades: Maddi Watkins

EVOLVE F.I.T.

I'm Erica Funk from Rexford, KS, but was born and raised in Nebraska (Go Huskers!). I am married to a very hard-working farmer/rancher and the proud mom of a very active little girl.

When I was in college, I lived the typical student's life - eating and drinking a lot! It wasn't until I was nannying in New Jersey at the age of 19 that I truly fell in love with working out. The family I worked for bought me a YMCA pass as part of my salary, and I worked out as much as I could, while

playing basketball, volleyball, and softball. While there, I lost 25lbs! After losing the weight, I became addicted to working out!

One I returned home, I continued to work out and did a number of different restrictive programs and lost even more weight. Fast forward years later I kept doing those fad diets/meal plans and even did a few fitness competitions. In my last Tri-Fit competition I was injured. I realized my body was super stressed, and due to the injury, so my nutrition fell off as well. I had been so strict for so long that I ended up gaining a bunch of the weight back and struggled to find a balance with workouts and nutrition.

That's when I decided it was time to take back my life and hired myself a coach. I am so thankful and blessed that I took a leap of faith. I have gained a piece of life back and found freedom when it comes to eating. I still eat healthy and enjoy some of my favorite foods every now and then without the guilt! I really love the accountability and the community!

EVOLVE F.I.T. was founded in 2017 to help women from a distance eat right and workout from anywhere. The nutrition plan that I had made back then was one size fits all! That is not the case

nowadays!

I recently relaunched my business EVOLVE F.I.T. Fitness and Nutrition Coaching.

I decided to become a certified nutrition and training coach to educate women on how to fuel their bodies to feel good and enjoy life. I love to watch their physiques change. I love how they get their confidence back. I love when they finally see the big picture that they are working on themselves so they can be more present in their families' lives!

EVOLVE F.I.T. offers 6 month plans that include fitness and nutrition. I have learned over the years of yo-yo dieting myself that you can't create a lifestyle doing it. That's why my program is six months long so I can help you create the habits you can do on your own. I don't tell my clients what to eat and I don't restrict them. My goal for you is that you don't ever need a coach or do another diet again.

I have a very special offer happening now. I am offering a 6-Month Scholarship to work with me! Application Deadlines are 5-1-22.

I still do Tri-fit Competitions once a year! I love to have a goal. I have learned that our bodies go through seasons, and you need to prepare for the current season of life you are in.

Fun Fact:

I work part time from home for a lip balm company based out of Colorado as an AR Specialist. I have been with them for over eight years.

My certifications include:

- ISSA Personal Fitness Trainer, Youth Fitness Trainer, Fitness Nutrition Coach
- PN Level 1
- AAAI/ISMA Phase 1 Yoga Instructor
- NCI Level 1 Coach
- NCI Level 1 Mindset Coach
- CRT Trainer

Sheridan County Health Complex Seeking Tax Credits

Most hospitals in Northwest Kansas were built in the early 1950's and were constructed to care for the growing population that sought care for accidents that occurred in rural farming and ranching life. Additionally, these hospitals were constructed to create jobs for the members of the community. Many community hospitals had formerly operated out of large homes, but as the need for patient care grew, larger facilities were constructed to keep up with the growing local healthcare needs. Sheridan County Hospital was constructed in 1952.

Over the past seven years, members of the Sheridan County Health Complex Board of Trustees have been working with an architect to evaluate and develop plans to modernize and upgrade the current county facility. These upgrades are needed to improve the overall quality of care the hospital provides to the community by modernizing equipment and upgrading core facility infrastructure. Many of the original areas of the hospital are 50-70 years old.

With the recent completion of the Acute Wing remodel, improving the capacity and capabilities of the Emergency Department is the next focus area of the Board of Trustees. Patient care, safety, and the ability to meet the community's emergency medical needs are at the forefront of this strategic planning initiative. The hospital is applying for a Kansas Department of Commerce Tax Credit award that would provide critical project funding, in addition to a USDA loan. The project has been endorsed by the County Commissioners, the City Mayor, the House Representative and Senator for our area and many other dignitaries and community leaders.

In order to effectively compete for the Kansas Department of Commerce Tax Credit award, local tax pledges and participation are critical. The face sheet inserted into this newspaper explains how any donation of or above \$250 will receive a refund of 70% to the donor from the Kansas Department of Revenue. This program is a great way to self-invest in your local hospital, as well as help pay your Kansas tax obligation. You may pledge for 2022 and 2023. The Emergency Department project is anticipated to be completed by 2024.

Our project is simple, yet very impactful. In 2021, 717 patients were seen in SCHC Emergency Department. Quality patient care is of the utmost importance of Sheridan County Health Complex. In an emergency you want the most qualified personnel and the

JENNINGS NEWS
 By Louise Cressler

The Jennings Lions Club will be hosting their Mother's Day Dinner on May 8, from 11:30 a.m. to 1:30 p.m. at the Jennings Sunflower Senior Center. A free will offering will be taken. Donations of desserts would be appreciated.

I have enjoyed family being at my house since Friday, Sharon and Mike Gaston, Ames, IA; Russell Cressler, rural Jennings; and Gwen Anderson, Angelus. On Saturday, Sharon, Mike, and I went to Angelus to visit Gwen and Jeff. Sunday they all gathered at my house. This morning (Monday) Sharon and Mike left to go back to Iowa.

Saturday morning about 1:30 a storm moved into our area. Lots of wind, hail, and some rain. Our electricity went off for three hours. We got about .48" rain.

The firefighters from Jennings and surrounding towns have been busy fighting fires in several locations.

Remember, Jennings Blood Drive is Friday April 29, from 8:30 a.m. to 2:30 p.m. at the Jennings United Methodist Church. Call Shelley McKenna 785-678-3050 for appointment.

Funeral services were held last Wednesday at the Jennings United Methodist Church for former Jennings resident Neoma Tacha, Andbe Home, Norton. Sympathy is extended to the family.

Anyone interested in trying Hoopla or Libby (also called Sunflower) or feeling they need some help, please give Lynn Tacha a call or send a text to 785-678-7027. Arrangements are being made with the Northwest Kansas Library System for some tutoring at the Jennings City Library in the afternoons.

SELDEN Pinochle
 BY LILLIAN SULZMAN

The Selden Pinochle group gathered to play their game of pinochle and enjoy lunch together last Thursday. Last week's group included Bob Wessel, Alfred J. Albers, Randy Galden, Mary Galden, and Shirley Emigh.

Pat Wessel had 2nd high with 475, held the most aces, Bernadine Spesser had high score of 537, Boyd Wilson, Margee Wilson, Ellis Walker, Steve Skubal, and Shirley Emigh joined for lunch only. Don Juenemann had high score 674, and I, Lillian Sulzman, got 2nd high score 656.

The game and meal were enjoyed by everyone.

Submission Guidelines
Print-ready ads and content deadline: noon Tuesday
Non-print-ready ads MUST be in by 3 pm Monday.
 Due to time constraints, all ad & content submissions must be emailed in .doc, .docx, or .pdf format; photos in .jpg or .png format. **All non-print-ready ad submissions are subject to a design fee (starting at \$10).**
 Please email articles, news, and photos to:
 editor@sheridansentinel.com
 or bring them by our office at
 716 Main Street, Hoxie.
 We confirm receipt of all emailed submissions within 24-hours.
 If you have not received confirmation, or if it is a time-sensitive submission, please call us at 785-675-3321.

Angelus 4-H Club Meeting Minutes

Margaret Mary Lager places a color fabric swatch on Lucy Anne Lager during their dual sewing project talk on how to choose your color. (Angelus 4-H photo)

Reporter: Blaise Lager

The monthly Angelus 4-H Club Meeting was held on March 25, in the Angelus Church basement. Roll call was a nickname you like to be called. In the absence of the President and Vice President, Linda Lager called the meeting to order. Lucy Ann Lager led us in saying the Pledge of Allegiance and prayer. Margret Mary Lager led us in singing Hail Holy Queen prayer. La Rynn Rumback read the Minutes.

Lily Rumback gave a Parliamentary tip. She said you can keep the members focused by using a different voting idea such as raising your right foot for voting yes and raising your left foot for voting no on a motion.

Rylan Moss, our Historian, shared a fun story about A.B. Graham and how he started the youth 4-H programs. New business was discussed. District Day, Discovery Day, Add/Drop Project Date, and County Camp are the upcoming events to watch for.

The Club agreed to serve food and drinks at the 4B Farms Open House on June 5. All funds raised will be donated to charity. Lucy Ann and Margaret Mary gave a dual talk on "How to Pick Your Color", which helps a person select the proper colors for their skin tone. For Recreation, the club members practiced their model meeting for County Club Days.

Our next meeting will be April 13. Linda adjourned the meeting. Thaddeus Lager led us in the 4-H Pledge.

Second Babysitting Class May 2-4

The Extension Office and the Health Department are planning a second Babysitting Class session May 2-4. Classes will be from 4pm to 5:30. There will be an additional class to become CPR and First Aid certified as well, which will be held at the Public Health Building next to the Sheriff's Office (940 8th Street). It is geared for 13 and older, but the age is only a guideline and younger responsible youth are able to attend if parents feel their child is ready.

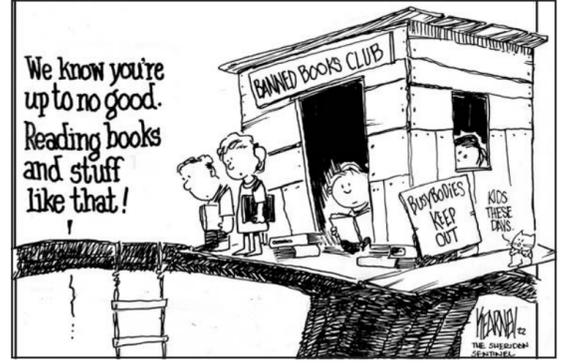

2022 Authors' Club Sponsors Contest

District 7 of the Kansas Author's Club is sponsoring a writing contest for all writers, 18 and older, living in Kansas or members of KAC living in another state. The contest runs from May 1 to August 15, 2022. You do not need to be a member of District 7 to enter the contest.

Writers should follow the Literary Contest rules on page 77 and 78 of the 2021 KAC Yearbook or can find these rules on <https://www.kansasauthorsclub.org/> and click on contests. The theme of the contest is "The Write Way to the Future". Writers of prose or poetry are encouraged to follow the theme but do not have to adhere to it.

The fee for each entry is \$5.00 and only typed copies will be accepted: do not send e-mail. Prizes in the amount of \$25, \$15 and \$10 will be awarded to first, second, and third place winners in both prose and poetry. Honorable Mention in each category will receive certificates.

Send entries to: Sheree Wingo, 420 E. Emerson St., St. Francis, KS, 67756, phone 720-308-9489.

EDITORIAL

Hoxie's Need for "Traffic Calming"

By Viktorija Briggs, Editor

It is fully recognized that only so much can be done with the number of law enforcement available to Hoxie and Sheridan County. It is also recognized that they are doing an awesome job. However, there is more that can be done, but *that's* on the City of Hoxie itself.

The speed limit from the south edge of town to the stop light is 20mph. It's not too slow considering the number of people pulling in and out of the parking spaces along and pedestrian walking across Main Street at any given time of the day. It might feel like you're crawling as you're coming up the hill into town, but it gives the driver plenty of time to slow down and acclimate to the speed so that they are not flying down Main Street.

I've been writing this article for exactly two minutes and there have been no less than SEVEN trucks fly through going *well* over the speed limit, four of them just while writing this sentence. There is a solution or at the very least as deterrent...one of those radar speed signs that flashes the speed limit a driver is doing when it's over the set speed limit.

Apparently, there have been requests by Sheriff Carver to the City Commissioners for these radar speed signs, which would/could be covered by grant funds, but the City did not see the point and that doing so would be considered as 'too proactive'.

Tests have proven the effectiveness of these signs. That effect actually has a name for it, "Traffic Calming", and it has been shown to:

- Reduce speeding
- Improve speed limit compliance
- Decrease injury severity when crashes occur
- Lower fatality rates
- Encourage varied transportation modes
- Improve street aesthetics
- Increase property value
- Reduce crime

It takes less than 30 seconds to find online resources that show the validity of the statistics. The source of my information comes from Traffic Logix (<https://trafficlogix.com/how-traffic-calming-works>), and there are many links to studies and other sites just from that site alone. The article stated that traffic calming is most effective when it is "part of a proactive program to improve street safety". Our local law enforcement is great, but you can never be "too proactive" in this type of situation.

Are you aware that the survival rate (%) of pedestrians when a vehicle is traveling 20mph is 90%; 30mph is 50%; 40mph is 10% (trucks vs cars not withstanding)? Personally, I'd like that 90% chance of survival, rather than the 10%, and the most efficient way to do that for everyone is for the City of Hoxie to place a radar speed sign at each entrance to the city from both KS Hwy 23 and US Hwy 24, to 'calm the traffic'.

Having kept count while writing this article, there were 16 trucks and 3 passenger vehicles that were definitely driving over the 20mph speed limit in the last 21 minutes.

\$500.00 grant to help send middle school students on a field trip to Smoky Hills Adventure Program located on the campus of Fort Hays State University, Hays.

The City of Hoxie c/o Hoxie Golf Club received a \$2,547.60 grant to assist in the purchase of tee box signs at the golf course.

SCCF reminds organizations to submit applications to www.growsheridancounty.org/grants for funding consideration by the last day of each month (rolling deadline).

Six categories are considered with making grants.

- **Education:** Enhances the learning environment and expands opportunities for students. Provides increased self-reliance on personal life skills and workforce capability.
- **Health Care:** Ensures access to quality health care services and promotes healthy life practices.
- **Community Social Services & Security:** Enhance access to social services needed for individuals of special needs and supports systems to provide community disaster relief and general community emergencies.
- **Conservation & Environment:** Support efforts to im-

Continued on page 5

Mealsite Menu

May 2~ May 6

- Monday:** Salisbury Steak in gravy, Mashed Potatoes, Peas & Carrots, Bread, Pineapple
- Tuesday:** Ground Beef Stroganoff, California Blend Vegetables, Bread, Fruit Cobbler
- Wednesday:** Sausage Breakfast Casserole, Pudding, Cinnamon Roll, Mandarin Oranges
- Thursday:** Chicken and Rice Casserole, Brussel Sprouts, Bread, Hot Cinnamon Apples
- Friday:** Baked Fish, Creamed Potatoes, Peas, Bread, Peaches

Substitutions may be more frequent as we experience food supply shortages.

The Hoxie Mealsite wishes to invite those 60 and older with guests to attend daily luncheons in the community room at Ridgewood Manor Monday-Friday. Please call 675-3154 by 11 a.m. the day before, to make reservations. Home Delivery is available to those not able to dine in. We also invite those working, who would like to pick up. Patrons over 60, a \$3.50 per meal contribution is requested. Those under 60, meal cost is \$6.50. A monthly menu can be picked up at the Mealsite. Pinochle is played every Tuesday (bring a quarter) & Friday after lunch. Checks payable to HOMESTEAD Nutrition Project.

Register NOW for High School Summer Theatre Workshops

We are looking for creative high school students! In-person high school theater workshops offered by the Lovewell Institute for the Creative Arts and the Dane G. Hansen Foundation are returning this summer.

Each week-long musical theatre workshop is open to high school students (incoming high school freshman through outgoing college freshman). In just five days, participating students will conceive, write, choreograph, compose, design, rehearse and perform an original piece of musical theatre in collaboration with a staff of professional artists.

Workshop schedule:

- June 6-10 - Hays (Hays High School)
- June 13 - 17 - Hoxie (Hoxie High School)
- June 20 - 24 - Phillipsburg (Huck Boyd Center)
- June 27 - July 1 - Colby (Colby High School)
- July 11-15 - Concordia (Brown Grand Theater)
- July 18-29 - Salina (Salina Community Theater) (2-week workshop)

The first three days of the workshop are from 9 am to 5 pm. The fourth day is from 9 am to 7 pm and the fifth day (performance day) is from 9 am to 10 pm. For the 2-week workshop in Salina, the longer hours will be in the second week.

Students from surrounding communities and counties are encouraged to participate in a workshop closest to them. For more information or to register, visit lovewell.org, and click on Apply, and then Kansas.

This is the fifth summer the program has been offered in Kansas. Lovewell offers students an opportunity to explore music and theater in a unique way. The response from the students and faculty in previous summers was overwhelmingly positive.

ABOUT THE LOVEWELL WORKSHOPS

The week-long day camp/workshop brings students from all different creative backgrounds together to create an original work of musical theatre from scratch. While the performance is an enormous part of the workshop, the focus is on the creative process. No previous music or theater experience is required. To make it come together, the process needs writers, actors, poets, dancers, singers, dreamers, visual artists, musicians, composers, designers, and creative students of ALL kinds.

The students will work with a team of professional artists to help utilize all the students' gifts and explore the arts while forging new friendships and making memories to last a lifetime.

PARTICIPATION COSTS

The Hansen Foundation is underwriting the cost of the workshops so that the student participation fee is significantly discounted to \$50. However, no student who is truly committed to participate will be denied the opportunity due to inability to pay. Scholarships are available.

ABOUT LOVEWELL

Lovewell Institute for the Creative Arts is a not-for-profit organization that brings students together with professional artists to conduct these unique and transformational workshops. The Lovewell team are artist who make their living as musical directors, play writes, choreographers, composers, lyricists, etc.

Lovewell is based in Florida, but its roots are in Kansas. Today, Lovewell offers workshops all over the United States and internationally. Learn more about Lovewell at www.lovewell.org.

The Hoxie Democrat Friday, April 20, 1888

Ed Smith is driving the mail while E. S. Canfield is in WaKeeney.

Mr. Smith, of the Rock Island engineer corps, was in the city last Thursday, and reports work on the grade north a flourishing.

The report of the double shooting and the lynching of the parties in Logan county seems to not be true, as the daily papers have no report of it.

On last Wednesday morning your scribe jumped into a buggy with W. H. Allen and drove to Oberlin. On arriving there we were met by several of the Hoxie boys who had driven there in the morning, among which was L. M. Grant, F. W. Duncan, J. L. Zeigler, B. F. Miller and M. A. Rich. Immediately after supper we took in the town. To say that Oberlin has grown does not express it, while they have no boom they have had a marvelous growth and what was a row of little frame building on Main street is now a large row of brick blocks occupied by a large and well selected stock of goods. Of course we visited the news papers, and found C. Borin, of the Eye, hard at work and corresponding over the district in the hope that he may receive the nomination for the delegate at large to the Chicago convention. We think that he deserves this at the hands of the party he has so long worked for. The Herald office we found presided over by Henshaw & Burch, and they were very busy having all the job work that four men can do and great hope in the future of Oberlin and the democratic party. In the Opinion office we found that prince of good fellows, Casterline and his foreman Rathborne. They have a fine office and are doing a good business for themselves and the republican party. The land office was next in order and here we found everything in good order and all busy.

Prairie Dog Scratchings

Millie Countryman, daughter of James Countryman, met with quite a serious accident while at school last week by falling and breaking her arm near the elbow, but under the care of Dr. Liggett, of Sheridan, she is doing as well as can be expected.

Forty teams passed through Prairie Dog last Friday on their way to Sherman county to work on the C. K. & N.

Valley Township Items

Mr. H. Lee has gone to Phillips county to get a load of potatoes.

Mrs. R. Crist has been very sick for the past week.

Mr. Rickabaugh has returned from Cresson. He will put in a stock of goods at Brownville.

125 Years Ago

April 22, 1897

Charley Johnson has moved back to his first love, Sheridan county, to reside.

Rev. Cox delivered his first sermon in our city at the Presbyterian church Sunday evening. He was greeted by a crowded house and all seemed well pleased with him.

W. F. Schultheis has all ready begun to talk hail insurance.

Anyone having cattle to sell, call on or write Tom L. Pratt, Hoxie, Kansas.

Frank Wiseman, of Thomas county, had business with Judge Hedge, Friday.

VanEpps will have his gallery open May 1st, for one day only, with a slash in prices.

J. H. Jones shipped a car of horses to Kansas City, Monday morning. He went with them and will bring several cars of cattle back with him if he can get them right.

L. K. and Fred A. Patten and George Boyles, of Selden, were in Hoxie on business one day last week. They are all pleasant gentlemen to meet and besides that are rustlers.

Tom Donovan, of Parnell, left his plow sticking in the ground and came to Hoxie on business Monday. Tom just recently disposed of his last years crop of broom corn and reported that he got a very fair price for it.

Word comes to us from Spring Brook township that Uncle Will Kessler has gone to Missouri on a trading trip with the intention of moving there if he finds things to his notion. We hope that he may change his mind and remain here as he is one of the county's best citizens and one we cannot well spare.

Judge Hedge's home was the scene of quite a romance last Thursday evening. A couple by the name of Wiseman, distant relatives, presented themselves to be bound together in the holy bonds of matrimony, they seemed to be in a hurry to have the ceremony performed and when it was over told the Judge that the groom had stolen the bride from her home in Thomas county and they did not know but the brides father might appear at any moment to reclaim her. As soon as they were made one and secured a certificate to that effect they departed for the grooms home in Nebraska.

Seguin Squibs

Miss Mae Hedge spent Sunday with friends in Hoxie.

Rev Cheney has sown quite a lot of alfalfa this spring.

The eastern part of Logan township is having quite an experience with prairie fires lately. Torrence Patterson and Henry Suffecool had to work hard to keep their broom corn from being burned up. The last fire was started by lightning.

Selden Department

Mrs. Thos. Richardson and children were visiting with Mrs. J. G. Rouse on Sunday last.

J. A. Sprague returned from the west early in the week. He says that is a great country.

The Dresden Creamery Association commenced operation on Monday last. There

From The Hoxie Sentinel, 1921. (Kenoxie Archives & Museum photo)

was a celebration in honor of the event.

100 Years Ago

April 20, 1922

The Just-A-Mere

On Friday evening, April 14, Mr. and Mrs. Lon Gorrell entertained the Just-a-Mere Club.

Tallies, place cards, table decorations, etc. conformed to the Easter season, yellow was the prevailing color.

After refreshments the evening was spent in 500. Mrs. Lorenzo Fairchild had the most scores to her credit.

Harmony Club Meets

The Ladies' Harmony club met last Thursday at the home of Mrs. Alfred Allen and spent the day sewing for the hostess.

A delightful dinner was served at the noon hour.

Local News

Sheridan county friends of the G. O. Porter family will be pained to learn of Mrs. Porter's death, which occurred at Logan, Kansas, April 9.

C. L. Calhoun attended the national association of Delco Light dealers at Dayton, Ohio, last week. Mr. Calhoun is one of the company's most successful dealers.

Last fall when Manuel Patmon hied away for the Golden State we felt that he probably had a little unfinished business there that he left over from the previous winter which he spent there. Last week our suspicions were verified when Manuel arrived in his old home town with one of California's young women. Manuel is one of our county's clean upright young men, and the Sentinel wishing him and his fair bride oceans of joy and happiness as they journey through life.

Mr. Chas. L. Kline, of Grainfield, and Miss Eva Wilson, of Gove, were quietly married in this city by Probate Judge Beattie, Monday, April 17. These young people are among the highly respected citizens of Gove county and start their married life with bright prospects for a long and happy future.

W. J. Gilchrist, of Montrose, Colorado, evidently likes the old home paper. In remitting for the Sentinel recently he made his remittance more than it should be and told us to keep the change as a treat, and under no circumstances fail to keep the paper coming his way. Will is engaged in the retail feed and coal business and is doing well.

Mr. and Mrs. S. A. Welling, of Valley township, are the proud parents of a fine baby boy, born to them last week at the Hays hospital, where Mrs. Welling went so she would have the best of care.

C. F. Crofoot was here from Salina Wednesday shaking hands with his numerous friends and attending to business matters. While here he leased his elevator to E. B. Mickey. He says his son, Walter, is gradually growing stronger and is on the road to his ultimate recovery.

Valley

Mr. and Mrs. Ollie Davis and family, of Glen Elder, were spending the week end with their nephew, Mr. B. F. Taylor, and wife and sons.

Mrs. Artie Cogdill and little daughter visited last week with Mr. and Mrs. E. E. Schropp and family.

75 Years Ago

April 24, 1947

Track Squad Looks Good

The Hoxie speedsters served warning they will have to be watched when the final State meet rolls around May 16, by almost taking a grand slam in the relays, two firsts and one second at Colby last Friday. Also George Pratt winning the 220-yd dash in 23 flat, Mosier tied for second in

the pole vault. Other Hoxie entries showed up well by just placing out of the point brackets. The team will probably be rearranged at the Scott City relays Friday in order of the coach to experiment for a few more points before the league meet.

School Visits Town

Mrs. Sadie E. Smith and pupils, Patricia Jennings, Merald Tice and Wade Smith, of McGraw school, Dist. 53, were Hoxie visitors last Friday. This was the last day of school for them and the day was spent visiting business houses and other places of interest. Some of the places visited were: the court house, power plant, locker plant, and the Sentinel office.

Lucerne World

Leote Ponaths, Bill Smalls, Artie Teels and Fred Wentes cleaned up the central office for the new occupants last Saturday and Sunday. The Harold Kappers are our new centrals at Lucerne.

Rob Brewster is doing fine now and is home from Hays hospital. Sunday visitors to see him were Mr. and Mrs. Herb Cressler, Mr. and Mrs. Ernie Lacey, Leonard Fitzjarrell, Willis and Lloyd Cresslers, Mrs. Ola Miller and son, Kenneth and family. We did not learn the names of the other company.

Tasco Notes

Flossie Cramer and Mrs. Thelma Cramer visited and ate dinner Saturday with Mrs. Grace Simonton.

Both the Tasco and Holly Creek schools closed Friday, April 11th, at each schoolhouse with a dinner for pupils, teacher and the people of each district. Since the two schools have now been consolidated, school will be held at Tasco next year with these same two teachers, Mrs. Laura Rawson and Miss Evelyn Conard in charge.

Seguin Items

Mrs. Ben Schlageck and Anna, of Colby, spent Sunday visiting relatives in Hoxie and Seguin.

Mr. and Mrs. John Tucker, of Selden, attended services at Seguin Sunday morning.

Ed Baalman in a Denver business visitor this week.

Jennings News

Louis McConell came Saturday morning from Kansas City to visit with home folks over the week end.

Jack Tacha came Saturday morning and says he is going to stay. He has his discharge now.

Helen Aumiller and children visited Jane and Mrs. Morton at the café Friday morning.

Mickey's Want Ads

Get a new engine driven compressor painting and tire attachment.

Pete: Did that girls dress fall off or am I seeing things?

Skeet: Both.

A nice assortment of pocket knives in again.

50 Years Ago

April 20, 1972

Burglars Hit Hoxie Wednesday

Sheriff O. D. Kratzer reported Wednesday that two Hoxie business places and one at Seguin were broken into and burglarized sometime early Wednesday morning.

Heim TV in Hoxie was broken into where a small amount of money and an undetermined amount of merchandise was taken. Entrance was gained by prying open a side door.

Great Plains Auto Store was also broken into where about \$3.00 in cash was missing and possibly some merchandise. Entrance was gained by the burglars breaking the glass in the front door.

Seguin Co-op elevator was burglarized also

where money was taken from the pop machine.

Attend Beauty Clinic

Mrs. Wilma Lillibridge and Pat Miller recently attended a clinic at Hays on beauty tips and application of the new innovation, permanent lashes. Wilma and Pat operate the Apache Beauty Salon in Hoxie.

Studley Items

Mrs. Myrtle Covalt and Mrs. Ruth Doubleday visited Mr. and Mrs. Roy Covalt and Galen on Tuesday evening.

Bible Study met with Betty Treu Tuesday, April 11. They will meet with Doris Mowry this Tuesday for their last lesson.

Mrs. Kathryn Mollhagen of Lorraine visited her mother, Mrs. Irene Davis one day and overnight last week.

Broadway News

Albert Popp and Dr. Shaner report good fishing the past week.

Mr. and Mrs. George Simon called on Ila Jamison Tuesday morning. She is slowly improving. She is glad to be in her own home again. Mrs. Wayne Rhoades comes to check on her mother's needs.

The Mt. Pleasant men plan a pot luck lunch and meeting at Mr. Pleasant Wednesday evening.

McGraw News

Mr. and Mrs. George Launchbaugh and Alvin Leist went to Lamar, Colo., Sunday to get Mrs. Ura Long who had returned there after spending several weeks in California visiting relatives. They were all dinner guests of Mrs. L. G. Leist of Lamar.

Mr. and Mrs. Ben Tribble, Warren Bainter and Jan Ryan were Sunday evening visitors of Mr. and Mrs. Gayle Bainter and Mrs. Lottie Carstens.

Mike Stegman was a Sunday dinner guest of Mr. and Mrs. Lawrence Smith.

Mickey's Want Ads

PAINT! Paint! paint! We have the paint to meet your need and specifications, both in price and quality and put ni ane color you can think of.

An elderly retired couple from a remote mill town was visiting New York for the first time. The sights seemed to interest the old gentleman more than his wife, who finally exclaimed, "John, the way you stare at these city women is something scandalous. A body'd think you'd never seen legs before."

"Well," John mused, "that's what I was thinking to myself."

We have some new bedroom sets in oak, new desks of various sizes, lamps, tables, step tables and lamps.

25 Years Ago

April 24, 1997

Youth Rally Set for May 3

All area junior and senior high youth are invited to a Boot Camp for Jesus Rally at Mt. Pleasant Baptist Church six miles south of Studley.

T. J. Hanken, the associate pastor at the Berean Church in Colby, will be our speaker. He has been working in youth ministry for 10 years.

Bow Creek FCE

Our unit met at the home of Verlene Feldt, Shannon Morgan was co-hostess. President Maxine Patmon called the meeting to order with Kathleen Cooper leading the group in the club collect.

Minutes of the last meeting and the treasurer's report were given by Norma Jean Lewis and approved. Council meeting report was given by Evelyn Walden.

Evelyn Walden and Kathleen Cooper won the hostess gifts. Kathleen had the program. A video, "Kiwi Magic a New Zealand Adventure" starring Ned Beatty and Billy T. James was shown in the morning. A delicious potluck meal was enjoyed by all.

In the afternoon, the video "Cruising the Panama Canal" was shown. Our next meeting will be at 10 a.m. on May 7 at the 4-H building.

Rexford

Ten Barnswallows played pinochle at the Red Barn Monday afternoon. All senior citizens are invited to attend these card games. Cookies and coffee are always served.

The Red Barn Band played at the Senior Center in Colby Tuesday afternoon to observe Volunteer Week.

Eileen Dible hosted the Social Hour Club Wednesday afternoon at the café, with 10 present. A card was signed for Emma McIntyre who will be 90 years old this month.

Lula Thieler won the hostess gift. Ice cream and angel food cake with coffee were served for refreshments. Jean Hawkins will be the hostess on May 7 at the café.

Jennings-Allison

Senior citizens of Jennings had their March meeting program, a presentation about "Talking Books". This was given by Clarice Howard of the Norton Library. There were 33 at the meeting. They enjoyed a potluck supper, pitch games, a movie and pool.

Selden

The Selden American Legion will be hosting the Antique Car & Tractor Show on June 1. Also on that day there will be numerous craft tables set up and the community garage sale will be going on.

McGraw

Bill Bainter visited Russel Bainter on Saturday evening. Mr. and Mrs. Dale Bainter and Jim Bainter were callers this week.

Mr. and Mrs. Gayle Bainter visited Mr. and Mrs. Jim Gaumer and Nathan on Thursday evening.

Mr. and Mrs. Dee Lewis spent the weekend with Mr. and Mrs. Rex Schropp of Borger, Texas.

Senate Overrides Gov. Kelly's Vetoes

The Senate on Tuesday overrode Gov. Laura Kelly's vetoes of the anti-transgender bill and the so-called parents' bill of rights.

The measures will next go to the House for consideration, but no specific date has been set for those votes. If two-thirds of House members (84 votes) vote to override the vetoes, then the bills will become law.

Meanwhile, the House-Senate conference committee on education went back to work. Republican Senate leaders have agreed to a \$30 million increase in special education, but House GOP leaders haven't. The committee also is continuing work on the so-called open enrollment provision that would allow any student to enroll in any district that has capacity. KASB opposes the open enrollment provision, saying those decisions should be left to local school boards.

On the veto overrides, SB 160 would prohibit transgender students from participating on girls K-12 and college teams. SB 58 would establish a list of parents' rights and outline ways for parents to challenge lessons and books.

KASB opposed SB 160, saying that the Kansas State High School Activities Association already had a procedure for participating transgender students and that the bill would open school districts to legal liability. KASB was neutral on SB 58, saying most of the rights in the bill were already established and the legislation had fewer requirements than an earlier bill.

To override a veto in the Senate takes 27 votes. The Senate overrode Kelly's veto of SB 160 on a 28-10 vote and on SB 58 by a 27-12 margin.

On April 1, SB 160 was approved 74-39 in the House and 25-13 in the Senate. That same day, SB 58 was approved 67-46 in the House and 23-15 in the Senate.

KDWP To Soon Offer Durable License Cards

The Kansas Department of Wildlife and Parks is launching a new licensing system in the coming weeks, Go Outdoors Kansas, that will improve the customer experience for all outdoor recreationalists in the Sunflower State. As part of the enhanced system, outdoor-goers will have the ability to purchase a durable license card upgrade that can withstand harsh outdoor conditions. These collectible cards resemble the style of a credit card and will be optional for every customer to purchase for an additional \$6.

Each card will include the customer's information and current licenses at the time of purchase. The hard cards may be purchased anywhere hunting and fishing licenses are sold and will be mailed within one week of purchase.

Two design options will be available for purchase, both featuring artwork created by local illustrator and graphic designer, Dustin Teasley of Pratt, KS. Purchasers can select between a crappie and a pheasant, or purchase both designs. Purchasers must simply have a current fishing or hunting license on file.

For more on when these cards will be available for purchase, visit ksoutdoors.com.

Historic Mill to Run May 7

Experience the sights and sounds of historic flour milling at the Lindsborg Old Mill & Swedish Heritage Museum's MILLFEST, Saturday, May 7, in Lindsborg. The region's oldest flour mill springs to life just once a year so don't miss it! Millers direct operations as visitors (ages 13 & up) tour the one-hundred year old mill in action. The sights and sounds of the mill thrill visitors and leave a lasting impression.

Area artists demonstrate traditions such as blacksmithing, quilting, wood carving, ropemaking, wheat-weaving, spinning, scrimshaw and more.

This year's Millfest Quilt Show features beautiful quilts from the McPherson Quilt Guild. Stop to see the display and create a new block for a future quilt!

Demetria Hill, farm manager at Stephens Land & Cattle Co. will do two presentations about wheat.

10:30 am - What Made Kansas the Wheat State
1:30 pm - A Year in the life of a Wheat Farmer

Live music by area artists fills the air and provides a festive backdrop to the many activities.

No need to go hungry as the Onion Blossom serves up delicious fare throughout the event.

It's a weekend of family fun at Millfest! Step back in time and enjoy our Kansas heritage at this unique event. Hours are 9:00 am to 5:00 pm Saturday, May 7.

Admission is just \$5 for a tour of the flour mill. Museum and demonstrations are by donation. Suggested donation \$5 for adults and \$2 for children.

Tours are ongoing from 9 am - 5 pm and are limited to those age 13 and older as a safety precaution. A viewing area outside the mill is available for those under 13, with tours for younger children at 5 pm after the machinery is turned off.

Don't miss Millfest, May 7, in Lindsborg. Need more info? Visit oldmillmuseum.org, call (785) 227-227-3595, or e-mail oldmillmuseum@gmail.com.

This year's sponsors include Bank of Tescott, Lindsborg, Peoples Bank, Lindsborg, Farmers State Bank, Lindsborg, Grain Craft, McPherson, Farmers Alliance Mutual Insurance, McPherson, and Marquette Farmers State Bank.

Tax Credits

best technology possible to save a precious life.

Sheridan County Health Complex provides jobs to 160 people with an annual payroll of over \$7 million dollars to include health insurance and retirement benefits and is one of the largest employers in the county.

We ask you to please participate in this program to support these important upgrades to our hospital. You can participate by either making a pledge online at <https://bit.ly/38t3eJ6> or by completing the pre-pledge indicator form and mailing it to the attention of Niceta Farber, Special Projects, at Sheridan County Health Complex, 826 18th Street, Hoxie, KS. 67740 or Rebecca Bird at 785-675-3281.

Your pledge is an indication that you would like to participate in this program. If we get the award, we will call you and check to see if you would still like to participate at your indicated level. Your pledge is not a binding contract. If awarded, we will ask for you to send your check to us before the end of December.

We ask that all pre-pledge indicator forms be returned to us by June 15. We must reach a total of \$357,142.85 in order to qualify for the program. We are currently 1/3 of the way to meeting our goal. Please help us reach our goal and improve our hospital emergency department.

Kansas Masonic Foundation Sponsors 2022 Kansas Entrepreneurship Challenge

The Kansas Masonic Foundation, a nonprofit organization dedicated to benefitting Kansas communities, has partnered with Kansas State University and the Network Kansas Youth Entrepreneurship Challenge (YEC) Series to sponsor this year's Kansas Entrepreneurship Challenge. The annual program, taking place this Thursday, April 28, 2022, will provide holistic business support to young entrepreneurs and offer financial prizes to launch startup businesses.

Over the past five years, the Kansas Masonic Foundation has helped more than 1,500 students launch startup businesses, with over \$250,000 awarded. Kansas Masons often mentor local high schools and universities teams, while high school students are "sponsored" by local lodges. In addition to the possible growth of Kansas business, students participating in the program benefit from improved academic performance, school attendance and educational attainment, increased problem-solving abilities, and improved interpersonal relationships, money management, and public speaking skills.

This year's statewide competition will feature high school and collegiate teams from across Kansas and offer \$75,000 in prize money to student entrepreneurs pitching their businesses to a panel of judges consisting of entrepreneurs, bankers, and investment experts in a "Shark Tank"-like environment. The competition will begin at 9 a.m. on Thursday, April 28, 2022, in the Kansas State University Student Union, with an official awards ceremony later that afternoon at 3:30 p.m.

About the Kansas Masonic Foundation:
As the philanthropic arm of Kansas Masons, the Kansas Masonic Foundation is a 501(c)(3) nonprofit organization dedicated to benefitting Kansas communities and supporting fellow Masons and their families. Since its inception, the foundation has invested more than \$50 million in Kansas communities and individuals through funding academic, scientific, and charitable endeavors. For additional information about the Kansas Masonic Foundation and to get involved, please visit <https://kansasmasonicfoundation/>.

April Grants

prove and maintain high air and water quality, appreciation for our natural environment and enhances economic and social benefits of outdoor resources.

- **Arts & Culture:** Provide cultural and artistic opportunities to enhance the quality of life for residents and to encourage tourism and the exchange of ideas.

- **Community Beautification:** Support efforts to improve and maintain public spaces to enhance community pride and encourage socialization among residents.

Organizations are encouraged to contact Pratt with questions related to the online application process.

SCCF is an affiliate of the Greater Northwest Kansas Community Foundation based in Bird City. The Foundation seeks to encourage, prudently manage, and distribute charitable contributions to improve the quality of life in Sheridan County residents, now and in the future. To learn more, contact Pratt at 785-675-1240, karlpratt.sccf@gmail.com, visit www.growsheridancounty.org. Connect with SCCF at www.facebook.com/sheridancf.

Annual Technology Education Fair on Tap at FHSU

By FHSU University Communications

The 63rd annual Western Kansas Technology Education Fair at Fort Hays State University is set for 8 a.m. to 3:30 p.m. Friday, April 29, in Gross Memorial Coliseum.

The fair offers the opportunity for junior high and high school students from around the state who are enrolled in technology education classes to display their projects they have worked on this school year.

The coliseum is open to the public for viewing the projects, which range from wood furniture and metal works to CAD drawings and drafting.

Doors open to the public at 8 a.m., and an awards ceremony is set for approximately 3:30 p.m.

Each entry is judged and awarded a ribbon or medal. Awards also are given for winners of several live competitions that take place during the day, including communication, metric 500 racing, tech challenge (quiz bowl), and problem solving.

Students in FHSU's Technology and Engineering Education Collegiate Association (TEECA) run the entire fair.

Counselor Corner

By Chris Lee

Scholarships play a huge role in helping college-bound students pay for their education. Some scholarships require an essay. A strongly written essay can prove to be the main factor in winning a scholarship. In this panel discussion moderated by Sallie Mae, you'll learn tips, best practices, and pitfalls to avoid when crafting your essay.

On Wednesday, April 27 at 8:00 pm, there will be an interactive webinar provided by the Kansas Treasurer's Office with tips on how to write the scholarship essay. This would be ideal for juniors, but any high school student could benefit. Sign up by going to <https://bit.ly/397xObH>. Space is limited.

KU has decided to extend the scholarship deadline until May 1. Students who have not yet applied can do so <https://admissions.ku.edu/apply>.

There are many KU visit days still available but they are filling up fast. Students can register at <https://admissions.ku.edu/visit>. Spring visits end on May 5 and summer visits will begin on May 31.

New Hornet Kickoff will be held May 1 for future Emporia Staters. Find the QR code on a poster at school, call 620-341-5465, or email go3esu.edu to register.

"Is college still the best path to the middle class? It's complicated." If this statement intrigues you check out this article: <https://bit.ly/3vGoDnh>.

Washburn will host the Total Percussion Camp on July 12-15. It is for students in grades 7-12. Skills include drumline, drumset, hand drums, concert percussion, and more. Find out what you need at bit.ly/wucamps. You can also contact Dr. Von Hansen at 785-670-1847, or von.hansen@washburn.edu.

Beginning this fall, Nebraska Wesleyan students can choose from four new majors:

Data analytics offers concentrations in advanced data analytics, business, computer science, cybersecurity, project management and supply chain management. **Digital marketing** provides the skills to develop as a content creator, clear communicator and analytical thinker. **Financial planning** prepares students to take the Certified Financial Planning exam to become a financial advisor or planner. **Project management** teaches the leadership, communication, and technical skills to successfully manage complex projects in any organization.

And NWU will work with you on cost. The Access NWU Scholarship Program fully funds tuition through federal, state and NWU merit-based and need-based aid for first-time, first-year students who qualify for the federal Pell Grant. The program will serve most students whose family adjusted gross incomes are at or below \$60,000. Find out more about either program at <https://www.nebrwesleyan.edu/>.

Do you have a student looking for an exciting college degree program and a promising career path where they can make a difference? Be sure to have them check out the newly accredited Landscape Architecture Program at South Dakota State University.

Landscape architects improve social and environmental health in all communities. We are looking for students with a passion for creativity and the outdoors to join us and learn how to plan and design the parks, campuses, downtowns, streets, trails, plazas, homes and other places our communities are made of. Find out more at <https://bit.ly/3vFgLWf>

The PHCC Educational Foundation and its industry partners are teaming up to provide financial assistance to students pursuing a career in the p-h-c (Plumbing, Heating, Cooling) industry. It doesn't matter whether you are going to a tech school, college, or are part of an apprenticeship program. Access 61 scholarships worth up to \$160,000, all with one application at <https://bit.ly/3k7XKWV>. Deadline to apply is May 1.

Pete Henry Scholarship letters have been sent. Check your mail please.

IMPORTANT DATES

- April 28: Early-bird deadline for GROW and EXCITE camps
- May 1: O'Brate Traditional College Scholarship app due
- May 6: Registration deadline for the June 11 ACT test
- June 17: Registration deadline for July 16 ACT test
- July 15: Deadline to apply for Horatio Alger Career Technical Scholarship

HHS Students Receive Art Awards

These HHS art students helped art teacher Jackie Campbell set up Hoxie's art display at the Fort Hays State University Art Show. They are Troy Swint, Allison Franklin, Alex Cousins, Adam Heim, Sadie Reynolds, Clay Johnson, Jayden Fenner, Lalai Klitzka, and Willow Washington. Thirty-five art projects from HHS students received awards. (HHS photo)

By Jackie Campbell

On April 20, 2022, Fort Hays State University held the 47th Annual High School Art Exhibition. Approximately 1,100 students from 70 high schools in Kansas and Nebraska participated in the event. The exhibition was sponsored by the Department of Art at Fort Hays State University and held in the Gross Memorial Coliseum. It was successfully hosted on campus for the first time since 2019 due to Covid. They awarded each school with at least ten certificates; this year Hoxie received 34 certificates. This year students that were awarded for their recognition for outstanding artwork went to:

- Alexandria Cousins - Castle drawing, paper pulp bowl, print
 - Troy Swint - Cartoons drawing
 - Allison Franklin - Charcoal drawing, Acrylic painting on wood
 - Makenna Heim - Collage
 - Makenzie Shaw - Acrylic painting on puzzle
 - Clay Johnson - Gourd painting, 1/2 portrait drawing, paper pulp relief
 - Sadie Reynolds - Letter drawing, charcoal drawing
 - Emily Villegas - Flower drawing
 - Hilde Heskett - Print
 - Brenden Cook - 1/2 portrait drawing
 - Fernando Castaneda - Collage
 - Preston Kennedy - Paper pulp bowl, print
 - Izzie Baier - Collage
 - Hunter Nickelson - Collage
 - Blythe Schutte - Collage
 - Sofie Gourley - Paper pulp bowl
 - Drew Bell - Clay mask, clay relief, paper pulp relief
 - Adam Heim - Clay relief, paper pulp relief
 - Brandy Rachel - Clay mask, paper pulp relief
 - Elyssa Schutte - Print
 - Lalai Klitzka - Clay mask
- Graphic Design Class:**
- Clay Johnson - Hands
 - Emma Cersovsky - Mixed media
 - Drew Bretz - Letters drawing

Middle School Boys Set Record

Record Setter! Golden Plains eighth grader Dylan Wark (right) clears another hurdle in the 100m hurdles at the Bulldogs first meet of the season in Logan on April 14. (Photo by McKinzie Horobik)

By Judy Rogers

The Golden Plains Middle School boys set two new school records in the first meet of the season as they scored 97 points to win the Northern Valley Invitational Track Meet in Logan on April 14. They finished two points ahead of second place Northern Valley.

Eighth grader Dylan Wark set two school records. He set a new record of 15.42 in the 100m hurdles placing second at the meet. He broke the record of 16.4 set in 1975 by Tim Austin. "Congratulations Dylan!" said Austin. "Records are goals to achieve, to test one's self as a measure against those who precede us. Records are meant to be broken and mine apparently stood for too long. Well done. Best wishes for continued success in life and for conquering old records and new goals."

Wark also set a new school record of 2:21.1 in the 800m run for first place. He broke the record of 2:21.4 set by Jeremy Hunter in 2006. "That's awesome! Good for him!" said Hunter. "I hope he continues to improve throughout high school."

Wark also placed third in the 200m hurdles running a 32.37 and third in high jump at 4' 8". "I had been planning to set records since last year," said Wark. "I'm glad I got it at the first meet. I hope to improve on my times and distances as the season progresses."

Also performing extremely well was eighth grader Diego Perez. Perez placed first in all four of his events including Long Jump-16' 9", Triple Jump-34' 5.5", 1600m-5:32, and 400m-1:02.2. "It felt good to win all four events," said Perez. "It was a great way to start the season. I am glad I was able to contribute to our team win. We were behind when I started the mile—this helped me push myself for the win. I am ready for the next meet. I am aiming to break the long jump and triple jump records."

Seventh grader Roberto Arauz placed in several events including second in the 100m hurdles-19.21, fourth in the 200m hurdles-33.25, and sixth in the 200m dash. "Roberto fell in the 200m hurdle but got back up and finished the race," said Coach Russ Aumiller. "His determination gave us the extra points we needed to win the meet."

Ezekiel Weiner, 8th grade, also contributed points to the Bulldogs win. He placed third in the 1600m-6:07.4 and fourth in the 800m run-2:49.7. Tanner Black added points with a third-place finish in the 400m-1:06.8.

The Bulldogs next meet will be at the Rawlins County Invitational in Atwood on April 21.

score of 45. Vincent earned 6th place! It was a great day of golf.

The golf teams will be very busy the next few weeks, with tournaments nearly every day. The next tournament for

Wheatland-Grinnell is the Thunderhawk Invitational at the Cow Paddy Golf Course in Grinnell.

Senior Trey Vincent tees off. (WHS photo)

Swing Away

By Anna Godek, Staff Reporter

The golf team was supposed to have a golf meet in Plainville but due to poor weather conditions it was canceled. However, they had a JV gold meet in Goodland, Tuesday, April 19. Team members who went were sophomores Deagon Herl with a score of 78, Jordyn Beckman with a score of 75, and Jordan Perez with a score of 83. The seniors who golfed were Braden Gormley with a score of 65 and Trey Vincent with a

Investing in Earth

By Greg Doering, Kansas Farm Bureau

County Farm Bureaus across Kansas marked Earth Day last week in classrooms, farm fields, fairgrounds, pastures, recycling centers and other assorted locations across the state. They helped schoolchildren understand that growing food and caring for natural resources go hand in hand.

Though they may not label themselves environmentalists, farmers and ranchers are some of the finest ecologist, preservationists, and conservationists in the world. While we're all dependent on the earth, we don't all get the close-up experience of what Mother Nature has to offer like agriculturists do day in and day out.

Certainly, there are those who disagree with my belief that farmers and ranchers are dedicated caretakers of our natural resources. You know the type. They make dire claims about the future of our planet and point to modern agriculture as a significant culprit in a bleaker tomorrow.

I'll go ahead and put my cards on the table for why I believe they're wrong even though I buy the premise that our atmosphere is warming, and human activity is contributing to that phenomenon. Where we differ is I don't believe it's necessary to discard the progress we've made since the industrial revolution based on the projection of what the planet could maybe, potentially look like decades in the future.

"Washington Post" columnist Sunny Bunch once observed that well-meaning but overly enthusiastic eco-activists are easy marks for caricature on the basis their beliefs are genuine. "Environmentalists make a useful villain because their malevolence can be obscured by a patina of reasonableness," he wrote. "Global warming and other manmade problems are going to end the world if we don't do something — so just about anything is justified! But their villainy resonates with the masses because they actually do want to make life worse for people, for the most part."

For the "villains," obvious sources of carbon dioxide or methane like transportation, electrical generation and agriculture should be severely limited if not eliminated to preserve the future. Do you fly or drive? Stop that! Do you enjoy stepping into an air-conditioned building on a warm, humid day? Don't! Do you enjoy consuming beef, pork, chicken, and other animal proteins? You should move to a plant-based diet or consider these wonderful recipes featuring bugs!

While I admire their sincerity and believe their proposed solution would work in theory, it has failed in reality. Changing human behavior is hard to do even when it results in a positive outcome relatively quickly, like quitting smoking or a consistent exercise program. Convincing people to give up conveniences today for some vague improvement decades down the line is impossible.

Like with so many other things in life, the answer isn't strict prohibition of desirable activities that also come with negative side effects. The solution isn't to get rid of the desirable activities, it's to address the side effects. One of the best examples in recent history of successfully achieving this is the reduction of atmospheric sulfur dioxide and nitrogen oxide by 93 percent and 87 percent, respectively.

This year's Earth Day slogan was "Invest in Our Planet," and that's exactly the course we should be on. There's not one technology that will reverse the side effects of the past two-plus centuries of progress. Instead, it will be a combination of ideas, both new and old, that will preserve our planet.

Investing in earth is a lot like farming. The little steps we take today won't show up tomorrow, next week or even next month. But to have a fruitful harvest, those initial steps are a requirement, even if our planet-level growing season is measured in decades and centuries rather than from planting to harvest.

"Insight" is a weekly column published by Kansas Farm Bureau, the state's largest farm organization whose mission is to strengthen agriculture and the lives of Kansans through advocacy, education, and service.

Participate in Soil Health and On-Farm Research Survey

Please participate in a soil health and on-farm research survey conducted by Dr. Ignacio Ciampitti of Kansas State University. The survey is aimed to assess on-farm approaches to research, and the willingness of farmers to participate. The link to the survey can be found at <https://bit.ly/3MrSqtH>. Data will be collected through mid-May.

Kansas Crop Progress and Condition

For the week ending April 24, 2022, there were 5.8 days suitable for fieldwork, according to the USDA's National Agricultural Statistics Service.

Topsoil moisture supplies rated 37% very short, 32% short, 30% adequate, and 1% surplus.

Subsoil moisture supplies rated 34% very short, 34% short, 31% adequate, and 1% surplus.

Field Crops Report: Winter wheat condition rated 13% very poor, 23% poor, 38% fair, 23% good, and 3% excellent. Winter wheat jointed was 49%, behind 65% last year and 60% for the five-year average.

Corn planted was 21%, near 19% last year, and equal to average. Emerged was 1%, near 5% last year and 3% average.

Soybeans planted was 3%, near 2% last year and 1% average.

Sorghum planted was 1%. Cotton planted was 1%.

Data for this news release were provided at the county level by USDA Farm Service Agency, KSU Extension Service, and other reporters across the State.

Kansas Cattle on Feed Up 1%

Kansas feedlots, with capacities of 1,000 or more head, contained 2.51 million cattle on feed on April 1, according to the USDA's National Agricultural Statistics Service. This inventory was up 1% from last year.

Placements during March totaled 490,000 head, unchanged from 2021.

Fed cattle marketings for the month of March totaled 480,000 head, up 2% from last year.

Other disappearance during March totaled 10,000 head, unchanged from last year.

Kansas Milk Production

Milk production in Kansas during March 2022 totaled 350 million pounds, down 4% from March 2021, according to the USDA's National Agricultural Statistics Service. The average number of milk cows was 170,000 head, 5,000 head less than March 2021. Milk production per cow averaged 2,060 pounds.

Louise Berndt

October 3, 1926 ~ April 20, 2022

On Sunday, October 3, 1926, Eda Louise, was born to Freida (Schlicher) and Claude Motsenbocker. They lived on the Hoccott Farm, north of Hoxie, KS. Our Lord had Louise join him in heaven on April 20, 2022.

Louise attended school at Fairview District # 43, Immanuel Lutheran School in Sheridan County, and St. John's Lutheran School, Orange County, CA. She

graduated from Sheridan Community High School in 1944. Louise continued her education at Fort Hays State University and Colby Community College. She taught for three years in Sheridan County Schools.

Louise married Karl W. Berndt on January 2, 1947, at Calvary Lutheran Church in Yuma, AZ. They were married for 56 years. They had three children, Janelle, Kristine, and Welton. Louise often said that her children were her 'desserts' in life.

Karl and Louise operated K & L Farms in Hoxie for 50 years. They moved to Quinter in 1997 and became members of Bethlehem Lutheran Church in WaKeeney.

The importance of the Triune God, family, country, and education were of utmost importance along with honesty and kindness. The value of time well-spent included her church in teaching Sunday School, Vacation Bible School, and weekday classes. She also enjoyed sewing for her children, knitting, reading, and politics.

Louise was preceded in death by her parents; her husband, Karl; her son, Welton; her granddaughter, Karen Lynn Lewis; two brothers and three sisters. She is survived by her children, Janelle Mulvenon (Steve), Sparks, NV, and Kristine Lewis (Tim), Franklin, NC. Grandchildren are Tracie Lewis, Overland Park; Tad Lewis (Suzanne), Columbia, SC; Andy Lewis, Wichita; Ryan Mulvenon (Kristen), Falls Church, VA, and Morgan Mulvenon Tuttle (Gary), Novato, CA. Great-grandchildren are Aidan, Thomas, and Mary Elise Lewis, Columbia, SC, and Owen David Tuttle, Novato, CA.

A funeral service was held Monday, April 25, 2022, at the Bethlehem Lutheran Church in WaKeeney. A lunch at the church followed the service. Interment was in the Lutheran Cemetery in rural Sheridan County. Visitation was held Sunday, April 24, 2022, at the Mickey-Leopold Funeral Home, Hoxie. A second visitation was held at the Bethlehem Lutheran Church in WaKeeney, Monday, April 25, 2022. Memorials are suggested to the Prairie Faith Health Ministry, Quinter; Elementary School-Pre-K Classroom; and Developmental Services of Northwest Kansas (DSNWK). Memorials may be sent in care of Mickey-Leopold Funeral Home, PO Box 987, Hoxie, Kansas 67740. Words of comfort and care may be left at www.mickeyleopoldfuneral.com.

Commission Minutes 4/12/22

Now on this 19th day of April 2022, the Board of Commissioners, Sheridan County, Kansas met in regular session with Chairman Wes Bainter presiding. Others present were Joe Bainter, Mike "Buck" Mader, County Attorney Joe Pratt and County Clerk Heather Bracht. Guests were Carolyn Meyer and The Sheridan Sentinel.

At 8:00 a.m. Wes Bainter called the meeting to order.

Those in attendance stood and recited the Pledge of Allegiance.

Joe Herskowitz, Road & Bridge Supervisor, came to the table. Herskowitz was advised that the contractor for the bridge north of Hoxie had asked for another 30-day extension. Herskowitz contacted KDOT and KDOT denied the request. There is to be a Zoom meeting with KDOT, the contractor, and Herskowitz this week. There was discussion about the fence that needs to be removed prior to work on the bridge.

There was discussion about several areas where road work is being done. Herskowitz stated Doug Cass is putting in some culverts.

Bids were opened for dump truck tires. Eight tires are needed for each of the two dump trucks. Mader made a motion to approve the purchase of eight tires for one of the trucks from Bainter Oil in the amount of \$379/ea. and eight tires for the other truck from Bainter Oil in the amount of \$390/ea. Wes Bainter seconded the motion. Carried 3-0. Bainter Oil had the low bid.

Wes Bainter stated the new cell at the landfill looks good and that the County is economizing by working on it ourselves when there is time.

There was a brief discussion on dragging.

Pratt and the Board discussed the property in the northern part of Sheridan County where there is a discrepancy in ownership. The Board and Pratt agree the best thing to do is to get the land to the landowners on each side of the road.

Wes Bainter asked Pratt if the Historical Society had come up with a plan for the building. Pratt stated they have started the process and are aware that the County has purchased the property.

Mader made a motion to approve the April 12, 2022, and April 13, 2022 Minutes as presented. Joe Bainter seconded the motion. Carried 3-0.

At 8:32 a.m. with no further business, Wes Bainter made a motion to adjourn, seconded by Mader. Carried 3-0. The next regular meeting will be Tuesday, April 26, 2022, at 8:00 in the courthouse main floor foyer.

Attest: Heather Bracht, County Clerk, Wes Bainter, Chairman

HELP WANTED: Recordkeeping Specialist - Vap Construction is a regional leader in post-frame buildings and residential construction,

and our team is growing! We are looking for a driven and detail-oriented office professional to join our growing team as a full-time Recordkeeping Specialist. This position would work in the construction business, as well as in two other companies operated by the Vap Family - Vap Property Solutions, which operates a 56-unit apartment complex in Anthony, Kansas, as well as Vap Cattle Company. Successful candidates will have an aptitude for handling numbers and important details, organizational skills, and communication skills. Duties will include record keeping, filing, data entry, task management, and possibly bookkeeping depending on experience. Integrity, humility, and a proven track record for working well with others in a fast-paced environment is a must. Applicants should be adept with computer processing programs, including Microsoft Office programs and web-based applications. The position includes the potential for occasional travel to the apartment complex located in Anthony, Kansas.

Our company is based in beautiful Atwood, Kansas, and applicants should live in the area or be willing to relocate after being hired. Signing incentive is negotiable for those relocating. Atwood is a quiet, but active community with beautiful rolling hills and a scenic landscape. Great schools, access to quality healthcare, and safe neighborhoods are among the many reasons our employees enjoy building a life here.

Vap Construction offers competitive pay and benefits, including health and dental insurance, paid vacation and sick time, retirement plans, health care spending accounts, and more. Join our growing team and enjoy a rewarding company culture that has been centered around family and quality work for more than 30 years. To apply, please email your resume, cover letter, and references to vapconstruction@att.net.

HELP WANTED: Construction Craftsmen - Vap Construction is seeking experienced and professional construction tradesmen

to join our growing team. Successful applicants should have a general knowledge of all areas of residential and/or commercial construction, including operating power tools and running job site equipment. Vap Construction's residential and commercial construction division does new construction along with renovation projects, ranging from framing and drywall to flooring and cabinetry, and everything in between. Candidates must hold a valid driver's license and be willing to live and work near the corporate office in Atwood, Kansas, as well as travel to other locations in surrounding regions. Vap Construction offers competitive pay and benefits, including health and dental insurance, paid vacation and sick time, retirement plans, health care spending accounts, company apparel, and more. Join our growing team and enjoy a rewarding company culture that has been centered around family and quality for more than 30 years. To apply, stop by the office to fill out an application, or email your resume and references to vapconstruction@att.net. You may also call our corporate office at (785) 626-9400 to set up an appointment to meet with Taylor Vap.

HELP WANTED: The Sheridan County Road & Bridge Department is accepting applications for an **equipment operator.** Experience and CDL preferred. This is a full-time position. Applications may be picked up at the Road & Bridge Office, Monday through Friday from 8:00 am - 4:30 pm. Sheridan County offers competitive wages, retirement, and health insurance.
