

The Sheridan Sentinel

The Official Newspaper of City of Hoxie, City of Selden, & Sheridan County

Volume 137 No. 49 Hoxie, Sheridan County, Kansas 67740 Thursday, September 1, 2022 \$1.00 Single Copy

Larry Bieker said that the event was fun and that the band, Paramount, who played at the Hoxie Implement's 60th Anniversary event, Saturday, August 27, was very good. There was a very large crowd, with cars filling the property and all along the highways and side streets in all directions. (Photos by Larry Bieker)

Golden Plains Welcomes New Staff

Mrs. Shanda Brown is the newly welcomed Middle School science teacher at Golden Plains. The students gather around her during a STEM class to work on a project. This class includes (l-r) Mrs. Brown, Marisol Perez, Bailee Flores, Dalton Miller, and Kadalen Unrein. (photo by Valeria Ortiz)

By Breanna Rath

Golden Plains Middle/High School started the 2022-2023 school year on August 18. Along with the excitement of a new year, Golden Plains welcomed six new staff members.

Shanda Brown took the position of middle school science teacher, replacing Russ Aumiller, who retired at the end of the 2021-2022 school year. Ms. Brown grew up on a farm outside of Colby where she graduated high school. After graduation, she attended Fort Hays State University.

While this is Brown's first year teaching at Golden Plains, she has had other teaching experiences including being a Para-educator in Garden City, substituting for several years, and returning to her hometown to teach Kindergarten for the past 15 years. "I decided to come to Golden Plains because I was ready to be in the classroom with an older group of kids," said Brown. "It has been a good start to the school year, and I am looking forward to continuing getting to know my students and being able to make a positive impact in their lives." In addition to teaching science, Ms. Brown serves the district as ESOL Coordinator.

Jaci Schaben is the new second grade teacher for the elementary school in Selden. Graduating from Golden Plains in 1996, Jaci is a familiar face in the GP community. She attended Fort Hays State University majoring in social work and Wichita State University for education. Before entering the teaching world, Jaci worked at Golden Plains Elementary School as a special education para-educator for 15 years. All three of Schaben's children have either graduated or are still attending Golden Plains.

"When Mrs. Miller chose to retire this past year from teaching second grade, I just couldn't let the opportunity pass by," said Schaben. "Lori has been so supportive and a great inspiration as I continue on this path. I had the opportunity to work in her classroom as a para many times over the years. I am so excited to now be a second-grade teacher!"

"We have a wonderful staff that has been so supportive and encouraging of this change," continued Schaben. "They are all like family to me. I am extremely happy to be here at GP and feel very fortunate to have been given this opportunity."

Golden Plains welcomed two new para-educators, Stephanie Spresser, also a Golden Plains alumnus, is helping out at the grade school in Selden along with another GP graduate, Amie Cheney. Pam Dipman, a Selden resident, is assisting students in Rexford while Charlotte McCurdy, another Golden Plains alumnus, joins the staff as a day care provider at the Little Paws Day Care.

Ashley Miller is now teaching preschool as Elaine Koerperich has moved to a full-time para position. She also provides at-risk services at the Elementary school. Lisa Stoll returns to the staff as school nurse.

There have been several changes in the kitchen staff as well with Delores Juenemann resuming her duties as head cook in Rexford with assistance from Joni Shaw, Kayla Korte, Linda Spresser, and Julie Cline. Jaquelyn Douglas is new to the staff as head cook at the grade school.

"Golden Plains has been very fortunate to begin the school year fully staffed," said Ashley Arnberger, Principal. "I am so pleased that each and every one of our new staff members has joined our district. They have all been wonderful additions to our school."

CELEBRATING 60 YEARS IN BUSINESS

Hundreds of guests were treated to a meal and entertainment. The 'older' crowd were the early guests, but as the band began, the 'younger' crowd poured in.

Congratulations

KOMAKORA TRAINING SEPTEMBER 22 IN HOXIE

A training workshop for information on Kansas Open Meeting Act (KOMA) and Kansas Open Record Act (KORA) will be held Thursday, September 22, at the Bowen Scout House, 1117 Sheridan Ave., Hoxie, from 10am-2:45pm. Cost for the 'brown bag' event is \$25, so be sure to bring your own lunch. We will eat together while learning about KOMA/KORA. Tea, water, and snacks will be available during the event. This workshop is sponsored by *The Sheridan Sentinel* and Kansas Coalition for Open Government.

The speaker will be Max Kautsch, Kansas Press Association (KPA) Attorney. He will teach about KOMA/KORA and answer any questions attendees may have.

KOMA applies to state and local public agencies (those related to the government). It does not apply to private entities. The KOMA also applies to any subordinate group formed by such public agencies (e.g. committees, sub-committees, etc.). This means that KOMA applies to state boards, commissions, committees, city councils, county boards of commissioners, township boards, rural water district boards, public library boards, etc. and most groups formed by such entities in order to assist them with public business. The KOMA **does not** apply to private persons or meetings of private groups such as homeowner's associations, church groups, private clubs, private businesses, political party caucuses, etc. (Source: <https://ag.ks.gov/open-government/koma-faq>)

KORA applies only to public records, which are records made, maintained, created or possessed by a public agency (i.e., a branch of the state or local government). Deadline to register is Friday, September 16. (Source: <https://ag.ks.gov/open-government/kora-faq>)

Schedule:

10am-12pm - KOMA training
12-12:30pm - Lunch break
12:30-2:30pm - KORA training

The sign-up link for the KOMA/KORA Workshop is: <https://bit.ly/3TdJsV5> or contact *The Sheridan Sentinel* at editor@sheridansentinel.com or 785-675-3321.

Public Health Offering New Progrms

The Health Department is offering new programs to help the community. The Health Department is trying to find ways to complement the health services offered to our community. We have a great mix of folks who truly care about our community and making it great, and I'm excited to be able to be a part of that. Both of these programs are offered as a free will donation to our community so that cost is not an obstacle to improving health.

The first program is the Healthy Heart Ambassador Program (HHA). This program is a CDC-recognized self-monitoring blood pressure and nutrition education program facilitated by a trained coach through the health department. Participants use blood pressure tracking to inform lifestyle changes. The program lasts four months, has weekly supportive messaging, meets twice a month for a short office visit, and meets monthly for a nutrition education seminar. Eligible participants include those who are 18 years old or older, have a hypertensive diagnosis or are on an antihypertensive medication, and are interested in and ready for the program. The HHA program is not able to help if you have had a significant cardiac event in the last six months, or have atrial fibrillation or another arrhythmia, or have or are at risk for Lymphedema.

The second program that the health department is offering is the Arthritis Foundation Walk with Ease. Although this program is through the Arthritis Foundation, it can benefit anyone wanting to get started with a walking program. Walk with Ease has been shown to reduce pain and discomfort of arthritis, increase balance, strength, and walking pace, build confidence in one's ability to become physically active, and improve overall health. If you can be on your feet for 10 minutes without increased pain, you can have success with Walk with Ease. Group participation is for 18 sessions composed of three meetings per week for six weeks. Sessions last about an hour.

If you are interested in either or both of these programs, please call the health department at 785-675-2101.

I am writing this on Sunday. Another 100-degree day. It will soon be September. Will we get relief from some of this heat and some rain?? We surely hope so.

I missed going to church this morning. I just have a difficult time getting there at 8:00 a.m.

Some of the Jennings people attended the Leoville Bazaar today.

Karl's at Selden got in a truck load of peaches on Thursday. Several from Jennings went up and got them.

Jonathan Cressler, Oberlin, son of Betty Cressler and late Alfred Cressler, had a heart attack on Thursday. He was flown to Kearney hospital. After getting two stents put in, he returned home to Oberlin on Saturday and he is doing well.

The Historic Building Preservation Committee plans to bake kolaches for the Highway 36 Treasure Hunt to be held Thursday, Friday, and Saturday, September 15-17. Anyone who can help, please contact Marge Hartzog 785-678-3010. Baking day will be September 14. The Kolaches will be sold in Norcatur as in past years.

Because of the scheduling of Kolache baking on September 14, the Sunflower Senior Potluck, Bingo, and the United Methodist Women meeting originally scheduled for the 14th will instead be held on Tuesday, September 13.

Prairie Winds Retired Educators Meeting

The Prairie Winds Retired Educators group is finally meeting again after two years. The group is open to all retired teachers, paraprofessionals and support staff and they can bring any guest they wish. We are meeting in the Student Union of Colby Community College in Colby on September 13, at 11:00 am. The lunch and business meeting will be in the Fireside Lounge before touring the campus. For more information call Penny Arnoldy at 785 470-1830 or at parnoldy125@gmail.com. The group meets several times a year in different places in northwest Kansas and those places for next year will be decided at this meeting.

Thank You!

The Family of Mary Heim Niblock wishes to express their thanks to family, friends, and the entire community for their compassion, thoughtfulness, and support. Your outpouring of kindness through gifts of food, memorials, masses, cards, and visits is greatly appreciated. We are so thankful for the outstanding care that she received from the professional Sheridan County EMTs, the Sheridan County Health Complex, and the Sheridan County Long Term Care. Mickey-Leopold Funeral Home served our family well and assisted us in creating a beautiful farewell. Thank you.

Our love and prayers to all,
Don, Missy, Donnie, Dan (Tub), Mindy, Michaela, and the entire Niblock Family

The Selden Pinochle group gathered to play their game of pinochle and enjoy lunch together last Thursday. Last week's group included Boyd Wilson, Bob Wessel, Lillian Sulzman, Ellis Walker, Steve Skubal, Shirley Emigh. Pat Wessel held high score with 623, Alfred J. Albers held second high score with 614, and Bernadine Spresser the most queens. The game and meal were enjoyed by everyone.

Out of the Darkness Comes a Beacon of Light

August 25, 2022 Scent-Sations, Inc., creator of Mia Bella's Gourmet Candles has announced a new Limited Edition candle to support suicide awareness during the month of September, Suicide Awareness Month.

In order to help raise awareness, "Out of the Darkness Walks" will take place in cities nationwide by those affected by suicide and those who support them and are a journey of remembrance, hope and support. They unite communities and provide an opportunity to acknowledge mental health conditions and suicide and how they affect the lives of those we love and care about. People need to know that they are not alone.

On sale now, proceeds from the sales of this new candle, "Hope" are being donated to help support the American Foundation for Suicide Prevention.

Long known for its commitment to various charities, Scent-Sations, Inc. has donated tens of thousands of dollars over the years to Make A Wish Foundation, Children's Miracle Network, Susan G. Komen For The Cure, the Ukrainian people, and dozens of military charities and their families.

Scent-Sations, Inc. CEO Bob Scocozzo, one of the company's owners had this to say:

"Suicide is something that most of us cannot comprehend. This Limited Edition candle, "Hope" is designed to create awareness about the tragedy of suicide and to let people who are going through dark times know that they are not alone. They have support. They don't have to feel like there is no other choice. Our amazing distributors as well as our customers always step up to help make a difference in whatever cause we support, and suicide awareness is no different."

This Limited Edition "Hope" is a 16oz jar candle that features grey wax (a first for the company), and and the phrase "Hope is being able to see that there is light despite all of the darkness." The label is light blue with black lettering and features pictures of two flowers. Fragrance is a pleasant blend of Lavender and Sandalwood.

Candles may be purchased online from www.burnmiabella.com or from any one of thousands of independent distributor web sites for \$21.94 plus a flat \$7.95 (US) shipping charge regardless of quantity ordered. Proceeds from the sale of each candle will be donated towards American Foundation for Suicide Prevention.

For additional information, please direct all inquiries to Bob Scocozzo, CEO of Scent-Sations, Inc. by email to bob@scent-team.com or by calling 570-704-4700.

COMMUNITY MEETING

SAVE THE DATE

September 6th

ER Remodel and Expansion Project

The Sheridan County Health Complex welcomes the public to an informational meeting on the proposed addition of a new Emergency Room facility to our hospital. The proposed addition would include two modern emergency trauma bays as well as an exam room. The hospital anticipates utilizing a USDA loan in addition to pursuing various grant opportunities, state tax credits, and operational funds to finance the project. The meeting will be held in the SCHC conferencer room on Sept. 6 at 6pm.

Commission Minutes 8/23/22

Now on this 23rd of August 2022, the Board of Commissioners, Sheridan County, Kansas met in regular session with Chairman Wes Bainter presiding. Others present were Joe Bainter, Mike "Buck" Mader, County Attorney Joe Pratt, and County Clerk Heather Bracht. Guests were Carolyn Meyer and The Sheridan Sentinel.

At 8:00 a.m. Wes Bainter called the meeting to order.

Those in attendance stood and recited the Pledge of Allegiance.

Joe Herskowitz came to the table. Herskowitz discussed the state cost share program for use on paving the golf course road. The application process is open with a deadline of September 15. The Board would like Darrick Zerr, City of Hoxie Mayor, to come to the next meeting to discuss in

further detail what the City's plans are. Jerol DeBoer from Penco Engineering could possibly be available by phone.

Joe Bainter stated the 6/10ths of a mile east of Selden needs repaved and has been a problem before the road to the golf course.

There was discussion about some roads that are being worked on.

Wes Bainter stated the low water crossing at the county line and the low water crossing at 20E looked good, excellent work. There was discussion about signage in these areas.

Joe Pratt stated he is working on the water permit for a low water crossing. He will talk with Bracht after the meeting for property owner information.

Settlement correspondence was sent to the attorney representing the oil company and hopefully will have a response prior to the court date in September.

Bracht presented bill from Govbuild for the annual renewal

Kansas Crop Progress and Condition

For the week ending August 28, 2022, there were 66 days suitable for fieldwork, according to the USDA's National Agricultural Statistics Service.

Topsoil moisture supplies rated 44% very short, 36% short, 19% adequate, and 1% surplus.

Subsoil moisture supplies rated 44% very short, 37% short, 19% adequate, and 0% surplus.

Field Crops Report Corn condition rated 24% very poor, 26% poor, 28% fair, 19% good, and 3% excellent. Corn silking was 96%, near 100% for both last year and the five-year average.

Dough was 85%, behind 90% last year and 91% average. Dented was 61%, equal to last year, and near 64% average. Mature was 24%, ahead of 11% last year and 16% average. Harvested was 8%, ahead of 1% average.

Soybean condition rated 17% very poor, 24% poor, 32% fair, 24% good, and 3% excellent.

Soybeans blooming was 94%, equal to last year, and near 95% average. Setting pods was 78%, near 80% last year, and behind 84% average. Dropping leaves was 3%, near 5% both last year

Meat the Future: Thank-You 4-H Parents & Supporters!

By Jenilee Godsey, Twin Creeks Extension District Youth Agriculture Agent

County fairs in the Twin Creeks Extension District have come to a close. While it is always nice to check county fair off the list, I always enjoy another year of watching the youth showcase their exhibits that they invested so much of their time and energy into!

As a former 4-H member, show pig producer, and extension agent I am fully aware of the blood, sweat and tears it takes to prepare exhibits for their grand debut at any show, but especially the county fair. And, so much of it wouldn't be possible without the help of parents, siblings, teachers, 4-H club leaders, project leaders and other supporters who guide our youth as they perfect their projects.

I also know how easily a proper "thank-you" to those helping hands can slip through the cracks during such a chaotic time... therefore, I wanted to extend a sincere "THANKS!" to you! To shape my thoughts, I spent some time looking at other articles that provided the proper thanks to similar individuals. I found an article on the Raised in a Barn website that was titled "Thank You Parents of FFA Members" and felt that it was fitting to share!

• Thank you for either inspiring your child to join 4-H (FFA), or saying, "Go for it" when your child asked if they could or should join. You might have never heard of this organization until your child came home talking about how cool it seemed, and ever since that day you have become a proud parent of a 4-H or FFA member.

• Thank you for working countless concession stands, and fundraising events to help the organization. It's a lot of work, and it is time consuming. That didn't matter to you, you still took time to help those kids out.

• Thank you for dragging a trailer full of livestock down the road to the fair or taking a van full of kids to a judging competition. You like helping these kids out, and don't mind spending time with them.

• Thank you for spending those early morning and late nights for competitions. You sit in the stands and cheer the team on.

• Thank you for pushing your kids to be the best they can be. You watched your child grow in their time spent in 4-H and FFA, and you pushed them to do their best and be their best.

• Thank you for helping other kids out. It doesn't matter what their last name is, if they share the same passion, they're "your kids."

• Thank you for not being afraid to get dirty. You didn't mind working the show ring and helping catch a loose calf. You got your hands dirty anyway.

• Thank you for being a parent to an 4-H or FFA member. They might not thank you all the time, but they are thankful for you.

Thank you, parents!

Some information in this article has been adapted from an article written by an unknown author, titled "Thank You Parents of FFA Members" and can be found here: <https://bit.ly/3kypvHR>.

Jenilee Godsey is a Youth Agriculture Agent for the Twin Creeks Extension District which covers Decatur, Graham, Norton, and Sheridan counties. Email her at jenileem@ksu.edu or reach her by telephone at the Graham County Office, (785) 421-3411.

and average.
Sorghum condition rated 19% very poor, 29% poor, 33% fair, 18% good, and 1% excellent.

Sorghum headed was 80%, behind 92% last year and 91% average. Coloring was 25%, well behind 45% last year, and behind 38% average.

Cotton condition rated 10% very poor, 27% poor, 37% fair, 23% good, and 3% excellent. Cotton bolls opening was 21%, near 18% last year, and ahead of 11% average.

Pasture and Range Report: Pasture and range conditions rated 36% very poor, 29% poor, 24% fair, 11% good, and 0% excellent.

Sorghum Crop Update

By August 21, seventy-nine percent of the nation's sorghum acreage had reached the headed stage, 10 percentage points behind last year and 7 points behind the 5-year average. Thirty-seven percent of the sorghum acreage was at or beyond the coloring stage by August 21, five percentage points behind both last year and the average. By August 21, twenty percent of the nation's sorghum was mature, equal to last year but 2 percentage points behind the average. Twenty-five percent of the nation's sorghum acreage was rated in good to excellent condition on August 21, two percentage points below the previous week and 37 points below the same time last year.

Fall Sorghum Grower Magazine: Photo Submissions

Get your camera (or even phone camera) ready, we want to see your sorghum field! Submit your field photos to <https://sorghumgrowers.com/thisissorghum/> or tag us in your #FromTheField photos on social media for a chance to be featured in the upcoming Fall edition of the sorghum grower magazine!

21st Century Global Sorghum Conference Set

The 2023 Sorghum in the 21st Century Global Sorghum Conference has been set for June 5-9, 2023, at the Corum Event Center in Montpellier, France. This year's theme is Resiliency and Sustainability in the Face of Climate Change. More information will become available at 21centurysorghum.com.

MYTH SMASHERS

MYTH:

NEWSPAPER ADVERTISING DOESN'T WORK.

REALITY:

GOOGLE'S OWN RESEARCH SHOWS THAT 56 PERCENT OF CONSUMERS RESEARCHED OR PURCHASED PRODUCTS THEY SAW IN A NEWSPAPER. GOOGLE ALSO SAYS THAT NEWSPAPER ADVERTISING REINFORCES ONLINE ADS: 52 PERCENT ARE MORE LIKELY TO BUY PRODUCTS IF THEY SEE IT IN THE NEWSPAPER.
