TAXPAYERS' REPORT

This past weekend we all had the opportunity to pause and recognize the true meaning of Memorial Day Weekend, so that we can all honor the services of all those who have served, both past and present. We are a free country because we all realize that *freedom has never been free*. We are free because of *their* love for this country.

Let us all remember, and never forget, the great blessings we have in this country *because* of the great citizens of this country!

Let's all pray that God will continue to forgive us our transgressions and bless the United States of America!

Thanks for reading and God Bless!

WES BAINTER, Sheridan County Commissioner

Memorial Day

Remembering those who served...

All gave some. Some gave all.

Gone but never forgotten!

Rain Stops for Annual Memorial Day Ceremony

Wheatland VFW Post #2864 Honor Guard performed the Memorial Day Ceremony at many area cemeteries, including the Hoxie Cemetery on Monday, May 27. (Sentinel Staff photo)

HHS Brings Home 6 Medals from State Track

By Peggy Eland

The Hoxie High School Track Team brought home six medals from the Kansas State High School Activities Association State Track Meet held in Wichita May 24-26. The competition, which normally takes place on Friday and Saturday, did not finish until Sunday due to numerous heavy rain and lightning delays.

The boys and girls 4 x 800-meter relay teams, Thaddeus Friess and Emily Diercks in the 3200-meter runs, Jared Kennedy in high jump and Addison Campbell in long jump all made it to the medal stand. In addition to the medals, Diercks and Friess both set school records in the 3200-meter runs.

State Track Results

Girls 4 x 800-meter relay -

2nd Baylee McKenna, Emily Diercks, Ayleen Dimas, Macy Schamberger 10:22.17

Boys 4 x 800-meter relay -

3rd Gavin Tremblay, Logan Weimer, Thaddeus Friess, Jared Kennedy 8:31.55

Girls 3200-meter run - 3rd

Emily Diercks 12:13.65 (school record)

Boys 3200meter run - 4th

Thaddeus Friess 10:10.06 (school record)

Girls Long Jump - 7th

Addison Campbell 16' 1.75"

Boys High Jump - 7th Jared Kennedy 6' 0"

Boys 400 -meter run - 10th

Jared Kennedy 53.08

Girls Triple Jump - 11th

Addison Campbell 32' 7.75";

12th Morgan Keith 32' 6"

Boys Discus - 13th Harlan Obioha 129' 10"

Boys 1600-meter run - 15th

Thaddeus Friess 5:57.76

Representative Dr. Roger Marshall Visits Hoxie

By Viktorija Briggs

Dr. Marshall joined five guests at Oscar's on Friday, May 24. He spoke of his personal visit with President Trump, stating that he was told that he would only have ten minutes with him about the subject of his visit, which was healthcare. Dr. Marshall said, "When we met and shook hands, the President, sat down next to me and the first thing he said was, 'So, Roger, how are your farmers doing?' and I said, 'Actually, Mr. President, they're not doing well, they're doing horrible; and for 30 minutes we spoke about agriculture and trade.'"

Marshall continued, "His (the President's) depth of knowledge, what he knew about agriculture, about trade, but mostly his compassion for the farmers was impressive. He said, 'When you go back to Kansas, tell your farmers, thank you! Thank you for being patriots, and that I love them.' Those were his exact words."

The guests - Joe

Broeckelman, Jerry Heim, Clint Milliman, Rachel Farber, and myself - listened as Rep. Marshall spoke about his conversation with the President on the China trade situation; the new tariff deal (USMCA) - getting rid of the 232 tariffs to Mexico and Canada; implement manufacturing - the steel costs increasing, which impacts the farmers as well; the new \$200 million beef deal with Japan - 5% increase in beef exports. Rep. Marshall then opened up for questions on topics of importance to the guests.

Joe Broeckelman, with C-Bar Company, spoke about pork and the hopes that China will soon open up to our pork industry, which would be a great benefit to the pork producers, and the country itself as well. Joe also mentioned the African Swine Fever, and the fact that China has lost more hogs since August, to this disease, than the US raises in a year. China has lost 40-60% of their sows. To combat the spread of this disease here in the US, import agents use specially trained Beagles to detect the infected commodities with this virus. Hopefully, eventually, there will be a vaccine, but that is years away.

A few questions were asked about the abortion bills being passed around the country, the Democratic Party in general, and other minor subjects. It was an interesting discussion with Representative Roger Marshall, and it is good to know that someone of his caliber is in Washington working for the people of Kansas.

Traveling Across the US: Raising Veteran Suicide Awareness

By Rachel Farber

After retiring from the military, Jimmy Novak decided to walk across America and raise awareness for Veterans suffering from PTSD and depression and those that have committed suicide. He stayed overnight in Hoxie Saturday, May 25 and Sunday, May 26.

While deployed to Iraq several years ago, Mr. Novak realized that he struggled with depression. At that point, he had a plan and lethal means and was actually doing rehearsals for suicide. After a couple of deployments, he realized he needed help. Then later,

with his retirement looming, he had more struggles.

With the support of a wife and two daughters, Jimmy started his cross-country journey on March 22 from Seattle Washington. He plans to make his way to Orlando, FL and Disney World by August 22. Why Disney World? Because people know where that is, rather than just a random town in Florida.

Several have donated gear along the road, food and places to stay. He had just received word from Spirit Airlines, that they

would be flying his family to Orlando and then flying them all back to Seattle.

Jimmy stated, "I do find being out here on the road to be very refreshing very therapeutic for me every single step is a little leap of faith a little bit of trusting that things will work out for me." He also mentioned that it is okay to seek help and to call the National Suicide Prevention Hotline. This is the same number (800-273-TALK) for veterans and civilians.

To find his journey, you can find him on Facebook @ jlnovak22 or #jimmywalking.

Engagement Announcement

Haffner & Tremblay

Pat and Jacqui Haffner of Hoxie announce the engagement of their daughter Kathryn Marie to Tate James Tremblay, son of Troy and Dana Tremblay of Penokee, KS.

Kathryn graduated summa cum laude from Kansas State University and is the high school vocal director at Oberlin, KS. Tate also graduated from Kansas State University and works with his parents on the family farm. A June 15 wedding is planned at Sacred Heart Catholic Church in Park, KS.

The worst thing we could imagine is to forget to invite friends of the families or anyone who enjoyed watching these two grow up as they were involved in their school and other activities. If you would like to celebrate with us, please join us in Park at 3 pm for the wedding, then for the reception, dinner and dance in Morland at the high school gymnasium afterward.

Please RSVP Jacqui (785-675-1608) before June 3 to reserve a place at the meal. Come share our joy.

Massive Rains Flood Area

A small orchard in the center of Selden was flooded with last week's rain. With more rain during the week, it's not likely to be completely gone for a while. (Photo by Judy Rogers)

Farm Bureau Poster Contest Winner

Madison Focke was recognized at Golden Plains School for placing second in the Farm Bureau Safety Poster Contest by Farm Bureau Board Member Amy Deeter-Seegmiller. Madison is a third grader at GPES and is the daughter of Chad and Mandy Focke of Rexford. (Photo by Amanda Focke)

JENNINGS NEWS

By Louise Cressler

It has been raining off and on for several days now. We were fortunate not to get any of the bad storms other parts of the state have gotten.

Many people are preparing for their Memorial Day weekend. Lots of family gathering being planned.

It has been a while since any news came from the Jennings City Library. The library has a wonderful collection of Western novels. Louis L'Amour books are still awesome, the whole top shelf of dark brown leather books looks so library-ish. Now there is a rolling cart of newly acquired Westerns. Reruns may be just the quickie to smooth out your day.

When you are cleaning house this spring, did you remember to make a pile of books to donate for the library book sale in August? It's early, but it takes weeks for those "piles" to grow and become

irritating enough to actually make it out the door. They won't irritate the librarian, Nikki.

The United Methodist Women will meet on Wednesday, June 5, at 9:30 a.m. for general cleaning of the church. No meeting in July or August.

The Sunflower Senior Potluck Dinner will be held on Wednesday, June 12, at noon. Everyone is welcome to join us.

Another reminder of the Father's Day dinner planned for Sunday, June 16, at the former Opera House/Masonic Hall followed by a program presented by Bette James, Hoxie. Ms. James is the author of "Angels Flying Out of Hell", a book about the United States and other countries taking thousands of orphaned babies and children out of Vietnam before North Vietnam invaded the area.

Friess Earns Bachelor's Degree and Named to Benedictine College Dean's List

Benedictine College has recognized those students who have distinguished themselves academically during the last semester. Claire Friess of Hoxie, KS, has graduated Summa Cum Laude with a Bachelor of Arts in Accounting, and named to the Dean's List for the spring semester, which ended May 7, 2019.

Any full-time student carrying a minimum of 12 hours and a perfect 4.0 grade point average through the spring term is named to the President's list. Full time students with 12 hours and a grade point average of 3.5 are named to the Dean's List. Of the 1,914 students on campus for 2018-2019 academic year, 152 made the President's List and 559 made the Dean's List.

The college graduated 305 students at the end of the academic year, including 22 with graduate degrees. The

graduating seniors heard from former Royal and five-time MLB All Star Mike Sweeney, who delivered an inspiring Commencement Address.

Founded in 1858, Benedictine College is a Catholic, Benedictine, residential, liberal arts college located on the bluffs above the Missouri River in Atchison, Kansas. The school is proud to have been named one of America's Best Colleges by U.S. News & World Report as well as one of the top Catholic colleges in the nation by First Things magazine and the Newman Guide. It prides itself on outstanding academics, extraordinary faith life, strong athletic programs, and an exceptional sense of community and belonging. It has a mission to educate men and women within a community of faith and scholarship.

Elvis in Grainfield at Opera House

June 9 at 2:00 p.m. Award Winning Elvis Tribute Artist Frank Werth & the Vibrations will be putting on an afternoon of all Elvis songs from THE TOUR YEARS (NEW PERFORMANCE) Frank Werth has had many awards and won contests in Memphis and Nevada as well as others. the Tribute Artist has the voice, the charisma, the moves and looks of Elvis

and natural singer. If you close your eyes you could go back in time to that golden voice, the music, the fun! So, come see and hear for yourself Sunday June 9th 2:00 P.M. Elevator available to go upstairs. Get your tickets for \$20.00 from Diana Kaiser 785-9384416, Ron Eberle 785-6739519 Jan McCubbin 785-673-8019 or at the door.

Thank You!

Harold and I would like to thank everyone for the personal wishes, cards, emails, and Facebook posts for our 50th Anniversary. It was wonderful to hear from everyone, and made our day special.

Harold & Eileen Murphy

The Kitchen Cabinet

Occasional Dishes
For the dainty dessert to follow a dinner which has not been so substantial try:

French Cream Puffs - Put one-fourth cupful of butter and one-half cupful boiling water in a saucepan, bring to boiling point. Add one-half cupful of flour all at once and stir vigorously. Remove from the fire, add two unbeaten eggs, one at a time. Drop by spoonfuls on a buttered sheet shaping as nearly circular as possible. Bake thirty minutes in a moderate oven. Cool, split and fill with whipped cream. Serve with hot chocolate sauce.

Emergency Soup - Dissolve two and one-half teaspoonfuls of beef extract in three cupfuls of boiling water. Add three tablespoonfuls of milk

gradually, to one and one-half tablespoonfuls of flour; mix until smooth. Add to the first mixture, stirring constantly until the boiling point is reached, then boil three minutes; add three-fourths of a teaspoonful of salt, a few grains of pepper, and cayenne and three-fourths of a cupful of cream. Celery salt, onion salt or parsley may be added to vary the flavor.

Napoli Spaghetti - Cut four slices of bacon in small pieces and fry. Add one sliced onion, one-half a can of tomatoes, one-half a box of tomato paste, one-half teaspoonful of salt, one-eighth of a teaspoonful of pepper, one-fourth teaspoonful of mace, a few grains of cayenne and a bit of bay leaf. Bring gradually to the boiling point and let simmer

fifty minutes. Pour over one-fourth of a pound of cooked spaghetti, and let stand ten minutes. Serve hot.

Mushrooms on Toast - Cut stale bread in slices and shape with a round cutter, then fry in butter. Cook two cupfuls of cut-up mushrooms in two tablespoonful of butter five minutes. Cook one tablespoonful of butter with a half teaspoonful of shallot chopped, three minutes; season with paprika, salt and pepper. Arrange the mushrooms on the rounds of bread, pour over the tomato puree and sprinkle with chopped parsley.

May 31, 1894

The Misses Lillian Avery and Blanche Wolfe of Grainfield, visited in town Sunday and Monday.

Chas F. Reed, a delegate to the Republican State Convention was shaking hands with the boys the forepart of the week.

Mrs. Byron Burr has been dangerously ill the past week. Dr. Freeman, the attending physician, says she is now on a fair way to recovery.

Lis Tolle is able to be up town and attend to business.

Mrs. Cleve Vaught, of Cawker City, is spending a few days with friends and relatives here this week.

M. F. Vandiver was in town Saturday trying to make explanations as to his conduct in regard to the "pass" business.

Henry Newland has our thanks for a bountiful supply of ice Tuesday morning, Henry has lots of nice clean ice and will deliver it to your door at reasonable figures.

John Vedder and ye editor took dinner at Mrs. Zeigler's restaurant yesterday. If we were invited out about twice a week and as good meals were set up to us the life of an editor would hardly be what it seems.

Last Friday being Miss Alta Palmer's 16th birthday, a social dance was given at the Palmer House in the evening in honor of the occasion, which was one of the most enjoyable affairs from a social standpoint, that has been given in the town for some time.

The young people of this city and vicinity met at the residence of Mr. and Mrs. Wm. Davidson, one and one-half miles north of town last Saturday evening for the purpose of giving Chase Davidson a surprise, the occasion being his 19th birthday, and to say that they succeeded would be expressing it mildly. Games and charades took up the time until supper was announced at 12 o'clock, after which a short time was spent in tripping the light fantastic.

Hartley keeps firing away at us, last week he gave us a lengthy write-up in the *Democrat* and we presume the *Palladium* would have contained another had not its space been taken up for a more worthy purpose. We have said nothing but the truth and will stay by what we have said. So far as Mr. Hartley is personally concerned we think he is a gentleman, for he is not well enough up in his profession (an attorney) to be otherwise. We do not believe in censuring a man for his lack of intellect, in fact we think they should be an object of pity instead of criticism.

Prairie Dog Items

W. W. Warner, talks of emigrating to the strip.

Wheat not all up yet, we will have a good crop, of yes, 1895.

Regate Weiland broke out the Joseph Bardwell tree claim and has planted it to corn.

A pleasant social hop at A. Slavens, on the night of the 25th, all had a good time so reports say.

Caleb Geisenhiner has planted a large corn crop. Cale says we will have a big corn crop this year.

Charly Reed run his lister day and night, he and his sons have out a large corn crop, C. F. is a rustler.

Local Happenings

Mrs. Glen Lewis underwent a major operation at Halstead yesterday morning. Mr. Lewis went down with her on Sunday. Word of her condition had not been received Wednesday afternoon.

Mrs. Jay Duffy and Lynette of near Burlington, Colorado, spent a few days here with her mother and relatives.

Mrs. Aubert Mowry, Jerry and Maridel of Pratt have been visiting relatives in Sheridan county. The family pan to move soon to Topeka. They have purchased a home there and Bert will again be in the highway department.

Mr. and Mrs. I. A. Miller and little son moved to Junction City last Saturday. Miss Marie Cooper accompanied them to help. She and Mr. Miller are returning as his work here will keep him through the summer. Alice Cooper went with the Millers to Lyndon, Kansas, where she will spend most of the summer with Mr. and Mrs. Bill Wade and little son.

Mrs. Eva Long has had several letters from her son, Sgt. William Long. He is in India. He had just left this country when the late Nelson Long died. It was over four months before Bill learned

of his father's death. He did not receive the word until he reached India and the boat he was traveling on was delayed enroute. So, several factors contributed to the delay.

Society News

The Sorosis club concluded the club year with a picnic at City Park on Tuesday of last week. Besides the dozen or so families of the club the invited guests were the Vernon Day family, Mr. and Mrs. Wiley Walters, Mrs. Helen Pratt and Roberta Kay, Mrs. Harriett Neal and Mr. and Mrs. Sprouel. After the fine meal the group visited until after dark.

The Mary and Martha Sunday School class of the Presbyterian Church had a pot luck dinner on Sunday. Mrs. C. E. Montgomery is the teacher of the class, with Mrs. Bester Harold the substitute teacher. The families of the members were also in attendance, so filled two long tables when all were seated. Birthday cakes with the names on them were there for Mrs. Hazel Wilson, Miss Verna Mowry, Mrs. Mildred Smith, Mrs. Harriett Neal, Mrs. Virginia Leopold and Mrs. Isabelle Mickey. Their birthday anniversaries of these six ladies occur in April and May.

The Rotarians entertained their Anns Thursday evening with a dinner and Mother's day program. The ladies were presented with corsages of garden flowers upon arrival at the Legion Hall. After group singing and a fried chicken dinner, telegrams from the husbands were read to the ladies. These humorous telegrams and the responses they provoked added up to an entertaining evening.

Mickey's Want Ads

We have our Plymouth binding twine in. The smoothest, strongest, knot free twine on the market.

Cowboy: "What kind of saddle

do you want - with a horn or without?"

Dude: "Without, I guess. There doesn't seem to be much traffic on these prairies."

We have in a number of beautiful 6 and 8 piece sets of dishes.

A farmer was telling a city friend the other day about how easy it was to make butter from grass.

"Nothing to it," he assured him. "All you need is a cow and a churn."

Selden Car and Tractor Show

This year, in their 1st Annual Antique Car and Tractor Show, the Selden American Legion Post #321 will be bringing memories to town on Sunday, June 5. Lunch will be served at noon. Registration is from 12 noon to 1 p.m. on the south end of Main Street. At 3 p.m. parade will line up the giants from the past and a hamburger feed will follow.

Mt. Pleasant VBS Starts May 31

God's Word and Me is the theme for Vacation Bible School this year at Mt. Pleasant Baptist Church. Bible School starts May 31 and runs through June 9. There will be a special program the evening of June 9 at 7 p.m. Many activities, Bible stories, songs, and crafts have been planned for the children. Mt. Pleasant is working with Living Word Fellowship Church to provide bus transportation.

McGraw News

Mr. and Mrs. Jim Bainter were Saturday supper guests of Mr. and Mrs. Elzie Loughry. They also visited Mrs. Leora King while in Norton. Mrs. Jerome Mazanec and Danyelle were Monday dinner guests of Mrs. Jim Bainter. Recently, Mr. and Mrs. Jim Bainter visited Brenda Bainter in Denver.

Norma Tice attended the Hoxie Jr. High and High School Spring Music concert Thursday evening. Mrs. Gayle Bainter and Norma Tice were guests at the wedding of Angela Shipley and Dale Wolgram at the First Christian Church in Hoxie Saturday afternoon. Norma attended Hoxie High School graduation Sunday. Granddaughters, Jessica Tice and Jodi Weimer were among the graduates.

Jennings-Allison News

All Post 351 Legionnaires please meet at the Legion Hall each day Sunday, May 29 and Monday, May 30 at 9 a.m. to go to the cemeteries.

Mr. and Mrs. William Carter spent the weekend of the 15th in Bethany, Mo. with their daughter Ann Garner and her family. Ann's daughter Karen was a graduate from the high school.

Mr. and Mrs. Willis Kusy of Fairborn, Ohio spent several days with the Bob Tachas. Willis is Neoma's brother. Tuesday they had supper with the Roger Tachas at Oakley. Wednesday they had dinner at the Sheridan Inn with the Royal Tachas and Emil. The Kusys enjoyed visiting and touring the area towns. After spending Friday, Saturday and Sunday in Belleville visiting relatives the Kusys returned to Ohio and the Tachas returned to Jennings.

St. Paul's Daughters of Isabella Meet

Theresa Schwarz, Colby, received her 50-year membership pin at the Mary's Day Breakfast. She was accompanied by her daughters to attend the Mass, said by Father John Lager, and to attend the breakfast afterward. That was served by the Knights of Columbus. St. Paul's Circle is serving the K of C Father-Son Breakfast on May 22.

Queen Isabella Day was celebrated in Grinnell with Mass, celebrated by Father Roger Meitl, followed with rolls and coffee. It was attended by 24 members from Oakley and Angelus. The afternoon social meeting for May was held in the home of Leoba Kraft. Toby Ostmeyer brought delicious pies. Prizes went to Ann Huelsman, Marie Schwarz, Bonnie Lager and Rosie Beckman.

The May meeting was conducted by Regent LeAnn Rehmer. Mildred Hansen is in the hospital at Quinter and doing well. Thank you's were read from the first communicants for their party and gifts. Bonnie Lager reported on the workshop she had attended in Newton. The next regular meeting will be June 6. Serving will be Donna Engel, Leeann Kruse, Kathryn Wagoner, Vi Lindeman and Edith Beckman.

NWKS News

Consumer Corner: Know Your Rights with Door-To-Door Sales

By Kansas Attorney General Derek Schmidt

Every summer, the attorney general's office sees a spike in complaints about door-to-door salespeople. Many different products and services are sold door-to-door, but in particular, home improvement services are much more prevalent during the summer.

Kansas law offers consumers a number of rights when it comes to transactions made at your doorstep.

Three-day right to cancel: This rule says that for any purchase of more than \$25 made at your home, or any location that is not the seller's permanent place of business or local address, you have three days after the purchase is made to change your mind. The seller must give you written and verbal notice of this right to cancel and contact information if you choose to exercise your right to cancel. It is also suggested you send this cancellation by certified mail so you can track it. Companies are then required to refund the customer's money within 10 days of receiving the cancellation.

Five-day check cashing rule: If you pay for a door-to-door sale with a check, the seller is not allowed to cash or deposit that check until five business days have passed since the transaction. This is to give you a chance to exercise your three-day right to cancel. Because of this rule, it's especially important to never pay for a door-to-door sale in cash, since it becomes impossible to exercise this option to cancel the transaction and stop payment on the check.

Contract requirements: The contract or receipt must be dated, show the name and address of the seller, be in a large legible font and explain your right to cancel. The contract or receipt

must be in the same language used in the sales presentation.

Here are some additional tips to protect yourself from fraudulent door-to-door sales:

- Never let a salesperson into your home unless you are sure of who they are and why they are there.

- Ask to see their peddler's license, if it is required by your local city or county government.

- Ask for written information on the company and salesperson and take plenty of time to read it and shop around, rather than making a purchasing decision on-the-spot. A legitimate salesperson will be happy to leave their business card and come back if you decide to make a purchase.
- If the salesperson says it is a special deal for "today only," it's probably too good to be true.

In 2016, the Kansas Legislature passed an additional measure to protect consumers from fraudulent door-to-door salespeople. For those bad actors who have been previously banned by a court order from conducting door-to-door sales in Kansas, it is now a crime for them to continue soliciting door-to-door. In April, we secured the first conviction under this new law in a case brought by our office. Earlier this month, that individual was sentenced to serve more than four years in prison for that charge, as well as other criminal charges brought by the Shawnee County District Attorney.

If you encounter a door-to-door salesperson who does not follow these rules, contact your local police department, or call our Consumer Protection Division at (800) 432-2310. You can also file a complaint online at www.InYourCornerKansas.org.

KWEC Offers Summer STEM Camp

Fort Hays State University's Kansas Wetlands Education Center is offering a three-day science, technology, engineering and mathematics camp this summer, June 11 to June 13.

The camp will last from 9 a.m. to 2 p.m. and is available for students grades 7 through 12. The fee is \$25 and includes an Arduino STEM kit to take home and a daily snack. Campers will need to bring a sack lunch each day.

"Discover how amazing nature and technology can be when they work together," said Mandy Kern, program specialist at the KWEC.

"Campers will be immersed in field biology, including aquatic studies, mammal trapping, plant and animal identification at Cheyenne Bottoms, which is the largest inland marsh in North America and a Ramsar designated wetland of international importance," she said.

Participants will also learn how computer science can play a role in wildlife by learning how to program using Arduino and Scratch, drones, GPS and GIS. Campers will have the opportunity to build and use smart phone apps.

The KWEC, 592 NE K-156 Highway, is at the southeast side of Cheyenne Bottoms Wildlife Area, northeast of Great Bend.

The camp is limited to 20 campers.

To register, call 1-877-243-9268. For more information, email amkern2@fhsu.edu.

First Annual Prairie Barn Market

The Prairie Museum of Art and History will host the first annual Prairie Barn Market in partnership with Barnwood and Bling on Saturday, June 1 from 10:00 a.m. to 4:00 p.m. Over 40 vendors will offer vintage and handmade goods, as well as food and kids' activities. Admission for the market and museum is \$5.00; kids 6 and under are admitted free.

Shanda Mattix, Market co-host and owner of Barnwood and Bling, has attended markets like these for years in eastern Kansas and Nebraska. She believed there was enough regional

interest in this type of market to investigate starting something in northwest Kansas. The Prairie Museum with its iconic Cooper Barn and extensive grounds seemed like the perfect host.

"There will be a nice variety of products offered," Mattix said. "Hand-knitted and crocheted goods, gemstone bracelets, homemade bubble wands, jewelry, herbs and houseplants, art, soaps and lotions, breads and jams, wine, roasted nuts, stained glass, ceramic bowls and planters, antiques and up-cycled goods of all sorts will be displayed and for sale. There will truly

be something for everyone at this market. And you get to visit the Prairie Museum into the bargain."

Food vendors will also be on the grounds ready to provide a tasty lunch, and a barrel train will be offering rides to the kiddos. A photographer will be on hand offering portrait sessions with an old turquoise truck as backdrop to match the vintage market theme.

The Prairie Museum of Art and History is located at 1905 S. Franklin Ave. in Colby. For more information, contact the museum at 785-460-4590.

50 County Conservation Districts Benefit From Funding

From Dan Meyerhoff, Executive Director, Kansas Association of Conservation Districts

Beginning July 1, 2019, 50 county conservation districts will have access to \$300,000 through a new partnership between the Kansas Association of Conservation Districts (KACD), and Kansas Department of Health and Environment Watershed Management Section and Kansas Watershed Restoration and Protection Strategies (WRAPS).

This partnership will provide funding for the installation of best management practices (BMP's) within 19 high priority watersheds across Kansas. The goal is to promote a reduction of phosphorous in the identified targeted areas and assist local farmers and cattlemen in making water

quality improvements to their operation.

The Environmental Protection Agency (EPA) Section 319 and the Kansas State Water Plan provided the funding for the WRAPS program with the goal of addressing water quality concerns. Implementation of the partnership funds will be administered locally through the county conservation districts.

Landowners and operators who have resource concerns related to soil health and water quality on their land are encouraged to contact their local Conservation District to determine practice types and eligibility and make application for possible cost-share and incentive payments which will be available July 1, 2019. Applications are available at the Sheridan County

Conservation District Office at the USDA Service Center, 1100 Main Street Hoxie, KS.

The Kansas Association of Conservation Districts is a voluntary, nongovernmental, nonprofit, incorporated organization established in 1944. Its members are the conservation districts located in the state's 105 counties. KACD helps to forge key partnerships among federal, state, and local entities all committed to a common goal: wise and efficient conservation practices to protect the state's natural resources. These partnerships have been highly effective and mutually beneficial, allowing for shared space, equipment, and knowledge.

Smoky Hills Public Television Receives Grant from the Pete Henry Foundation

The Pete Henry Foundation has awarded Smoky Hills Public Television with a grant for \$3,000.

This grant will help provide educational programming for viewers across central and western Kansas.

"We want to thank the Pete Henry Foundation for supporting our mission of providing educational resources for children across

our state," said Larry Calvery, Smoky Hills Public Television General Manager. "Parents trust our PBS KIDS children programming and with the help of the Pete Henry Foundation we can continue this tradition of quality and educational programming on SHPTV."

The Pete Henry Foundation covers the following counties: Cheyenne, Decatur, Gove,

Logan, Rawlins, Sheridan, Sherman, Thomas and Wallace. The foundation is based in Colby and provides funds for educational purposes.

Smoky Hills Public Television serves 71 counties in central and western Kansas and has been named the Kansas Association of Broadcasters Non-Metro Station of the Year.

Preparing for a Weather Emergency

Severe weather events can mean power outages, floods, and other problems that can affect the safety of food. Knowing what to do before and after a weather event can help you reduce your risk of illness. By following these guidelines, you can also minimize the amount of food that may be lost due to spoilage.

Especially in storm-prone areas, power outages can be a common problem. Power outages can occur at any time of the year and it may take from a few hours to several days for electricity to be restored to residential areas. Without electricity or a cold source, food stored in refrigerators and freezers can become unsafe. Bacteria in food grow rapidly at temperatures between 40 and 140 °F, and if these foods are consumed, people can become very sick.

Steps to follow to prepare for a possible weather emergency

- Keep an appliance thermometer in the refrigerator and freezer. An appliance thermometer indicates the

temperature in the refrigerator and freezer. In the case of a power outage, it can help determine the safety of the food.

- Make sure the freezer is at 0 °F or below and the refrigerator is at 40 °F or below.

- Freeze containers of water ahead of time for ice to help keep food cold in the freezer, refrigerator, or coolers after the power is out. Freeze gel packs for use in coolers.

- Freeze refrigerated items such as leftovers, milk and fresh meat and poultry that you may not need immediately — this helps keep them at a safe temperature longer.

- Plan ahead and know where dry ice and block ice can be purchased.

- Have coolers on hand to keep refrigerated food cold if the power will be out for more than 4 hours.

- Group food together in the freezer — this helps the food stay cold longer.

- Store food on shelves that will be safely out of the way of contaminated water in case of flooding.

Steps to follow after the weather emergency

- Keep the refrigerator and freezer doors closed as much as possible to maintain the cold temperature.

- The refrigerator will keep food safe for about 4 hours if it is unopened. A full freezer will hold the temperature for approximately 48 hours (24 hours if it is half full) and the door remains closed.

- Discard refrigerated perishable food such as meat, poultry, fish, soft cheeses, milk, eggs, leftovers, and deli items after 4 hours without power.

- Food may be safely refrozen if it still contains ice crystals or is at 40 °F or below when checked with a food thermometer.

- Never taste a food to determine its safety!

- Obtain dry or block ice to keep your refrigerator and freezer as cold as possible if the power is going to be out for a prolonged period of time. Fifty pounds of dry ice should hold an 18-cubicfoot full freezer for 2 days.

- If the power has been out for several days, check the temperature of the freezer with an appliance thermometer. If the appliance thermometer reads 40 °F or below, the food is safe to refreeze.

- If a thermometer has not been kept in the freezer, check each package of food to determine its safety. If the food still contains ice crystals, the food is safe.

Information was gathered from USDA.

Farm News

Crop Update

Twenty-six percent of the nation's sorghum acreage was planted by May 19, twelve percentage points behind both the previous year and the five-year average. Producers in Texas had planted 79 percent of the state's intended sorghum acreage by week's end, 10 percentage points behind last year but equal to the five-year average.

USDA Reopens Continuous CRP Signup

USDA's Farm Service Agency will accept applications beginning June 3, 2019, for certain practices under the continuous Conservation Reserve Program sign-up and will offer extensions for expiring CRP contracts. The 2018 Farm Bill reauthorized CRP, one of the country's largest conservation programs. Since passage of the 2018 Farm Bill last December, FSA has analyzed the language and prioritized water-quality practices and conservation goals.

Kansas Cattle on Feed Up 4 Percent

Kansas feedlots, with capacities of 1,000 or more head, contained 2.38 million cattle on feed on May 1, according to the USDA's National Agricultural Statistics Service. This inventory was up 4 percent from last year.

Placements during April totaled 435,000 head, up 14 percent from 2018.

Fed cattle marketings for the month of April totaled 420,000 head, unchanged from last year.

Other disappearance during April totaled 15,000 head, up 5,000 head from last year.

NSP Chairman Represents Sorghum Farmers at White House MFP Announcement

National Sorghum Producers Chairman Dan Atkisson stood today alongside President Trump, U.S. Department of Agriculture Secretary Sonny Perdue, House Agriculture Committee Ranking Member Mike Conaway and other farm and ranch representatives at an announcement ceremony concerning the Administration's \$16 billion aid package to help farmers and ranchers impacted by unjustified retaliatory trade tariffs. Atkisson, a sorghum farmer from Stockton, Kansas, made the following statement in response:

"We are grateful to President Trump, Secretary Perdue, Ranking Member Conaway and other key policymakers for recognizing the harmful impacts that retaliatory trade tariffs are having on our farmers and ranchers. President Trump's commitment to level the playing field for farmers is not an easy endeavor, but we support him in this effort to ensure the global market is made truly free and fair for the United States and remain grateful for his steadfast commitment to America's producers.

This trade mitigation program will help sorghum farmers weather the sixth straight year of depressed prices and a deep and ongoing farm recession. As an organization, we will continue to advocate for a speedy and successful conclusion to US-China trade negotiations and congressional approval of the U.S.-Mexico-Canada agreement.

National Sorghum Producers looks forward to continuing its work with the Administration as details of the Market Facilitation Program (MFP) are finalized to ensure this package works for our nation's sorghum farmers and all U.S. farmers and ranchers."

SHERIDAN COUNTY CONSERVATION DISTRICT COST-SHARE SIGN-UP ~ JUNE 3-14, 2019

The Sheridan County Conservation District Cost Share Sign-up will be open from June 3 through June 14 for the Water Resource and Non-Point Source Cost Share Programs. Funding is provided from the Kansas State Water Plan.

Popular conservation practices available to address resource concerns through the Water Resource program include: livestock pipelines, water wells for livestock, watering facility (tank), Solar Pumping Plant, terraces, diversions and grassed waterways. The Non-Point Source Pollution Control Program provides cost-share assistance to address resource concerns including failed on-site waste septic systems, plugging abandoned wells, and livestock feeding facilities that exhibit a pollution potential. The application process is competitive. All applications will include a field visit and be ranked to determine funding.

Stop by the Conservation District office at 1100 Main Street to discuss your resource concerns and complete an application. **State Cost Share cannot be issued for practices started or completed prior to having a signed contract.**

State Cost Share funds will be available July 2019.

USDA To Ask About 2019 Crops, Stocks, Inventories and Values

During the next few weeks, USDA's National Agricultural Statistics Service (NASS) will conduct two major inquiries, contacting nearly 7,000 producers across Kansas to determine crop acreage and stock levels as of June 1, 2019.

"These are two of the most important surveys NASS conducts, due to the widespread and significant impact of their results," explained Doug Bounds, Kansas State Statistician. "When producers complete these surveys, they contribute essential information that determines the expected acreage and supply of major commodities for the 2019 crop year. The results are necessary for everyone who relies on agriculture for their livelihoods. This includes those providing farm and ranch supplies, those purchasing commodities directly from the producers, and everyone else involved in ensuring a safe and affordable food supply reaches the consumer in a timely manner."

Data for the June Agricultural Survey are gathered via the Internet, mail, phone, or by in-person interview. For the June Area Survey, trained National Association of State Departments of Agriculture (NASDA)

enumerators representing NASS visit select tracts of land to interview the operators of any farm or ranch within that selected tract. Producers are asked to provide information on planted acres, acres expected to be harvested, and grain stocks. This survey also collects data on livestock inventory, cash rents, land values, and value of sales.

"NASS protects the privacy of all respondents and publishes only state- and national-level data in these reports, ensuring no operation or producer can be identified. I urge all producers to respond to these surveys when contacted, and thank them for their cooperation," said Doug Bounds.

NASS will publish the results in a series of USDA reports, including the Acreage and Grain Stocks reports, on June 28, 2019. Survey data also contribute to NASS's Crop Production reports, Small Grains Summary, Farms and Land in Farms, and Land Values reports, as well as various livestock reports, including Cattle, Sheep and Goats, and Quarterly Hogs and Pigs.

These and all NASS reports are available online at www.nass.usda.gov/Publications/.

Nutritional Marker Provides Understanding of Soy Diets in Aquaculture

Results show similar feed conversion in red drum fish fed 60% soybean meal feed diets as those fed traditional fish meal-based diets.

The Soy Aquaculture Alliance (SAA) has released the results from one 2018 study it funded.

The study with the South Carolina Department of Natural Resources on using metabolites as a biological marker for nutritional stress in red drum opens the door to better understand how soybean-formulated diets impact fish growth and feed conversion, SAA said.

The alliance said improving the metabolic fingerprint of red drum based on a closely studied comparison with the best two performing reference diets over a 12-week feed trial provided a number of insights.

For the study, eight unique diets were fed to red drum fish, and liver, intestine, heart, muscle tissue and plasma samples were tested. Results found a metabolic marker in all diets, and fish fed a 60% supplemented soybean meal diet had nearly the same growth, weight and feed conversion as fish fed natural reference diets that included squid, shrimp and fish, SAA said.

This research provides a path for assessing this biological marker and allowing nutritionists to develop feed alternatives within acceptable limits for various fish species without causing nutritional stress, the alliance said.

Ultimately, the marker opens

the door to further research for higher and better soybean meal inclusion rates to benefit both the U.S. aquaculture industry and the U.S. soybean farmer.

"Every study we do gives us more information and more credence to believe soybeans are a real opportunity for the U.S. soybean aquaculture industry," said SAA executive director Andy Tauer. "We've been investing for a number of years and every study builds on the one before. We're making real headway now, and seeing the results that will benefit the fish farmer and the soybean farmer alike."

A technical brief about the study has been added to the SAA website.

SAA works to create new opportunities for soybean farmers within a growing domestic market: aquaculture. SAA funds programs and research that increases the utilization of U.S. soybeans in the diets of fish and shrimp through affiliations with academic and private researchers and industry leaders.

2018 MFP Certification Deadline Extended Again

USDA has extended the deadline from May 17 to May 31 for agricultural producers to certify 2018 crop production for payments through the Market Facilitation Program (MFP), which helps producers who have been significantly affected by foreign tariffs, resulting in the loss of traditional exports. USDA

has not made this announcement on a national basis, but several state FSA offices have stated May 31 is the new deadline. The FSA will continue to issue payments at \$0.86 per bushel for sorghum. Producers can certify production by contacting their local FSA office or through Farmers.gov.

Commission Minutes 5/15/2019

Now on this 15th day of May 2019, the Board of Commissioners, Sheridan County, Kansas met in regular session with Chairman Joe Bainter presiding. Others present were Wes Bainter, Troy Dewey and County Clerk Heather Bracht. Guests were Rachel Farber, Viktorija Briggs, and Agnes Winter.

Joe Bainter called the meeting to order.

Dominick Eck from Gilmore & Bell, PC entered the meeting as well as Niceta Farber, Mike O'Dell and Hannah Schoendaler from the Sheridan County Health Complex. The purpose of them coming to the table was to approve and sign the necessary documents for the \$2,250,000 revenue bond from the U.S.D.A. O'Dell talked about the tax credits citizens

have given and that there will be a separate bank account specific for these dollars. Farber talked about the timeline for the start of construction which will be more finalized next week. Resolution 19-102, A RESOLUTION PROVIDING FOR THE ADOPTION OF TAX AND SECURITIES COMPLIANCE PROCEDURES RELATING TO OBLIGATIONS ISSUED AND TO BE ISSUED BY SHERIDAN COUNTY, KANSAS and Resolution 19-103, AUTHORIZING AND DIRECTING THE ISSUANCE, SALE AND DELIVERY OF \$2,250,000 PRINCIPAL AMOUNT OF HOSPITAL REVENUE ANTICIPATION REVENUE BONDS, SERIES 2019-b, OF SHERIDAN COUNTY, KANSAS; MAKING CERTAIN COVENANTS AND AGREEMENTS TO PROVIDE FOR THE PAYMENT AND SECURITY THEREOF; AND AUTHORIZING CERTAIN OTHER DOCUMENTS AND ACTIONS CONNECTED THEREWITH were approved and signed on a motion by Dewey and second by Wes Bainter. Carried 3-0. The four local banks will initially loan the money. All pertinent documents presented were approved and signed by the Board.

Ross Carder, Road & Bridge Supervisor entered the meeting. Carder had received a bid from Welborn Sales for grader blades. The Board tabled any further discussion on purchasing the blades till Carder comes back with a report on how a "harder" blade from CAT is working out.

Carder stated that Spreser Excavation has started on the 6/10th of a mile spur east of Selden. The machine needed to tear out the asphalt was only available right now, so Carder sent bid information from Spreser Excavation to all three Commissioners. Bracht stated that no decision could have been made to begin the work prior to this meeting because they were not in Open Meeting. Wes Bainter made a motion to allow Spreser Excavation to do the work on the spur east of Selden and the Board will review the bid once the road is finished. Dewey seconded the motion. Carried 3-0. There will be a stop sign placed on the east end of the road, as well as a "stop ahead" sign. The Board discussed reducing the speed limit as well.

Carder stated that Penco Engineering had submitted a bid for the inspection of seven bridges, which need inspected annually due to their condition. The cost is \$125.00/per bridge. All the other bridges are inspected every two years. Dewey made a motion, seconded by Joe Bainter to approve the Penco Engineering bridge inspection bid. Carried 3-0.

There needs to be about 140 reflective signs placed on bridges so that work will begin as well. Carder had asked about some very old county land books and Penco Engineering advised the books needed to stay at the Road & Bridge Office.

Three graders have now

been placed close to where county employees live and it is working out well. Carder discussed the GPS system that is on the CAT graders now and that there is a John Deere program that is on one now and could potentially be placed on the others at no cost to the County. Carder is purchasing a laptop, which will have the program on it to monitor what is going on. Carder stated he has faith in the employees, but being able to see where people are and if there are problems is a good idea.

Carder has developed a handbook for each employee, which has job descriptions in it, telling employees how, when, and why employees do certain tasks such as mowing, filling potholes, etc. Employees will sign off that they have received this information.

Carder is still marking the road work maps, but will no longer bring them in to the Board to review.

A farmer had asked when the fence would be put up where the road was just rebuilt, and Carder stated the supplies are all there, so probably the first part of next week. Carder advised the Board that Barry Quanz, Noxious Weed, had been out and sprayed some areas that are being brought up.

Jodi Rogers, Brian Diercks, Darnelle Keith, and Meghann Gourley representing Hoxie Recreation entered the meeting. Rogers gave a report of what has been happening and stated that one of the biggest pluses is that families are staying in Hoxie to do these activities. The old Ben Franklin Building, which had been purchased and renovated, is being utilized for many activities, and being rented for parties, family gatherings, etc. The Board budgeted \$7,000 for recreation with \$5,000 going to Hoxie and \$2,000 going to Selden for the 2019 year. The Board will discuss and make a decision at the next meeting if they want to consider donating more.

Sheriff Brandon Carver entered the meeting. Carver has contacted Carol Slover and Corinna Cox to assist with grant writing. Carver discussed with the Board the possibility of selling the old Sheriff's car (2010 Dodge Charger), as well as the Polaris 700 side by side, and other office related items in the garage. The Board agreed that an auction would be a good idea, so plans will continue for that. Other county offices will be contacted about office furniture and have first dibs on items they might need.

Dewey made a motion to approve purchasing a server with firewall from NexTech in the amount of \$1,924.00. Wes Bainter seconded the motion. Carried 3-0. Dewey then made a motion to purchase two cameras and the tech service app from NexTech. This will be an additional \$60.00 month on the NexTech bill. Joe Bainter seconded the motion. Carried 3-0.

Carver advised the Board that the installation of the heating and air conditioning units is coming along.

County Attorney Joe Pratt came to the table. Pratt will contact Overland Pass Pipeline about possibly reimbursing the County for damages done to county roads. Pratt touched on the Community Foundation and the Hansen Foundation and what a good opportunity it has been for our community. Pratt stated he can see work getting done on the roads, which is a good thing.

Pratt also discussed spraying on musk thistle, which should be done in the next few days.

Wes Bainter moved the minutes from May 8, 2019 be approved as presented, seconded by Joe Bainter. Carried 3-0.

No further business, Dewey made a motion to adjourn, seconded by Wes Bainter. Carried 3-0. The next regular meeting will be Wednesday, May 22, 2019 at 9:00 am in the Commissioner's room on the main floor in the courthouse.

Attest: Heather Bracht, County Clerk, Joe Bainter, Chairman

IN THE DISTRICT COURT OF SHERIDAN COUNTY, KANSAS

In the Matter of the Estate of JEROME HEIM, Deceased

Case No. 2019-PR-14

NOTICE OF HEARING NOTICE TO CREDITORS

THE STATE OF KANSAS TO ALL PERSONS CONCERNED:

You are hereby notified that on May 8, 2019 a Petition was filed in this court by the undersigned.

The Petition states that the undersigned is an heir, devisee and legatee, or Executor named in the Last Will and Testament of the decedent dated September 26, 2013 and the Petition requests that the Will be admitted to probate and record; that Pauline Heim be appointed as Executor and be granted Letters Testamentary without bond.

You are further advised that the Petitioner in this matter has requested administration pursuant to the Kansas Simplified Estates Act, and if such request is granted the court may not supervise administration of the estate and no further notice of any action of the Executor or other proceedings in the administration will be given except for notice of final settlement of the decedent's estate. Should written objections to simplified administration be filed with the court, the court may order supervised administration to ensue.

You are required to file your written defenses thereto on or before June 7, 2019 at 9:00 a.m. of said date, in this court in the city of Hoxie at which time and place the cause will be heard. Should you fail, judgment and decree will be entered in due course upon the Petition.

All creditors are notified to exhibit their demands against the estate within four (4) months from the date of first publication of this notice, as provided by law, and if their demands are not thus exhibited, they shall be forever barred.

Kansas Crop Progress and Condition

For the week ending May 26, 2019, there were 0.8 days suitable for fieldwork, according to the USDA's National Agricultural Statistics Service. Topsoil moisture supplies rated 0 percent very short, 0 short, 51 adequate, and 49 surplus. Subsoil moisture supplies rated 0 percent very short, 1 short, 60 adequate, and 39 surplus.

Field Crops Report: Winter wheat condition rated 3 percent very poor, 9 poor, 33 fair, 45 good, and 10 excellent. Winter wheat headed was 84 percent, near 86 last year, and behind 93 for the five-year average. Coloring was 7 percent.

Corn planted was 70 percent, well behind 91 last year, and behind 88 average. Emerged was 49 percent, well behind 77 last year and 69 average.

Soybeans planted was 22 percent, well behind 63 last year, and behind 41 average. Emerged was 12 percent, well behind 39 last year, and behind 22 average.

Sorghum planted was 4 percent, behind 18 last year and 13 average.

Cotton planted was 24 percent, well behind 57 last year, and near 28 average.

Sunflowers planted was 2 percent, behind 15 last year and 7 average.

Pasture and Range Report: Pasture and range conditions rated 1 percent very poor, 3 poor, 29 fair, 54 good, and 13 excellent.

Larry Lewis

June 3, 1941 ~ May 26, 2019

Larry Lane Lewis, 77, of Colby, died Sunday, May 26, 2019 at Citizens Health in Colby, KS. He was surrounded by his loved ones. He was born June 3, 1941, in Hoxie, KS, to Peary and Maxine (Rosenkrans) Lewis. He graduated from Hoxie High School in 1959, where he participated in basketball, football, and track. Larry served in the United States Army. On August 24, 1963, he married Agnes Detjen, in Hoxie. To this union, a son, Steven, and a daughter, Sheri, was born. Larry was a meat cutter, working at Larry's IGA, Warren's IGA, and then Dillon's. He was a fan of Elvis and the Denver Broncos. Larry became an avid bird watcher, his favorite being Purple Martins. He also loved to feed the Blue Jays peanuts in his driveway. Larry's hobbies included fishing, camping, gardening, garage sales, and metal detecting, and hanging out with his Dachshund buddies "Abby" and "Jax".

He was preceded in death by his parents, Peary and Maxine; brothers, William "Sonny" Lewis, and James Lewis; sister-in-law Arleta Detjen, and his brother-in-law Elmer Rall.

He is survived by his wife Agnes; children, Steven Lewis, and Sheri Staab; grandsons, Kaden (Callie) and Kyler Staab, all of Colby; sister, Linda Lewis, of Fort Worth TX; sisters-in-law, Rose Lewis, of Columbia, SC, Lois Lewis, of Dublin, TX and Elta Rall, of Hoxie, KS, and many nieces & nephews.

Visitation is 5-7:00 p.m. Wednesday, May 29, 2019, at Baalmann Mortuary, Colby. Funeral Service is 11:00 a.m. Thursday, May 30, 2019, at Baalmann Mortuary, Colby, with burial in Beulah Cemetery. Memorials are suggested to the Purple Martin Conservation Association or ASPCA and can be sent in care of Baalmann Mortuary, PO Box 391, Colby, KS 67701. For information or condolences visit www.baalmannmortuary.com

Robert Pearson

Robert Lee "Bob" Pearson, age 82, died May 21, 2019, at Via Christi Hospital in Manhattan, KS after a brief illness. He was born on March 29, 1937, in Denver, CO to Arthur and Edna (Baker) Pearson.

Bob graduated from East High School in 1955 and attended Colorado State University where he was a member of Sigma Alpha Epsilon fraternity. He spent 18 years working for United Airlines in Denver where he eventually met the love of his life, Myra Cooke. He and Myra were blessed to enjoy 56 years of marriage together. Bob also was honored as a Troop Leader and proud member of the Marine Corps reserves for 6 years. In 1978 Bob and Myra, along

with their children Kim and Eric, moved to Manhattan, KS where Bob joined his brother Terry in operating Kansas State Travel Agency until Bob's retirement in 2004. He will be remembered by many for his attention to detail and fairness as a businessman.

Surviving family members include wife, Myra Pearson of the home, daughter Kim Robben (husband Doug) of Grinnell, KS, and son Eric Pearson (wife- Lauri) of Shreveport, LA, five grandchildren- Sean, Samantha, and Nicholas Robben, and Graham and Mary Hadley Pearson, and brother Terry Pearson (wife- Judy) of Centennial, CO.

No services are planned at this time.

A scholarship has been set up in Bob's name at: Ascension Classical School Robert Lee Pearson Scholarship Attention: Ann Burford, 5075 Dixie Garden Drive Shreveport, LA 71106

The family appreciates your thoughts and prayers.

"Well done, good and faithful servant," Matthew 25:21

The Yorgensen-Meloan-Londeen Funeral Home, 1616 Poyntz Avenue, Manhattan, Kansas 66502, is assisting the family with the funeral arrangements.

Online condolences may be left for the family through the funeral home website at www.ymlfuneralhome.com

Glenva Coburn

August 1, 1943 ~ May 26, 2019

Glenva Irene Coburn, 75, of Quinter, KS, passed away on May 26, 2019, at the Sheridan County Long Term Care Unit, Hoxie, KS.

Glenva was born at home on the family farm in Sheridan County on August 1, 1943, to Glenn Henry and B. Irene (Babcock) Stephenson. She attended first through eighth grade at the Allison School in Decatur County and then graduated high school from Sheridan County High School, Hoxie, KS, in 1961. She went on to Central Business College in Denver, CO, and graduated in 1962.

On October 21, 1962, Glenva married Sammie Alan Coburn at the McGraw Methodist Church in Sheridan County. They were married 43 years and lived in Lawton, OK, right after marriage but soon moved north of Quinter onto the family farm where they remained. To this union, they were blessed with three children: Lance Samuel, Maylene Sharee and Jodie Lynn.

Glenva worked as a typist in Denver and then once married, she worked at the Gove County Hospital, Superette Grocery, Coast to Coast and as a caregiver in Quinter, KS, along with many

hours on the farm beside Sammie. She enjoyed farm life, spending time with family and friends, sewing, cooking, crafts, gardening but most of all, being a mom, grandma and wife. She was actively involved with the Church of the Brethren, Gove County Auxillary, Gove County Senior Center and in earlier years, she was involved in 4-H as a member and leader and she belonged to the Freya Club.

Glenva is survived by her son, Lance (Rhonda) Coburn, Quinter, KS; daughter, Jodie (Jeff) Munk, Menlo, KS; grandchildren, Michael Noble, Perryton, TX, Derek Dees, Guymon, OK, Shelby Coburn, Topeka, KS, L.T. Coburn, Quinter, KS, Samantha Munk, Menlo, KS, and Alan Dees, Hooker, OK; brother, Laurel (Ruby) Stephenson, Hays, KS; sisters, Norene Thomasson, Kelso, WA, and Esther (Frank) Weis, Akron, CO; brother and sister in law, Glenn and Arlene Bird, Quinter, KS; and many other family and friends.

Glenva is preceded in death by her husband, Sammie; daughter, Maylene Dees; parents Glenn and Irene; grandparents, Olin and Nora Babcock and Anna Duftrin; and brother in law, David Coburn.

The funeral service will be Saturday, June 1, 2019, at 10:00 AM at the Church of the Brethren, Quinter, KS. Burial will follow at the Baker Township Cemetery, Quinter, KS. Visitation will be held at Schmitt Funeral Home, Quinter, KS, on May 31, 2019, from 6:00-8:00 P.M.

Memorial contributions are suggested to The Quinter Church of the Brethren and Gove County Medical Center Auxiliary. Donations to the organization may be sent to Schmitt Funeral Home, 901 South Main, Quinter, KS

Elmer Rall

May 9, 1935 ~ May 14, 2019

Elmer Erick Rall passed away May 14, 2019 at the age of 84. He was born on May 9, 1935 in Sheridan County, Kansas to William and Louise (Gaede) Rall. He married Elta Detjen on April 9, 1961 at the Immanuel Lutheran Church, Hoxie, KS. To this union, three sons were born, Douglas, David and Dennis.

Elmer went to work at a very young age. He served his country in the United States Army, stationed in Korea. Upon his return he worked for the Sheridan Country Road and Bridge department for 35 years until he retired. Elmer loved fishing and hunting with his sons, grandsons and brother-in-law, Larry Lewis. He was an avid gardener.

Elmer is survived by his wife Elta, sons, Doug (Lisa), David (Sandy) and Dennis all of Hoxie; grandsons, Clayton (Megan) of Tucson, Arizona and Taylor (Alex) of Hoxie one great granddaughter "little one" Brandon of Tucson, Arizona; sisters Rosie O'Connell of Norton, Kansas and Leona Boor

of Hays, Kansas; brothers Kurt Rall of Euless, Texas and Gaehart Rall of Oklahoma; sisters-in-law, Judy Rall, Evelyn Rall, Doris Rall, Betty Rall, Jeannine Rall, and Agnes Lewis; and brother-in-law Larry Lewis and a host of nieces and nephews.

He was preceded in death by his parents William and Louise Rall; sisters, Louise Withers, Wilma Steier, Mary Owens and Helen Rall; brothers Ted, Wilfred "Bob", Ervin, William Jr. "Bill" and Larenz; sisters-in-law, Wanda Rall, Hilda Rall, and Arleta Detjen; and brothers-in-law, Bob Withers and Harold Boor.

A funeral service is planned for Monday, May 20, 2019, at the Immanuel Lutheran Church, Hoxie, Kansas at 10:00 A.M. with pastor Michael Brockman presiding. Visitation will be held Sunday, May 19, 2019 from 1:00 P.M. until 6:00 P.M. with family receiving friends from 3:00 P.M. until 4:00 P.M. all at Mickey-Leopold Funeral Home in Hoxie, KS. Memorials are suggested to the Hoxie Medical Clinic or Sheridan County Health Complex.

Elmer loved to be around his family, he will be missed by all who knew him.

Frances Bange

August 25, 1943 ~ May 13, 2019

Frances Mae (Sander) Bange, 75, passed away at the Colby Health and Rahab on Monday, May 13, 2019. She was born to Clem and Ethel (Pabst) Sander on August 25, 1943 in Denver, CO.

Frances and Raymond Bange were united in marriage May 11, 1963 in Colby, KS. They began their married life in Angeles, KS. Later Raymond went into partnership with his brothers, and they moved to Menlo where they resided the rest of their lives and raised their family.

Frances's hands, like her heart, were pure and simple. She suffered seasons of immense lack and witnessed seasons of grace-filled abundance. No matter the season, her hands and heart remained the same - simple and pure. Her life was a reflection of the bible verse: 1 Corinthians 13:1 "If I speak with human eloquence and angelic ecstasy but don't love, I'm nothing but the creaking of a rusty gate"

Frances hands, like her heart, were diligent and driven. She lived for her family. She centered her affections upon her family and made the circle of her home the embodiment of virtue and love. She was always very punctual with mealtimes; dinner was on the table at noon and supper at 6:00 P.M. She expected everyone would be there for the meal. Her family's favorite

meals were her fried chicken or chicken fried steak with bread pudding for dessert. Frances was passionate about capturing family memories through her beautiful Creative Memories scrapbooks. She leaves many memories for her family.

Frances was unwavering in faith, kindness, selflessness and compassion touching the lives of many. She was a long-time member of St Martins Catholic Church in Seguin. She loved her family, her Lord Jesus Christ, and the farm. Frances's hands are what we will miss the most - her touch of heaven - the most earthly love we'll ever know.

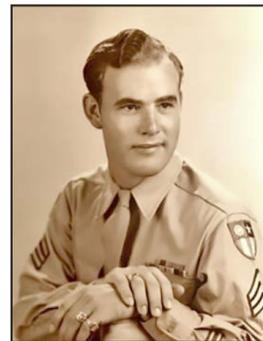

She was preceded in death by her husband, Raymond Bange; daughter, Sandra Bange; parents, Clem and Ethel Sander; and brother, Arthur Sander.

Frances is survived by her sons, Paul Bange of Menlo, Kansas and Matthew Bange and fiancée Lindsay Hoff of Junction City, KS; daughters, Anna Reese and husband Scott of New Smyrna, FL and Rebecca Wuerdeman and husband Robert of Columbus, KS. Frances will be fondly remembered by eight grandchildren Brittany, Brooklyn, and Brielle Bange; Patrick Wuerdeman; Skyler and Alex Reese; and Gavin and Connor Bange.

A Mass of Christian Burial was held Tuesday, May 21, 2019, at the St Martin Catholic Church in Seguin, KS at 10:30 A.M. A visitation was on Monday, May 20, 2019 from 1:00 P.M. until 8:00 P.M., family receiving friends from 5:00 P.M. until 7:00 P.M., and a with a Vigil and Rosary Service at 7:00 P.M. all at the Mickey-Leopold Funeral Home, Hoxie, KS. Memorials are suggested to St. Martin Catholic Church and may be sent in care of Mickey-Leopold Funeral Home, PO Box 987, Hoxie, KS 67740. Online condolences may be left at www.mickeyleopoldfuneral.com.

Gerald Rogers

February 18, 1925 ~ May 13, 2019

Gerald D. Rogers passed away on Monday, May 13, 2019, at the age of 94. Gerald was born on February 18, 1925 in Selden, KS to Walter and Myrtle (Anderson) Rogers. Gerald graduated from Norton High School in 1943 and then volunteered for the United States Air Force. He served in the China- Burma-India theater during World War II. On September 30, 1952 he married Leona Koerperich. Gerald and Leona were married nearly 67 years. This union was blessed with five children, Sherry, GERALYN, Joe, Scott, and Tami.

Gerald and Leona started their married life on a farm near Jennings, KS. Gerald spent most of his life managing grain elevators in Selden and Republic, KS. He was a 50+ year member of Knights of Columbus, a member of the American Legion and Lion's Club. He served on the Golden Plains School Board for sixteen years.

He was very proud of his WWII service, but was most proud of his family. His favorite activities were watching his grandchildren play basketball, soccer, tennis, dance and act in plays.

Gerald is survived by his

wife, Leona, of the home in Newton, Kansas; his five children and spouses, Sherry Watts (Harry) of Manhattan, Kansas, GERALYN PARKER (Lauren) of Goodland, KS, Joseph Rogers (Stephanie) of Davison, Michigan, Scott Rogers (Julie) of Larned, KS, and Tami Carlgen (Randy) of Newton, KS; 12 grandchildren and spouses, Anthony Parker (Amy), Father Nicholas Parker, Jillian Korte (Drew), Stuart Watts, Diana Watts, Conrad Rogers (Michelle), Jennifer Rogers, Hunter Rogers (Shazia), Melanie Morrison (Cameron), Meredith Peterson (Johnathan), Joshua Carlgen (Kenzie) and Hannah Carlgen; and three great-grandchildren, Cole Parker, Scarlett Korte, and Cameron Morrison.

He was preceded in death by his father, Walter Rogers and mother, Myrtle Warner; and great-grandchild, Camri Morrison.

A Mass of Christian Burial is planned for Thursday, May 16, 2019, 10:30 A.M. at the Sacred Heart Catholic Church in Selden, KS with his grandson, Father Nicholas Parker presiding. Visitation will be held Wednesday, May 15, 2019 from 2:00 P.M. until 8:00 P.M. with a Rosary and Vigil Service being held at 7:00 P.M., and family will receive friends from 5:30 P.M. until 7:00 P.M. all at the Pauls Funeral Home in Selden, KS. Memorials are suggested to the St. Mary's Catholic Church in Newton, KS. Online condolences may be left at www.paulsfh.com.

Gerald was a faithful member of the Catholic Church, a proud Grandfather, loving father and devoted husband. He will be greatly missed by his wife and family.

We are planting beans. Later, we...
...will visit the farmer's market.

Plans for Planting!

Gardens and Farmers' Fields

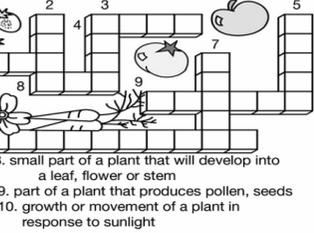

Read the clues to fill in the puzzle:

- process by which plants change sunlight into energy and food
- tulips and onions grow from this round, food-filled part, which is buried under the ground
- can be very tiny, but has the information and food to start a new plant
- supporting part of plant; stalk
- H₂O; to sprinkle on or wet plants
- loam, top of earth, dirt
- grow down into ground and hold plant in place; "drink" water from soil; store food for plant

Plants grow naturally around the world. They grow where they can survive. You will find a water lily in a swampy area, a cactus in a desert and a pine tree near the top of a mountain. Sometimes we want to enjoy different kinds of plants in our own yards or homes, so we help them grow and thrive by adapting the environments in our gardens to their needs. What does your family plant?

We love to have plants around us all year long! We can build structures like hothouses that let us garden even in cold, snowy weather. Many cities, towns and businesses have special gardens. Can you match these words to their definitions?

1. garden
2. greenhouse
3. orchard
4. terrarium
- A. enclosed glass or plastic shelter for growing plants
B. land where fruit trees are grown
C. land where vegetables, fruits, flowers are grown
D. see-through box used for growing plants
- Wow! I spot a couple of hard words. If you get stuck, ask Mom or Dad!
1. stones mixed with plants in this space can look very attractive
2. heated shelter for plants
3. area with different kinds of flowers planted together
4. place where plants and trees are grown, studied, displayed; they may be rare or unusual species
1. flower bed
2. arboretum
3. hothouse
4. rock garden
1. garden
2. greenhouse
3. orchard
4. terrarium

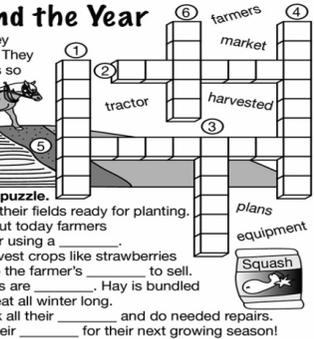

Good Gardening

To enjoy gardening you will need some tools and equipment. Can you fill in the missing letters to name the tools used in my garden?

Farming All Around the Year

Farmers have to plan what they will grow in their fields each year. They often change or rotate their crops so that the soil stays rich.

1. _ _ heel _ _ arro _
2. pi _ _ ch for _ _
3. _ _ a _ _ r _ _ ing can
4. _ _ _ _ ose
5. _ _ _ _ a _ _ ke
6. _ _ _ _ oe
7. _ _ ho _ _ e _ _
8. garden _ _ _ _ o _ _ es
1. In the spring, _ _ _ _ get their fields ready for planting.
2. Horses are hard workers, but today farmers get fields ready much faster using a _ _ _ _ .
3. In the summer, farmers harvest crops like strawberries and corn and bring them to the farmer's _ _ _ _ to sell.
4. In the fall, apples and grains are _ _ _ _ . Hay is bundled to store for the animals to eat all winter long.
5. In the winter, farmers check all their _ _ _ _ and do needed repairs.
6. Then, they have to make their _ _ _ _ for their next growing season!

1. groun _ _
2. _ _ o _ _
3. _ _ an _ _
4. _ _ _ _ rt
5. _ _ arth _ _
6. _ _ o _ _ am
7. tur _ _
8. t _ _ rra _ _ n
9. _ _ o _ _
10. terra _ _ irma _ _

Planting New Words!

The word "plant" has several meanings. Can you match each "plant" phrase to its meaning?

Farmers are the 'bees knees'!

'Bees knees' is an old saying that was used to mean that something was 'cool' or good!

1. farmers **plant** seeds on the ground
2. the batter **planted** his feet
3. crooks **plant** stolen money
4. he works at the **plant**
5. a **plant** for her window
- A. placed firmly
B. a living thing
C. put in the ground
D. hide
E. factory

- Each spring farmers plant their fields. Use letters from the word "fields" to name the places where farmers plant their crops:
1. groun _ _
2. _ _ o _ _
3. _ _ an _ _
4. _ _ _ _ rt
5. _ _ arth _ _
6. _ _ o _ _ am
7. tur _ _
8. t _ _ rra _ _ n
9. _ _ o _ _
10. terra _ _ irma _ _

Even Exchange

by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

- Prawn kin — H — — — — Economize — C — — — —
- Neckline C — — — — 100 cents D — — — —
- Pledge 10 percent — — — — H — — — — Deed — — — — L — — — —
- Toast topping — U — — — — Person at the plate — A — — — —
- Slow shell dweller — — — — I — — — — Curl one's lip — — — — R — — — —
- Saturn or Mercury — — — — T — — — — Leveling tools — — — — S — — — —
- Mighty G — — — — Halloween gift T — — — —
- Use a broom — — — — W — — — — Get some zzzz's — — — — L — — — —
- Hoodwink — — — — D — — — — Tormentful downpour — — — — G — — — —
- Gumdrop or licorice — — — — N — — — — Golfer's assistant — — — — D — — — —
