ANNUAL MEETING

Hoxie FFA helped serve the guests at last nights Sheridan County Conservation District Producer Appreciation and 77th Annual Meeting, L-R Drew Bell, Drew Bretz, Marissa Porsch, Easton Nicholson, Kash Schultz and Sam Watkins. (Photo by Coleen Shepard)

this year's Sheridan County Conservation District Annual Meeting, Doug Robben was elected for another 3-year term.

The dinner was a delicious pulled pork with macaroni salad and cherry cobbler type dessert.

Tanya Allamang with the NRCS Office gave a very interesting informational presentation on Playas, otherwise Jaylen Herl received first place on her known as Buffalo Conservation District poster, "Healthy our area for prairie (Sheridan County ecosystems and also District photo)

ponds and rainwater was awarded 3rd place at State. Both basins, their purposes girls shared their projects at the recent and importance in Conservation District Annual Meeting. recharge.

As well as a discussion about the available programs for their conservation

Information can be found at the NRCS office.

Water Smart", and third place at State.

Forests, Healthy Communities". She

Conservation

If you have donated blood in the past, you normally receive a reminder post card from the local coordinator. Due to cutbacks by Red Cross, reminder postcards will no longer be sent! We are hopeful this will not affect our turnout.

As of today, we have 58 of the needed 73 donors for the Tuesday, February 8, Drive. It is scheduled from noon to 6 pm at the 4-H Building in Hoxie. If you would like to sign up for an appointment time, you may call Marty Cressler at 785 675 8765, or go to www. redcrossblood.org.

Remember to drink plenty of water and fruit juices in the 24hour period before you donate (48 hours is even better!). That will help to make the process go more smoothly.

Duet Sings National Anthem

National Anthem — Golden Plains senior Rayna Taylor (left) and Breanna Rath (right) perform the National Anthem with pride to start

the high school basketball games against Bethune, CO on Saturday, January 22. The girls consistently open the varsity games by singing for the crowd, then performing for the Lady Bulldogs on the court. (Photo by Judy Rogers)

Indian Wrestlers Continue Winning

By Coleen Shepard School's High Hoxie domination wrestling continued last Thursday with a 58.0-18.0 varsity dual win over Goodland followed by League title win on Friday. With eight falls and one major decision win the varsity wrestlers easily defeated the Cowboys earning their seventh dual win of the season. Tate Weimer (113lb), Carson Ochs (126lb), Dayton Bell (132lb), Drew Bell (138lb), Duncan Bell (145lb), Derek Johnson (160lb), Sam Watkins (170lb), and Donovan Balluch (195lb) pinned their opponents. Kash Schiltz (106lb) won by major decision and Wayne Shepard (120lb) and Gavin Schippers (285lb) suffered close decision losses (5-4 and 3-2 respectively.)

The next day the Indian wrestlers traveled to Trego Community High School to compete for both team and individual league titles at the MCL Tournament. Earning 17 falls, two Technical Falls, six decision wins and one sudden victory win the Hoxie wrestlers tallied 204.0 team points and claimed the MCL Team Title by a margin of 84 points. Hoxie also had seven individual champions, two runner-ups, one 3rd and one 4th place finishers.

Kash Schiltz (106lb) placed 4th. Schiltz pinned Tate Blackill (WaKeeny-Trego) and suffered decision losses to Will Tucker (Smith Center) and Alexander Hamel (Hill City) and loss by fall to Theo Keesee (Phillipsburg.)

Runner-up Tate Weimer (113lb) pinned Landon Erickson (Smith Center) and Garrett Billips (Hill City.) Weimer Defeated Patrick Driggs (Phillipsburg) by decision but lost in the finals to Oakley's

Carter Krier.

Wayne Shepard (120lb) placed 3rd. Shepard defeated Seamus Holmes (TMP) fall and lost by major decision and decision to Kaden Sisson (Phillipsburg) and Mason Younger (Ellis.)

Carson Ochs (126lb) won all his matches by fall. Ochs pinned Emerson Lowry (Stockton), Brayden Binder (TMP) and Carter Underhill (Hill City) to claim the Champion medal.

Drew Bell (138lb) and Duncan Bell (145lb) brought home Champion medals with Dayton Bell (132lb) winning a second-place medal. Drew pinned Dayton Stephens (Hill City) and defeated Bentley Montgomery (Smith Center) by decision to claim the champion medal while remaining undefeated for the season. Duncan earned a fall against Alex Wilkinson (Smith Center), and a decision win over Seth Keeten (Phillipsburg.) Dayton placed defeated Carson Meitl (Phillipsburg) and Logan Normandin (Plainville) by fall but lost by major decision to Kolton Field from Norton in

Dayton Bell cradling Carsen Meitl (Phillipsburg) (photo by Coleen Shepard)

the finals.

Champion Drew Bretz (152lb) won by technical fall over Colby Menagh (Norton) and Tristan Ryburn (Oakley) and pinned Tanner Sells (WaKeeney-Trego) in the finals.

Derek Johnson (160lb) also

claimed a champion medal with a fall against Kevin Russell (Phillipsburg) and a decision win over Aiden Amrein (Hill City.)

170-pound Sam Watkins earned his champion medal

Soup'er Bowl and Silent Auction

The Hoxie Hotrodders Lions Club is inviting everyone to a Soup'er Bowl Benefit Auction on February 13, 2022, at the Sheridan County 4-H Building from 11 am to 1 pm. There will be soups, cinnamon rolls, relish trays and desserts. The meal is a free will donation. There will be a silent auction during this time as well. If you prefer, there will also be drive-through service on the east side of the building.

There is always someone in the area in need of help. In the past, the Lions Club has purchased eyeglasses for families with financial stress. There are monthly donations to HAMA to help them keep the food pantry stocked. A scholarship is offered to any senior going into the fields of ophthalmology or automotive

As a non-profit organization with approximately 40 members, the Hoxie Hotrodders like to keep their donations in Sheridan County. They also produce one of the largest car shows in Northwest Kansas, which is a substantial benefit to many businesses in the

Thank you to the sponsors that support the Lions Club throughout the year. With over 160 sponsors, none of these things would be possible. There are many Sheridan County residents that give of their time to volunteer for the Rod Run, with Sheridan County EMS, Sheridan County Fire Department, city and county law enforcement, and many others assisting at the drag races and the downtown events. Also, thank you to *The Sheridan Sentinel* for the amazing magazine that you helped us to produce.

"These people are what make Sheridan County so great and unlike any other county around. This is also true for the Sheridan County Amusement Company and many other organizations. Without the volunteers these events would not be able to happen," said Lions Club member Rick Moss. "This is the honest truth, and this is why our car club is so successful. See you at the Soup'er Bowl Benefit on February 13. Bid high on those silent auction items!!"

If you would like to donate to the auction or would like more information, call 785-675-9070 or 785-874-8309.

Dear Kansas Tax Payer,

Sheridan County Health Complex in Hoxie, KS is applying to Department of Commerce's Community Service Tax Program. This program has assisted Kansas healthcare entities in obtaining funding for capital improvements since 1994. Our hospital was built in 1952 and we have found the need to perform renovations. As Phase One comes to completion in the

Acute Wing Hospital, the need for additional renovations became apparent

In phase one, individual bathrooms for every room were built including private showers. Headwalls at the head of each bed were installed to accommodate today's technology. The headwall houses our call light system, oxygen delivery, and suction system. In Phase Two, we are seeking funding for the facility to renovate our Emergency Department, Outpatient Procedure area, Specialty Clinic, Hoxie Medical Clinic, Long-Term Care, and Public Health. We have engaged the services of an architect who specializes in upgrades to Critical Access Hospitals and Healthcare facilities such as ours, and he has come up with a plan that is a perfect fit for our facility.

As we continue to look to the future and provide professional, compassionate care, close to home, we ask for your support in building our future for generations to come. We are currently seeking pre-pledges to this tax credit program to reach our goal in Phase 2 of our renovation titled "SCHC Expansion and Remodel Project". We will be applying for the maximum of \$357,142.85. This amount, in addition to Federal Grants, Hospital and Hoxie Medical Clinic Board of Trustee Funds, and a USDA Loan paid with revenues from the Hospital will ensure a successful project. The tax credit program is offering a 70% return on every pledge of \$250.00 or more. This pledge will help cover a portion of your Kansas tax obligation with any remaining overages returned to you in the form of a cash check. You may qualify for additional amounts from the IRS and your tax preparer can estimate this for you. Your entire contribution qualifies as a donation to Sheridan County Health Complex.

We are a non-profit, 501c3 entity under the IRS ruling. Our deadline for raising the total number of pledges is June 15, 2022. The tax credit awards will be announced in August 2022. If awarded, we will collect your actual cash pledges to this program. You may pledge for both 2022 and 2023. Enclosed, please find a tax credit pledge form. Please return it to us using the address provided below to the attention of Michael O'Dell, SCHC CFO. We can be reached at 785-675-3281 for any further questions about our project. Thank you for your consideration and continued support of your local healthcare

Weather permitting the Sunflower Senior potluck will be Wednesday, February 9, at noon in the senior center. All are invited to join us.

Grainfield Opera House Presents "It's Showtime"

The Grainfield Opera House is excited to tell you that we are having a play live on stage by the Hays Community Theater. It will be held at 2:00 P.M. Sunday, February 20, called "It's Showtime". Come and enjoy; it's for all ages as the production will provide fun and drama for the audience. If you want to bring your kids, there are snippets from different productions that kids will really love.

There are some comedic moments, but there are some serious moments that are going to pull at your heartstrings that, you know, just give it a little bit more meat. You're going to see maybe some things you've seen in the past that might help rekindle some memories, reminisce a little bit, see some things that you may not have seen before and hopefully make new memories and just

Join us February 20 at 2:00 P.M., for a fun afternoon of music, dance, time travel through your favorite Broadway shows, musicals and TV comedies. Featuring a wide variety of local actors, singers, and dancers from the Hays area. This is a show you won't want to miss!! Put on by Hays Community Theater.

Tickets are \$15.00 each. Mark your Calendar and contact Diana Kaiser 785-938-4416 or Ron Eberle 785-673-9519 for tickets or e-mail kaiserdd@ruraltel.net to reserve a seat.

DoI #400 Merges with DoI #686

Have you ever eaten a piece of pie at the Grinnell After Harvest Fest or dined on casseroles at a Grinnell Gab Pride luncheon? Or better yet, are you old enough to have tasted a hamburger after a wedding dance in Angelus or enjoyed a smorgasbord meal at the Angelus K of C Hall in the 80s and 90s. That food was prepared by the members of St. Paul Circle #400 Daughters of Isabella, known for being great cooks. But that has come to an end. The aging Circle has merged with St. Catherine Circle #686 of Oakley. Their final meeting was in December and merger papers were signed in

The Daughters of Isabella is a Catholic organization for ladies with the motto of Unity, Friendship, and Charity. It began in 1897 in New Haven Connecticut as a sister organization of the Knights of Columbus. The two entities held their conventions at the same time with meetings separate but combined social activities for many years. The State Circle was formed in 1927 and presently holds biennial conventions with a meeting and elections. The conferences on opposite years are a time of spiritual renewal.

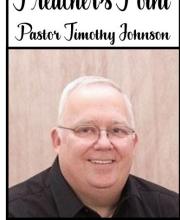

St. Paul Circle had forty-eight ladies on its charter granted in 1927. In 1943, St. Paul Circle helped form St. Catherine Circle #686 Oakley and Sacred Heart Circle #688, Park. In 1989, several ladies from the former St. Martin Circle #260. Leoville transferred to St. Paul as did one from Mother Cabrini Circle #778 Ransom. In the early 1960s, the Circle had sixty-one members.

The organization was a perfect fit for farm wives in the 1920s, combining a spiritual aspect along with social activities. The Circle was a central part of St. Paul Parish in Angelus; its members were active in charitable projects and civic affairs. The Circle helped the Knights furnish the K of C Hall kitchen to serve large crowds and helped in the upkeep of the K of C Hall. It hosted initiations and celebrated its 25-, 50-, and 75-year anniversaries. In 1966, St. Paul and St. Catherine Circles hosted the State Convention with a barbecue and square dance held in Angelus. Their luncheon meetings were first held in the K of C Hall, then the St. Paul church basement and finally in 1997, the Circle moved to the Immaculate Conception Parish Hall. Steep steps and gravel roads were the reasons the aging members voted to move to Grinnell.

It is fitting that St. Paul Circle was one of the five hosting Circles for the State Convention held in Hays in September 2021. Along with Oakley, the Circle served the Friday evening meal. Yes, the ladies were serving food to the end.

Why People Do Not Trust the Government

I was born late in the Eisenhower administration. One of my earliest memories in life is the Kennedy The assassination. president I remember watching on TV is Johnson. I offer that information only to give you an idea of when I grew up.

On social media, I see pictures of kids from the fifties and sixties in line receiving their vaccinations with smiles on their faces. A caption will read something to the effect that we all got our shots back

in the day, and we should get them today.

Back in the days of polio and smallpox vaccinations Americans trusted the government. Politicians would have different opinions on policy. Still, even with different views, each side considered the other sincere and honest.

After the Kennedy assassination, many people believed someone fired a weapon from the grassy knoll. But the majority of the populace at the time accepted the Warren Commission that Oswald acted alone. Overall, America still had faith in Uncle Sam.

Then, along came Watergate. We only had three television networks back then, and each of them carried the hearings all day long - for months. Day in, day out, witness after witness, America learned that their President was a liar and the ringleader of a bunch of thieves.

After Watergate, there was no chance any Republican would win the Presidency. America voted in the good ol' boy with the big smile and the reputation of being honest - Jimmy Carter.

Jimmy Carter is a good man, but the economy tanked while he was in office. Still looking for someone to trust, America elects possibly the most charismatic President ever - Ronald Reagan.

As popular as he was, Reagan still had his scandal - Iran/Contra. America watched as Oliver North took the fall. Many looked to North as a hero, but trust in the government took a hit.

With both Presidents named Bush, the media constantly ridiculed their intelligence, raising doubt in the competency of those holding office.

When it comes to President Clinton, does anyone believe the line, "I did not have sex with that woman!"? When we think someone lies, it is only natural to lose trust in them and the position they hold.

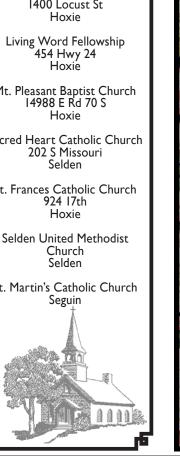

Scandals continued during the Obama years. He lost the trust of many veterans and military supporters with the Benghazi controversy. Trust in the government was disintegrating. Then, along came Trump.

The first time I heard Trump say, "Crooked Hillary," I turned to my wife and said, "He just won the election."

Why did I believe he just won the election? Because of everything that had happened since the Kennedy assassination, which is much more than I listed above, the country did not trust politicians. When Trump called Mrs. Clinton a crook, he said what many people were thinking but what no one thought they would ever hear from the lips of someone running for office.

Regardless of what you think of President Trump, his four years in office brought more distrust of the government day in, day out. There was a daily

SHERIDAN COUNTY HEALTH COMPLEX

SCHC SEEKING EXPERIENCED CEO

Sheridan County Health Complex (SCHC) is seeking a dynamic, experienced Chief Executive Officer (CEO) to lead our Health Complex.

SCHC includes an 18-bed critical access hospital, 32-bed long term care facility, Public Health, Federally Qualified Health Center, and satellite clinic.

The CEO is responsible for all day-to-day operations of the facility. This position is accountable for planning, organizing, and directing the facility to ensure that quality patient care is provided and that the financial integrity of the facility is maintained. The CEO ensures compliance with applicable laws and regulations, as well as all policies and procedures set forth by the Board of Trustees and Medical Staff, and those required by Medicare Survey Standards.

The CEO is responsible for creating an environment and culture that enables the facility to fulfill its mission by meeting or exceeding its goals, conveying the facility mission to all staff, holding staff accountable for their performance, motivating staff to improve performance and being responsible for the measurement, assessment and continuous improvement of the facility's performance. Prefer a Bachelor's or Master's degree in healthcare or business administration and five years experience in a leadership role in a healthcare/hospital organization.

For immediate consideration, please send a detailed resume to: SCHC, Attn: Human Resources, PO Box 16,7 Hoxie, KS 67740, or email to Shelby Moss at smoss@schcmed.

To view a full job description or to apply online, please visit the SCHC website, www. schcmed.com/careers.

Pay will be based on education and experience.

KENOXIE ARCHIVES & MUSEUM'S Now & Then

The Sheridan Sentinel Thursday, February 3, 2022 Page 4

Compiled by Rachel Farber, Archive Director

The Hoxie Democrat

Friday, February 3, 1888

A great deal of plowing has been done in the past week. The farmers are all in good spirits and will plant every acre that they can the coming

The North Western Emmigration society organized at Beloit last week, and it, with the assistance of the railroads and newspapers, will be the means of developing the north-west more in the next six months, than has been done in the past five years. We will tell you more of this association in the future.

Mr. and Mrs. Dankoff, nee Maud S., were in the city last Monday making some heavy purchases. Borland & Ramsay sold them \$95 worth of dry goods and groceries, and Charlie Arnold them over \$100 worth of furniture, and the end is not

On last Saturday ye scribe in company with W. F. Schultheis, drove to Oberlin. To say that we were surprised, will not near express it. Oberlin in the last year has grown to be a city with fine brick buildings for business, palaces and dwellings. "The end is not yet." We visited the *Herald* office and found Brother Burch and the old stand by, Geo. Hand, nicely located and bearing all the evidences of prosperity. The Eye and Opinion offices came next in order, but we found them closed and presumed their proprietors were attending divine worship. The land office was next visited, and we found that it also was taking a rest. After viewing the city we took dinner at the Oberlin house, which is presided over by that prince of hosts, May. The many friends whom we met are too numerous to mention, suffice to say is that we had a splendid time, and departed with the firm conviction that Oberlin has the most good and sociable people to the square inch of any town in the north-west. We hope she will continue to grow and improve until it will be second to city in Kansas.

Mr. W. E. Comer and wife will soon be residents of our city. Prairie schooners are passing through our town

Hoxie is entitled to some convention this fall as

it is one of the best cities in the district. R. H. Lynam was intown the first of the week.

Dick says we are going to have a railroad. C. H. Dow and wife, Dr. A. C. Campbell and

wife, John Campbell and wife were in the city last M. A. Chambers returned from Beloit last

Wednesday where he had been attending the meeting of the congressional committee and the North-western Emmigration society. Dr. Seely, the dentist, has arrived and can

be found in his office, the first door north of the Hoxie bank. All needing work in his line should call immediately. He comes highly recommended and guarantees all his work.

February 2, 1922 Hoxie to Have Sewers

We are publishing the sewer ordinances this week which were passed by the City Commission at their last meeting. A general idea of construction and payment of the sewers may be had by reading the ordinances.

We are informed that it will be much cheaper to install the sewer system now when the water system is being constructed than to do so latter. So, after giving the matter much thought, the commissioners have decided to act now. Labor and material are down to a very low basis. A sewer system and a water system go hand in hand. A water system, without a sewer, would beget many cesspools, which are unsanitary and dangerous to public health.

There seems to be a number of the town's citizens who want both, so the commissioners are trying to act in accordance with their wishes.

Local News

NWKS, STATE & NATIONAL

Senator Rick Billinger Newsletter

First off, I would like to thank everyone who braved the cold for the Rally for Life and march held last week on the Capitol steps. It was great to see so many people at this rally especially the people from the 40th District in Western Kansas even when the road conditions were snow and ice. We would like to remind the voters of a very important date, August 2, 2022, the Value Them Both Constitutional Amendment will be on the ballot. You can protect the most vulnerable by voting YES on the Value Them Both Amendment.

Every ten years the legislature is required to redraw the congressional, senate and house district maps according to the growth in each district. In preparation for the congressional map our committee held 20 Town Hall meetings along with many opportunities to participate virtually. Much of the growth in the State of Kansas was in Wyandotte and Johnson counties. These two counties saw the largest growth in residents. By law, congressional districts require the same number of residents in each district, therefore, Johnson and Wyandotte counties could not remain in the same district. It was decided after much testimony from the people in Johnson County that Johnson County should remain whole and Wyandotte County would be split as it has been numerous times in past maps. The dividing line in Wyandotte County is along I-70 west and east to the Kansas River. The bedroom communities of Miami, Franklin, and Anderson County joined Johnson County in the 3rd District. With this map District 3, Congress woman Sharica Davis, would have still won this district as would have President Biden and Governor Kelly. The only district that needed little or no change was District 4, which included Wichita and surrounding counties. The balance of Wyandotte County joined District 2, which it had been part of in past maps. The Second District includes several military installations, including Ft. Riley, Ft. Leavenworth, Forbes Field, and the Kansas National Guard. The First District needed an increase in population, which required moving east to get the required number. The new map goes east and includes Lawrence, KS, the University of Kansas, Kansas State and Fort Hays State University in the 1st District. The challenge in redistricting is a math problem that requires that we have the same number of residents in each district.

On Thursday, the Kansas Senate adopted legislation which includes a substantial development incentive for the purpose of spurring large economic development investment in Kansas. The initial target of the incentive package is a \$4.0 billion manufacturing project that would employee over 4,000 people and is one of the most significant private sector investments in

The package, as it passed the Senate on Thursday, is known as the Attracting Powerful Economic Expansion Act or APEX Act. APEX would establish new economic development incentives targeted at specific industries that agree to invest at least \$1.0 billion within the State of Kansas. The APEX Act also targets incentives at the suppliers involved in the APEX project.

The APEX Program would be under the purview of the Secretary of Commerce for the purpose of attracting large capital investments in new facilities and operations by businesses engaged in specified industries and encouraging the development of Kansas based supply chains. To help drive taxes down for all who do business in Kansas, an important provision of the bill would lower the corporate income tax the year after a qualified firm or supplier receives benefits under the law. Qualified firms under the bill would be for-profit businesses subject to state income, sales, or property tax that is engaged in one or more of the following industries as determined by the Secretary of Commerce: Advanced manufacturing, Aerospace, Distribution, logistics and transportation, Food and agriculture, Professional and technical

The bill provides exceptions to the definition by stating that a for-profit business establishment in any industry is eligible as a "qualified firm" if it is seeking benefits to relocate or establish its national corporate headquarters within the state. Additionally, a project would need to be completed within five years. Incentives available under the bill would include investment's tax credits, reimbursement of percentage of total payroll, reimbursement of a percentage of eligible employee training and education expenses, partial real property tax exemption, sales tax exemption for construction costs of the qualified business facilities. Qualified firms and suppliers would not be eligible to participate in other economic development programs currently in existence, and they would be required to cooperate with any audit undertaken by the Department of Revenue.

To ensure proper oversight, the firms and suppliers would be required to provide information required for publication in the Economic Development Incentive Database, as well as reports required to be submitted to the governor and the legislature, among other provisions to ensure property transparency and accountability. To ensure oversight occurs in the short-term, a sunset of March 31, 2023, was added, to ensure that the legislature reviews the provisions of the APEX Act in just one year. The bill was rushed through the process in order the allow commerce enough time to negotiate their offer to the prospective company. I believe Kansas needs to be careful when making huge concessions

Building a Stronger Economy (BASE) Grant Application

Governor Laura Kelly, today, announced the launch of the Building a Stronger Economy (BASE) program. BASE is a new grant opportunity to help support infrastructure development and advance economic development opportunities across Kansas.

"Programs like this provide vital funding to ensure Kansas communities continue to recover from COVID-19 and grow their economies," Governor Laura Kelly said. "These dollars represent an important opportunity for communities to build economic foundations for the future."

The grant program will be administered by the Kansas Department of Commerce. As proposed by the Strengthening People and Revitalizing Kansas (SPARK) Executive Committee, the program offers matching funds to address economic development opportunities with the goal of expanding the state's base of businesses and residents as we continue to recover from the effects of the COVID-19 pandemic.

"This program will help Kansas remain competitive in business attraction and retention in critical sectors of the economy," Senate President Ty Masterson said. "SPARK is committed to positioning Kansas for long-term economic growth."

In December 2021, the SPARK Executive Committee approved \$100M in available federal COVID-19 relief funding for eligible economic development and infrastructure proposals. Projects that qualify under the requirements of the American Rescue Plan Act (ARPA) may receive matching funds to facilitate project

Projects submitted are required to document how the project was delayed or affected negatively due to the COVID-19 pandemic and the resulting negative economic conditions. Additionally, there is a minimum 25% match requirement by the applicant.

"The modernization and development of Kansas' economic infrastructure is vital to positioning our businesses for success into the future," House Speaker Ron Ryckman said. "I look forward to seeing how these dollars are leveraged by our communities to advance economic growth."

County and local governments, Economic Development Organizations, local Chambers of Commerce, and other stakeholders are eligible to apply. Awardees will be provided with 50% of award allocation in calendar year 2022. The remaining 50% of funding will be provided no earlier than January 2023.

"The Building a Stronger Economy (BASE) program enhances our state's competitiveness and resiliency in the wake of the COVID-19 pandemic," Lieutenant Governor and Secretary of Commerce David Toland said. "The BASE Grants will provide a foundation for communities to develop infrastructure and economic assets that will set the stage for long-term business and community growth across Kansas."

Projects to be funded by BASE would support infrastructure investments associated with economic development projects

- Development of new business parks
- Development of infrastructure required to support business expansions
- Renovation of existing business parks to bring them up to
- Development of infrastructure such as railroad spurs, water, wastewater, stormwater and other utilities
 - Driveway aprons
- Business park signage
- Parking facilities directly associated with business attraction projects
- Speculative industrial office and residential space
- Development of infrastructure related to cybersecurity

Other projects that achieve the goal of expanding the state's base of businesses and residents. The BASE grant application process opens Monday, January

, 2022 at 1:00PM with a Monday, February 28, 2022 11:59PM deadline for submissions. Grant awardees will be announced no earlier than March 25, 2022. An informational webinar on BASE will be available to the

public on Wednesday, February 2 at 3:00PM. Registration for the webinar and guidelines for the grant application can be found at kansascommerce.gov/basegrant. Applicants can contact CommerceSPARK@ks.gov for any questions regarding this funding opportunity.

Prepare Now! Winter Storm Approaching

Severe winter weather is expected to take aim at much of the Midwest starting Tuesday and lasting a few days, so emergency management professionals are urging residents and business owners to be ready for everything from snow to icy roads and possible power outages.

"Preparing for an emergency before it strikes can literally save your life or property," said Andrea Spillars, administrator of the Kansas City, Mo. office of the Federal Emergency Management Agency (FEMA). "With this approaching winter storm, we urge residents and business owners to take this seriously, get ready now and stay informed."

Officials from the National Weather Service and FEMA's Region 7 office in Kansas City have been monitoring the development of this winter storm. Most of Missouri and eastern Kansas will likely see the greatest impacts. Parts of southeast Nebraska and southern Iowa may see some snowfall, but those totals are expected to be less than about four inches.

Forecast models indicate the winter system will bring wideranging snowfall amounts up to as much as 14 inches in some areas. Central Missouri could see even higher snow totals. Ice accumulations are likely along and south of the I-44 corridor, with possible accumulations of as much as a quarter inch in southeast Missouri. These conditions could cause damage to structures and may result in power outages.

Regardless of where you live or work, the most important thing to do right now is to prepare. Here are some tips to help: Know what to do.

Severe winter weather can quickly change your daily routines at home and work and can last for several hours to days. So, it's

important to know what to do if a storm is headed your way. Monitor local media and weather forecasts to stay up to date on the storm and actions to take as conditions can change quickly; Become familiar with important weather terms, such as winter

storm watches and warnings. Decide what you will do to weather the storm. For example, what if you are stranded at home or on the road? How will your family reunite if separated because of weather conditions? Do you have food and supplies on hand to survive for at least three days, especially without power?

Check conditions BEFORE you travel. Don't hit the roads or head to an airport unless you know there is a good chance your trip can safely proceed.

For more ideas of how to make an emergency plan, go to: www.

ready.gov/make-a-plan. Gather emergency supplies for your home

Include a three-day supply of food and water for each person,

as well as personal essentials such as medicine and clothing, a battery-powered radio, extra flashlights and batteries, and first-aid Make a kit of emergency supplies for your vehicle

It's best to avoid traveling by car when there is a threat of dangerous weather. If it's unavoidable, make sure to have emergency supplies in the vehicle. These supplies should include the same essentials as you have at home, plus the following:

Adequate clothing and blankets to help keep you warm. Don't forget mittens, scarves, hats;

Sand to improve traction;

A snow shovel;

Cash (ATMs won't work without power);

A full tank of gas before the storm arrives. Follow the directions provided by local, state, or tribal officials regarding emergency actions

If you are told to stay off the roads, don't venture out. Shelter in place at your home or business.

Lastly, check on your neighbors or friends, particularly those who are vulnerable or need extra support. Older adults and individuals who are dependent on life-sustaining medical equipment or assistive devices such as a ventilator or mobility devices, may need additional support in areas that have lost power.

Other Important Tips:

Never use a generator inside a home, basement, shed or garage, even if doors and windows are open. Keep generators outside and far away from windows, doors, and vents. Read and follow instructions on the generator label and in the owner's manual. Any electrical cables you use with the generator should be free of damage and suitable for outdoor use.

Never use charcoal grills or camp stoves indoors. Burning charcoal or using camp stoves can produce lethal levels of carbon monoxide that can result in deaths.

Stay away from downed wires, including cable TV feeds. They may be live with deadly voltage.

Use caution with candles. If possible, use flashlights instead. If you must use candles, do not burn them on or near anything that can catch fire. Never leave burning candles unattended. Extinguish candles when you leave the room.

Practice food safety. If you do lose power, some food may have to be discarded. For a list of what to keep or toss, go to www. foodsafety.gov.

www.fema.gov

For more information and winter safety tips, please visit: http:// www.ready.gov/winter-weather or www.listo.gov. Follow FEMA online at www.twitter.com/fema, www.facebook.com/fema, and www.youtube.com/fema. Find regional updates from FEMA Region VII at <u>www.twitter.com/femaregion7</u>.

Counselor Corner By Chris Lee

Through the Nex-Generation Student Internship Program, college and high school students are employed by local businesses within a 28-county area of Northwest and North Central Kansas for paid, summer internships. There are so many benefits, including \$12 an hour pay (more if returning), learning about careers, making connections for future hiring/business. These are the real-world things our kids need now.

Go to https://bit.ly/3IVPkMD to find out more. Applications are due March 1, but some of the best internships are being handed out. Nex-Gen just announced that it has increased to 137 openings now, so check back periodically. Late applications will be considered. Internships will run from May 25 –July 29, 2022.

Sporer Land Development has scholarships for students going to school for Diesel Technologies Training at NCKTC-Beloit in exchange for paid work.

This scholarship is for \$1500.00 for the 1st year. A similar arrangement if available for a second year if both parties agree.

Sporer also has a scholarship for \$1000 towards the 9-month training program in Heavy Equipment Operations at NCKTC-Beloit. Upon completion of the program the student will be expected to work for 12 weeks on a paid internship program with Sporer Land Development, Inc. At the end of the internship the recipient can elect to apply for full time employment with the company or seek other employment.

For more information, please contact Tracee Sporer, Controller at (785)672-4319 or e-mail to sporer@sporerland.com. For more information on Sporer Land Development go to the company web site at <u>www.sporerland.com</u>. Completed applications are due into the Guidance Office no later than May 1, 2022.

The Kansas Future Teacher Academy will be held June 5-9 at Emporia State. During this intense five-day program, participants will share in a variety of activities that will help them to better understand what teachers do. Find out more at https://bit. <u>ly/3GhfXdf</u>. If you have specific questions contact Todd Roberts, KFTA DIRECTOR, at troberts@emporia.edu or at 620-341-5445. This is for high school students completing their sophomoresenior years in school.

Another cool program at ESU is the Enhancing Your Future with Mathematics and Science for young women in grades 6-8. There will be hands-on math and science activities for students, as well as a separate program for parents or teachers in attendance (if you wish). This will be held March 5, but registration is due February 1 (or until the program fills). You can find out more at www.emporia.edu/stemoutreach and click on the EYF link, or call program coordinator Holly Hollenbeck at 620-341-5401.

Barton Community College will host Junior Day on February 16. Students will be able to take a campus tour, spend time in two departments finding out more about what is offered (with fun activities), eat lunch, and possibly win scholarships in drawings. Sign up at <u>juniorday.bartonccc.edu</u> by February 1.

The Department of Leadership Studies at Fort Hays State University will be hosting SHADOW DAY on Tuesday, April 19th. The event is for any high school junior or senior wanting to experience a day at college! The day is free of cost and includes an official campus tour, participation in an actual college class, lunch in the McMindes Dining Hall, and meeting on-campus faculty and students. This event typically fills up fast, so register right away if interested at https://bit.ly/3IV9KFM.

Karen Stinson, Kansas ESA Foundation Director, reports that there are several scholarships that Kansas students are eligible for that have no applications. Examples include Hope for Heroes Endowment for immediate family of military, Beshears Student with Learning Disability, McConnel Female going into Veterinary, and Fox/Wilsterman for Teaching Majors, etc. Check the list at https://bit.ly/3GGkiar.

IMPORTANT DATES

February 1: Deadline for Pete Henry Scholarship February 25: Registration deadline for April 7 ACT test

March 1: Deadline to apply for Nex-Gen Summer Internship

March 4/5: Final Fine Arts/Communications Audition Day at Butler CC

March 15: Deadline for Kansas Masonic Foundation (190) Scholarships

March 31: Deadline to submit for VFW Art and National

Anthem Contests May 6: Registration deadline for the June 11 ACT test

June 17: Registration deadline for July 16 ACT test

July 15: Deadline to apply for Horatio Alger Career Technical Scholarship.

Congratulations to the Golden Plains Middle School Spelling Bee Winners--Kadalen Unrein-Champion, Tanner Black-Runner Up, Ezekiel Weiner-Third Place, Adaline Wessel-Alternate. These students will represent GPMS at the Thomas County Spelling Bee on February 22 at Sacred Heart School in Colby. (Photo by Judy Rogers)

'Dance!

The Golden Plains High School Dance Team gave their final performance during the basketball games in Rexford on January 21 dancing to the song "Love Shack". Team members performing included (l-r) Lauren Patmon, Britton Knowles, Madilyn Green, Alisha Brantley, and Ava Brantley. (Photo by Judy Rogers)

Lady Bulldogs Remain Undefeated

Golden Plains junior Breanna Rath makes a layup against the Triplains/ Brewster Lady Titans in Rexford on January 21. (Photo by Judy Rogers)

By Judy Rogers

The Golden Plains Lady Bulldog basketball team remains undefeated with a 74-17 win over the Triplains/ Brewster Titans in Rexford on January 21. They move to 9-0 for the season.

Both teams worked hard all the way to the first quarter buzzer as the Bulldogs put in 19 to the Titans 10. The Bulldogs kept up the pace in the second

quarter adding another 21. including three-point shots from Breanna Rath, Rayna Taylor, and Kassie Miller. The Titans added 4 for a 40-14 half time score.

The third quarter was all Bulldogs as the GP girls pumped in 31 points holding the Titans to a single free throw. The Dogs backed off in the fourth as they only scored a 3 by freshman Hayden Wark and the Titans finished with another basket for the 74-17 Bulldog win.

"I thought we played very well together, as the points were for the most part evenly distributed," said Breanna Rath, junior. "We stayed fundamentally sharp, and it was good to get our younger girls some playing time." Kassie Miller led Golden Plains with 20 points with 13 more from Breanna Rath. Ravna Taylor added 12, Sidney Taylor 9, Jordyn Fleckenstein 6, Hayden Wark 5, Anette Hernandez-Lopez 4, Morgan Wark 4, and Lauren Patmon 1.

The girls played Bethune, Colorado, on January 22, and will face the Lady Titans again in the first round of the WKLL Tournament in Colby on February 1.

Art Students Attend Colby Workshop

WHS students Tyra Schultz, senior, Marsha McDonald, sophomore, Braden Gormley, senior, and Miguel Galeana, junior, listen as Brian Hutchinson, FHSU Art Education Professor, teaches non-traditional printmaking. (WHS photo)

By Carolyn Nelson, DTP Sponsor

On January 21, four high school students visited Colby Community College for a printmaking art workshop. Senior Tyra Schultz, senior Braden Gormley, junior Miguel Galeana, and sophomore Marsha McDonald learned how to print with jelly and how to do a sun transfer.

Brian Hutchinson, Art Education professor at Fort Hays State University, facilitated the workshop. After watching a tutorial on how to do the project, students created projects and printouts. They learned non-traditional printmaking, also known as contemporary art, homemade jelly prints plus and sun exposure prints.

Tyra Schultz said, "I have learned that all you need to do to create art is to use your imagination and not hold back. Most art creations do not even require a lot of things. I would absolutely love to take another art workshop and I think the trip was totally

Hawks Come Away with Clean Sweep

By Anna Godek, Staff Reporter

On January 21, the Thunderhawk basketball team traveled to Ransom to play Western Plains/Healy. Due to short numbers on the boys' and girls' sides from WPH, there were only varsity games. The girls tipped off at 6 p.m. The girls added another win to their list, defeating WPH with a final score of 66-27. Senior Anna Godek and Junior Kerri Heier led the team with a total of 17 points each. All but 2 of Heier's points were from behind the arch. She was 63% from 3's making 5 out of 8. Senior Livia Schultz led the team in rebounds with 4 offensive and 10 defensive. Senior Livia Schultz said, "After a week and a half of waiting it felt really nice to get back on the court. I am super pumped for upcoming league week and can't wait to see how our prior challenges will accelerate us forward during the tournament." This win put the Lady Hawks at a record of 8-2.

Straight after the girls' game, the boys began. The boys took on WPH looking for revenge from their loss to them last year. They were successful and finished with a score of 65-36. Junior Treven Humphries was the leading scorer with a total of 22 points! Humphries says, "It was a fun game with lots of action on the defensive end. We were locked in defensively and forced a lot of urnovers. Shots were falling on offense, and it was all around a fun game." Junior Jett Vincent led the team in rebounds having 8 offensive and defensive, a total of 16. It was an overall great night of Thunderhawks basketball.

لو

Arvilla Taylor

January 26, 1934 ~ January 28, 2022

Arvilla Marie Keith was born January 26, 1934, to Charles and Lenna (Green) Keith on the farm near Penokee. She departed this life on January 28, 2022, at the Sheridan County Long Term Care in Hoxie at the age of 88.

Arvilla was the youngest of ten children, having six brothers and three sisters. Her father died when she was only one year old.

On May 17, 1953, Arvilla married the love of her life, Albert Nelson Bell, at the Presbyterian Church in Hill City. To this union was born three children, Keith Leon, Lois Ann, and Karen Kay. At Albert's untimely death, Arvilla was left with teenage daughters to raise along with cattle, hogs, and crops. She worked hard to repair equipment, start tractors on a cold winter morning, fix fence, calve out heifers and with it all she came to repeat many times, "I do my best and leave the rest to God." She also worked for the Kansas Crop and Livestock Reporting Service, where she made the extra money needed to make ends meet on the

Arvilla was united in marriage to the second love of her life, Harold Raymond Taylor, on May 11, 1979. Grandma 'Villa always had grandkids under foot. They learned at an early age how to move irrigation pipe and drive the pickup to feed the cows.

She was an active member of the Studley United Methodist Church, helping with Vacation Bible School and Sunday School, and then the Hoxie United Methodist Church, involved in United Methodist Women. She was a kind and loving mother and grandmother. Arvilla worked hard to bring family together and many celebrations were held on the farm west of Studley.

She was preceded in death by her parents; stepfather, Charles Knouf; husband, Albert Bell; nine siblings; son, Keith; grandson, Brian Herman Schulte; greatgranddaughter, Mia Grace Schulte; and son-in-law, Guy Williamson.

She leaves to mourn her passing, husband, Harold; six daughters and one son; Ione Williamson of St. Augustine, FL; David Taylor (Sheryl) of Hoxie; Ardath Beringer (Mark) of Bethune, CO; Ronda Johnson (Roger), of Hoxie; Lois Schulte (Charles), of Bethune, CO; Carol Farber (Ron); and Karen Lindenman (Robert), all of Hoxie. Grand-children Taylor Williamson (Catherine), of St. Augustine, FL; Amy Taylor of Lincoln, NE; Aaron Taylor (Christy), of Grainfield, KS; Jessica Lovelady (David), of Springfield, Mo; Curt Beringer (Christina), of Colby; Heath Johnson (Casey), of Hoxie; Chad Johnson (Jennifer), of Spokane, WA; Shawn Schulte (Tawnya), of Vona, CO; Keith Schulte of Flagler, CO; Ryan Schulte (Malinda), of Flagler, CO; Angie Johnson (Andy), of Stratton, CO; Alexis Schulte of San Diego, CA; Kimberlie Schulte of McPherson; Justin Farber (Nicole), of Lexington, NE; Rachel Farber of Hoxie; Brady Lindenman of Independence, MO; and Mitchell Lindenman of Norton; 35 great-grandchildren, one great-great-grandson, and many other family members and friends.

Funeral services were held at the United Methodist Church in Hoxie on Tuesday, February 1, 2022. Lunch was served in the Church Social Hall immediately following the service. Family and friends went in a procession to the Morland Cemetery for the interment. Visitation was held on January 31, 2022. Memorials are to the United Methodist Church and the Sheridan County Amusement Company and may be sent in care of Mickey-Leopold Funeral Home, PO Box 987, Hoxie, Kansas 67740.

K-State Weed Management Schools

By Keith VanSkike, Twin Creeks Extension District, Agronomy and Natural Resources Agent

K-State Research and Extension and local Extension units will be hosting a set of Crop Weed Management Schools. Kansas Board of Ag has also approved 3 credits for 1a commercial applicators and 3 pest management credits for CCA's. The closest locations will be on February 15th from 9:00 am to noon at the Colby city Limits Convention Center. Another local program will be February 16th from 9:00 am to noon at the Graham County 4-H Building in Hill City. There will be no cost to attend, but registration will be encouraged by February 8th. Register at www.northwest.ksu.edu/ events or contact the Twin Creeks District office in Hill City at 785-421-3411 or the Thomas County Extension office in Colby at 785-460-4582. Topics will be updates to residual herbicides in corn, research updates in sprayer application technology and weed control methods to deal with product shortages. An extension specialist from K-State and University of Lincoln will be on hand for the presentations.

Crop Talk

Join us for an ONLINE agronomy series, "Crop Talk", slated to begin Monday, January 31 through Monday, March 7, 2022. This educational series is hosted by NC and NW Extension Districts and counties of K-State Research and Extension and will highlight several topics important to crop producers. These will be on Mondays and each session will be held from Noon to 1:00 p.m.

Planned topics of discussion include Fertility management with high input costs, weed management, Cover Crop management, Manure and your Fertility program along Climate update and the KS Mesonet with a time for questions between Kansas crop producers and extension specialists.

Register ONLINE at https://KSUnwcroptalk22 or call your local Extension Office. Once you register, a link to the ONLINE sessions will be emailed to you. There will be 1 CCA credit for each session.

For more information about the ONLINE KSU Extension NW and NC Agronomy Series, contact your local Extension Office.

Kansas Refrigerated Warehouses Capacity

Gross refrigerated storage capacity in Kansas totaled 46.2 million cubic feet on October 1, 2021, according to the USDA's National Agricultural Statistics Service. Usable refrigerated storage capacity was 37.7 million cubic feet, or 82% of the gross space. Refrigerated warehouse numbers totaled 7 in 2021.

Rosie O'Connell

February 11, 1923 ~ January 3, 2022

Rosella, "Rosie" M. (Rall) Dicks O'Connell (98) of Norton and formerly, Hoxie, KS passed away on January 3,2022 at the Norton County Hospital. Rosella was born February 11, 1923, in Menlo KS to William "Bill" Sr. and Louise (Gaede) Rall. She was raised along with her 13 siblings on the homestead NW of Hoxie near the Immanuel Lutheran Church graduating from the Lutheran school.

Rosie married William "Bill" Dicks in this church, raising four children in Hoxie where she was a cook for Della's Cafe, took in laundry, shocked feed, wallpapered, church volunteer and had many flowers and friends. She later married George O'Connell, resided in Selden, Grainfield, and WaKeeney, where she operated several restaurants. After George's death she returned to Hoxie keeping busy cleaning the bowling alley, Swap Shop volunteer, caregiver, and enjoyed her many flowers and yard decor. She then relocated to Norton to be near her son, Walter, and family. She continued to maintain her own home and drive until her failing health in 2019, requiring Grace, her daughter, to care for her.

Rosie was preceded in death by her parents, husbands, brothers: Theodore "Ted", Ervin, Wilfred "Bob", William Jr., Elmer, and Larenz Rall, sisters: Wilma "Butch" Steier, Louise Withers, Mary Owens and Helen Rall, brothers-in-law: Bob Steier, Harold Boor, Bob Withers, and Laverne Owens; sisters-in-law: Hilda (Martin), Betty (Jording), Wanda (Davis) and Elta (Detjen), son-in-law: Douglas Sonntag.

She is survived by her children; Eileen Sample (Leo) of Hoxie, Grace Sonntag of Nixa, MO/Norton, Walter (Marilyn) Dicks of Norton and Teri Geringer of Fowler, CO; brothers: Gaeheart (Judy) Rall and Kurt Rall; sister, Leona Boor; sisters-in-law: Evelyn Brainard, Doris Rall, and Jeannine Rall; grandchildren: Deb Micek (Tim), Dianne Wyrick (Mike), Jacob "JD" (Trisha), Kristopher (Leigh Arnall), and Daris "Doc" (Nancy) Sonntag, Amy Dicks (Todd Johnson), Stacy Field (Andy Keith), Brian Dicks and Taylor Dicks(Derek Tomjack), Tim (Carla), Gabe (Jeana), Dan and Ory Geringer; great-grandchildren: Jenna Wyrick (Tyler Samuelson), Kayla Wyrick, Madi Stewart(Tommy Detmer), Makaylee Schreder, Kyden, Chloe and Kale Sonntag, Brinkley and Drake Sonntag, Brant Arnall, Riley, Levi and Brea Tandy, Keilana, Henry, Derek and Lukas Sonntag, Shayd Dicks, Jayci Johnson, Kolton and Kody Field, Taylor and Darek's unborn child, Valerie, Delilah, Kai, (Breanna), Claire and Canaan Geringer; great-great grandson: Stetson

Friends and family are invited to a Celebration of Life and internment for Rosella to be held in WaKeeney, KS, at a later date to be announced.

Kansas Corn Announces Kansas Yield Contest Winners

Despite challenging growing conditions in some areas, the Kansas Corn Yield Contest was highly competitive throughout the state. Josh Koehn of Gray County had the top yield in the state contest with an irrigated yield of 330 bushels per acre in the 2021 Kansas Corn Yield Contest is sponsored by Kansas Corn and K-State Research and Extension. This is the first year for the combined registration of the state-level yield contest and National Corn Yield Contest, bringing greater competition and entries.

Top yield contest entries for the Kansas contest came from Jeff Koelzer of Pottawatomie County in the dryland division with a yield of 320.1 bushels per acre; and Josh Koehn of Gray County in the irrigated division with a yield of 330.28 bushels per acre. Eight of the 35 winning entries surpassed the 300 bu./acre mark.

The contest awarded dryland and irrigated winners in ten districts, along with one statewide dryland and one statewide irrigated winner. The winners were recognized at the Kansas Corn Symposium on January 27 in Salina, Kansas.

The Kansas Corn Yield Contest was created to recognize highyielding Kansas corn farmers and gain information to improve practices and increase efficiency for greater sustainability and profitability. Sharing the data collected among Kansas farmers benchmarks the corn yields and provides information for improving management practices.

Kansas Corn Yield Contest Northwest | District 1 Results: Irrigated:

1st Place: Brent Olson, Decatur County; Yield: 318.76 bu./acre; LG Seed LG66C32STXRIB

2nd Place: Harold Koster, Sheridan County; Yield: 278.85 bu./ acre; Pioneer P1366AML™

Kansas January 1 Sheep and Goats

All sheep and lamb inventory in Kansas on January 1, 2022, totaled 65,000 head, down 5,000 from last year, according to the USDA's National Agricultural Statistics Service.

Breeding sheep inventory totaled 44,000 head, down 1,000 from last year. Ewes one year and older totaled 35,000 head, down 2,000 from the previous year. Rams one year and older totaled 2,000 head, unchanged from last year. Total replacement lambs totaled 7,000 head, up 1,000 from last year.

Market sheep and lambs totaled 21,000 head, down 4,000 from

The 2021 lamb crop totaled 43,000 head, down 2,000 from 2020. The 2021 lambing rate was 116 per 100 ewes one year and older, compared with 113 in 2020.

Sheep deaths totaled 2,500 head, down 500 from last year. Lamb deaths totaled 6,500 head, down 500 from last year.

Sheep and lambs slaughtered on farm totaled 1,000 head, down 1,000 from last year.

Shorn wool production during 2021 was 210,000 pounds, down 30,000 from 2020. Sheep and lambs shorn totaled 35,000 head, down 4,000 from 2020. Weight per fleece was 6.0 pounds, down 0.2 from 2020. The average price paid for wool sold in 2021 was \$0.54 per pound, compared with \$0.65 in 2020. The total value of

wool produced in Kansas was \$113,000 in 2021.

All meat and other goat and kid inventory in Kansas on January 1, 2022, totaled 37,000 head, down 3,000 from last year. Milk goat inventory totaled 4,400 head, up 400 from last year.

Donald Quakenbush

December 3, 1944 ~ January 29, 2022

Donald Clifford Quakenbush, 77, passed away on January 29, 2022, in Seguin, KS. Don was born on December 3, 1944, in Colby, KS to Clifford and Cecilia (Unterciner) Quakenbush.

Don grew up in Colby where he found the love for fishing. In his older years he enjoyed playing BINGO

and was always ready for a road trip. But most of all Don loved spending time with his family. Don worked in the oil fields and farmed in the Seguin area. Don retired from the Road & Bridge Department in Sheridan County.

Donald was survived by daughter: Debra (Curtis) Meier of Norton, KS; sons: Dwayne (Kim) Quakenbush of Oberlin, KS; and Terry Quakenbush of Wichita, KS; grandsons: Brayden Quakenbush, Dustin Quakenbush and Nick Phillips; brothers: David (Kathy) Quakenbush of Gorham, KS; and Melvin (Teresa) Quakenbush of Ronan, MT; sisters: Linda (Dale) Bowen of Manhattan, KS; and Esther (James) Armknecht of Dighton, KS. Don was preceded by his parents, sons: Mickeal Quakenbush and an infant son; grandchildren: Kristina Quakenbush and Aaron Phillips.

Cremation services were chosen, and burial will be in the Hoxie City Cemetery at a later date. Condolences can be left at <u>www.paulsfh.com</u>.

Reta Skubal

March 3, 1927 ~ January 29, 2022

Reta Jean Skubal was born on the March 3, 1927, in McDonald, Kansas to C.O. "Chick" and Katie Hubbard. She went to her eternal home on Saturday, January 29, 2022, at the age of 94.

Ф

Jean attended Fort Hays State College as a music major where she met her future husband in the parlor of Custer Hall on Saturday, November 9, 1946.

She was united in marriage with Lumir Jess

Skubal on the August 8, 1948, in the McDonald Federated Church.

Jean dedicated the remainder of her life making a loving home for her husband and three children. A natural teacher, she loved instructing children as a substitute teacher, especially in the art of playing her favorite instrument

- the piano. An angelic singer, Jean spent many years performing with the musical organization of Sweet Adelines and numerous choirs. She also loved baking delicious treats including lovely cakes for everyone, sewing beautiful clothing for her family, and spending hours in her flower gardens. Perhaps most of all, as a fervent follower of Jesus Christ, Jean prayed constantly and continuously for everyone she knew and many others who were unaware of the blessings she sent their way.

Jean is survived by her brothers Harlan (Joan) and Rodney (Donna), sisters Vaulene and Janice, sister-in-law Phyllis; sons Steve and Gary (Robyn), son-in-law Lloyd; grandchildren Jessica, Andrya (Tom), Michael (Courtney), Noelle, Jackson, and Aeowynn; and great-grandchildren Jayvn, Alaina, Breanna, Mysteri, Jolene, Reveri, Aemeri, August, and Poppy. Jean was preceded in death by her parents and husband, brother Deroy (Phyllis), brothers-inlaw Edward (Vaulene) and Gilbert (Janice), and daughter Sharon (Lloyd).

Funeral service will be February 4, 2022, at 10:00am in the Federated Church in McDonald, KS. Burial will be in Big Timber Cemetery. Condolence can be left at www.paulsfh.

SHERIDAN COUNTY TREASURER

Shirley A. Niermeier (AUTHORIZED BY K.S.A. 19-520)

Herskowitz stated he had

reached out to other landfills

close by to see how they

handle tires, and he feels it is

something Sheridan County's

Jack Rowlison and appreciate

him working with the County

was approved and signed by

The Treasurer's Abatement

Pratt stated he has contacted

Roofmasters and an appraiser

to come inspect the building on

Sheridan Avenue. Pratt is going

to meet with Kelsey Epp and

walk her through the building

and discuss federal regulations

for daycare. Need to get an

idea of costs before people are

motion to enter into executive

session for a period of 5

minutes for the discussion of

non-elected personnel. Mader

seconded. Carried 2-0. Present

were the board, Bracht and

Pratt. The door opened with no

Police, Kevin Schoendaler,

Jim Erwin, and Darrick Zerr,

City of Hoxie Council, Ken

Eland, City Attorney, Brian

Diercks, Undersheriff, Brandon

Carver, Sheriff via phone and

Dana Hess, Communications

Director came to the table. The

reason for the joint meeting

was to discuss city/county law

together. Diercks stated that

the County enforces state

statutes. If they are helping

in the City, they would need a

contract that would allow them

to enforce City Ordinances.

There was discussion about the

expense and by combining the

agencies the potential to save

taxpayer money. Wassinger

voiced concerns over losing the

benefits he currently has, and

his wage being lowered if the

city/county consolidated. There

is concern that another officer

will not be found for the City.

The discussion continued with

talk of consolidating versus the

County having a contract with

the City, so they have authority

to deal with City Ordinances.

Scheduling is going to be key.

The group will be put on the

agenda for February 1, 2022,

and Carver, Wassinger, Eland,

and Pratt will get together and

come up with a draft contract

Wes Bainter made a motion,

Landfill can do.

the Board.

committed

decision.

on the bridge at 20E.

Commission Minutes 1/18/22

Now on this 18th day of January 2022, the Board of Sheridan Commissioners, County, Kansas met in regular session with Chairman Wes Bainter presiding. Others present were Mike "Buck" Mader, Joe Pratt County Attorney and County Clerk Bracht. Guests were Carolyn Meyer and Sheridan Sentinel. Commissioner Joe Bainter was absent.

At 8:00 a.m. Wes Bainter called the meeting to order.

Those in attendance stood and recited the Pledge of Allegiance.

Joe Herskowitz, Road & Bridge Supervisor, came to the table. Herskowitz stated they needed clear and dyed fuel. By consensus, the Board agreed to purchase bulk fuel from Bainter

Herskowitz stated the bridge has been torn out at 20E, but they are still working on clearing debris. Once the bed is all cleaned out and graded, the Board will review the plan.

Trees were cleaned out at 120N/20E.

Several calls were received about the stretch of road east of Selden. Herskowitz checked it out and it is rough. They are going to go up and break up the stretch with the ripper then run enforcement working closer the grid roller over it.

The map for dragging and mowing is at The Sheridan Sentinel to be fine-tuned. Mader feels there should be a limit on the number of times a contractor mows and the limit should be four. Four on the primary roads and two on the secondary roads.

There was discussion about roads and ricks in the road. Herskowitz will reach out to the individuals who are currently dragging about the change in the map. Notice will be placed in the paper regarding the areas that still need someone to drag, and that the county has three pieces of drag equipment available to purchase. Wes Bainter wants the Mowing Agreements to make reference that contractors are required to pay their invoices to other vendors in a timely basis. Wes Bainter stated contractors are held to a higher standard in and dollars involved. Sheridan County.

Notice of Sale of Abandoned Motor Vehicles

Pursuant to K.S.A. 8-1102 the following abandoned motor vehicles, which have been impounded by the Sheridan County Sheriff's Office. These vehicles and contents will be sold by Purple Wave, an online government auction, to the highest bidder following February 15, 2022.

Owners, if any, have failed to claim impounded vehicles. The owners thereof may claim their vehicles &contents within ten (10) days of the second publication of this notice by paying the removal, storage, and publication costs incurred.

If a vehicle was previously titled by a state other than Kansas or as a non-highway vehicle, a Motor Vehicle Identification Number Verification form will also be required to obtain title of any vehicle purchased and will be the responsibility of the buyer to request the verification and pay the costs

The Sheridan County Sheriff's Office reserves the right to withdraw any or all of the described vehicles prior to time of sale. No implied warrant of condition shall be understood by such sales.

All sales shall be made under conditions imposed by the auctioneer representing the Sheridan County Sheriff's Office an all sales must be settled at the time of the sale. Titles will be transferred to buyers, if available. Requirements of the state regarding titles to abandoned or unclaimed vehicles will be met by furnishing an Affidavit of Sale & Proof of Publication.

Vehicles in storage at the Sheridan County Sheriff's Impound Lot to be sold:

Green, 1998 Pontiac Grand Prix, VIN # 1G2WJ52M7WF322956 to Benjamin Chadwick

Legal Notice

Pursuant to 1.101, ch. 279,2

Results of the market study analysis for Sheridan County for assessment vear 2022.

A study of the residential real estate market indicated that there is an overall upward inflationary trend.

A study of the commercial and vacant lot real estate market indicated that the market has an upward inflationary trend.

Values on specific properties may not follow the general trend because of changes in the property, correction of descriptive information or adjustment of values based on sales of similar properties. In accordance with the provisions in K.S.A. 79-1476, the Division of Property Valuation is required to annually furnish each county the results of its study relating to changes, if any, of the use value of agricultural land. Changes can and do occur as a result of several factors including cropping practices, commodity prices and production costs.

(First published in The Sheridan Sentinel Thursday, February 3)

IN THE DISTRICT COURT OF SHERIDAN COUNTY, KANSAS

In the Matter of the Estate of LARRY L. DYSON, Deceased

Case No. 2022-PR-2

NOTICE OF HEARING

THE STATE OF KANSAS TO ALL PERSONS CONCERNED: You are hereby notified that on January 25, 2022 a Petition was filed in this court by the undersigned.

NOTICE TO CREDITORS

The Petition states that the undersigned is an heir, devisee and legatee, Executor named in the Last Will and Testament of the decedent dated October 2, 2020 and the Petition requests that the Will be admitted to probate and record; that Brenda Oliver be appointed as Executor and be granted Letters Testamentary

without bond. You are further advised that the Petitioner in this matter has requested administration pursuant to the Kansas Simplified Estates Act, and if such request is granted the court may not supervise administration of the estate and no further notice of any action of the Executor or other proceedings in the administration will be given except for notice of final settlement of the decedent's estate. Should written objections to simplified administration be filed with the court, the court may order supervised administration

You are required to file your written defenses thereto on or before February 25, 2022 at 10:00 a.m. of said date, in this court in the city of Hoxie at which time and place the cause will be heard. Should you fail, judgment and decree will be entered in due course upon the Petition.

All creditors are notified to exhibit their demands against the estate within four (4) months from the date of first publication of this notice, as provided by law, and if their demands are not thus exhibited, they shall be forever barred.

Brenda Oliver Petitioner

Harry Joe Pratt, #11860 Attorney for Petitioner ELAND & PRATT, LLC Attorneys at Law P.O. Box 565 736 Main Street Hoxie, KS 67740 (785) 675-3217 Fax No. (785) 675-3983

(Last published in The Sheridan Sentinel Thursday, February 17)

seconded by Mader, to amend the agenda to include Appraiser Mindy Harting. Carried 2-0. Harting stated that in her Employment Agreement there is verbiage that she intended to be interpreted to mean that if employees get a raise, she is entitled to the same amount. Pratt stated it is not the County's position that she receives a scheduled raise, as set forth in paragraph 3 and an additional amount if everyone else got a raise. The Board interprets paragraph 4 to pertain to "benefits" such as insurance, etc. Harting stated she wanted the additional \$1,500 to go back to her budget to cover the insurance costs the County pays to Norton County for her insurance. It increased 10%. The Board stated it would be ok and there would be no

additional raise.

Mader made a motion to approve the January 11, 2022 Minutes and the January 14, 2022 Payroll as presented. Wes Bainter seconded. Carried 2-0

Wes Bainter made a motion to approve the ROZ Resolution, seconded by Mader. Carried 2-0. On a motion by Wes Bainter and second by Mader, The Sheridan Sentinel was named the official newspaper for 2022. Carried 2-0

Mader made a motion, seconded by Wes Bainter to approve the various Resolutions for the year 2022. Carried 2-0. The Resolutions were signed by the Board.

The following payroll was reviewed and approved by the board:

General \$45,382.16 Road & Bridge \$7,197.28

Commission Minutes 1/25/22

Now on this 25th day of January 2022, the Board of Commissioners, Sheridan County, Kansas met in regular session with Chairman Wes Bainter presiding. Others present were Mike "Buck" Mader, Joe Bainter, Joe Pratt County Attorney and County Clerk Heather Bracht. Guest was Carolyn Meyer.

At 8:00 a.m. Wes Bainter called the meeting to order. Those in attendance stood

and recited the Pledge of Allegiance.

Joe Herskowitz, Road & Bridge Supervisor, came to the table. Herskowitz advised the Board of the February 2, 2022, meeting at Midwest Energy with KDOT. The purpose of the "field check" meeting is to discuss design details for the project which includes reconstructing and adding shoulders along K-23 from .25 mile south of County Road 70S to Hoxie, including replacement of the South Fork Solomon River Bridge and the Sand Creek Bridge.

Herskowitz has contacted by three businesses in Selden who would like recycling trailers. Herskowitz checked prices for trailers, and they have gone from \$3,100 to \$4,800. There was discussion about the hospital having two trailers they got from the County and whether they still needed them. The Board will check with Mike O'Dell when he comes later in the meeting.

Herskowitz stated the landfill will be inspected this week, so they are getting ready for it.

Herskowitz distributed mowing maps. He will be numbering the sections and will bring them back next week.

There was discussion about planting cedar trees along the west side of the landfill to block the view. The Board liked the idea but stated it takes a lot of time and work.

Herskowitz will check with the state to see if there is a limit on the number of tires that the landfill can take. No tires will be allowed during the citywide cleanup that takes place

Once the grading has been done on the bridge at 20E it will be turned out for bid.

There was discussion about the Y east of Selden and the fact that it turned out nice after the Road & Bridge employees worked on it.

County Attorney Pratt came to the table. Pratt discussed the work he was going to do for the Pregnancy Pathway organization and that he would like permission to have someone from Wichita do the paperwork for the non-profit entity. Carolyn Meyer stated she has already spoke with an attorney and has the ball rolling so will proceed on her own.

At 8:37, Wes Bainter made a motion to enter into executive session for a period of 15 minutes for the purpose of discussing ongoing negotiations. Joe Bainter seconded the motion. Carried 3-0. Present were the Board, Pratt and Bracht. The door opened at 8:55.

Wes Bainter made a motion to purchase a vacant lot (100'x50') in Block 57, Original City owned by Britton Sealock in the amount of \$40,000. Joe Bainter seconded. Carried 3-0. The contract will include verbiage stating the County will be responsible for any expense associated with disconnecting the underground sprinkler system located on the tract and that the work will be performed by Tom Feldt. The County will also be responsible for any work associated with gas and/ or power lines that would need

Nox. Weed \$760.00 Public Transp. \$1,001.00

At 10:00 a.m. with no further business, Wes Bainter made a motion to adjourn, seconded by Mader. Carried 2-0. The next regular meeting will be Tuesday, January 25, 2022, at 8:00 in the Courthouse foyer.

Attest: Heather Bracht, County Clerk, Wes Bainter, Chairman

to be relocated. The County will have the First Right of Refusal for the tract east of the tract currently being purchased which has a garage located on

9:00 Wes

Bainter

opened the public hearing for the purpose of hearing questions/comments on the revised Sheridan County Environmental Sanitary Code. Pratt stated that letters were sent out to real estate agents and title companies from the Northwest Kansas Local Environmental Protection discussing Agency changes. A potential problem Pratt sees is that you must own a three (3) acre tract (minimum) for a home in the county to put a septic system on it. For land where someone is adding a house to a property with a house already on it, will there be three (3) acres there? NWLEPG will be contacted and invited to the next board meeting to discuss further. The decision to approve the Environmental Sanitary Code was tabled till next week.

Bracht presented the ROZ Resolution which needed resigned. The wrong statute vear was on the previous Resolution signed. Mader made a motion to approve and sign the corrected ROZ Resolution seconded by Wes Bainter. Carried 3-0

Mike O'Dell, CFO, and Paul Davis, Interim CEO, from the Sheridan County Health Complex entered the meeting. O'Dell presented the health complex's financial statement for the 4th quarter of 2021. O'Dell stated they are in audit now, so this financial statement has not been approved by the hospital board. O'Dell discussed the income and expenses for the hospital. O'Dell stated they are currently paying \$2.00 an hour extra for COVID pay. In 2022 the hospital will no longer be receiving COVID funds so will be operating on their own revenue/tax dollars.

There was discussion about inflation, wage pressures, and supply chain problems. All these things affect budgets. Davis stated staffing could be in real trouble if staff quit. Individuals are finding higher paying jobs with sign-on bonuses of up to \$10,000.

O'Dell presented Application for Federal Assistance for funding in the amount of \$4,950,000 to remodel and expand the Sheridan County Health Complex including adding space for Public Health. Total estimated funding is \$6,500,000. O'Dell stated this would be a revenue bond. Bracht found a couple of errors on the application that needed to be corrected so O'Dell will go back and make the corrections and come back for signature.

The Board asked O'Dell if the hospital/clinic were finished using the two recycling trailers as the County needed a few more. O'Dell stated that he thought the hospital/clinic was finished with them, but he would check with maintenance to be sure. O'Dell said the trailers had been modified with air-conditioners though so might need to redo the roof.

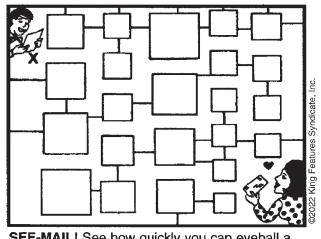

Mader made a motion to approve the January 18, 2022 Minutes as presented. Joe Bainter seconded. Carried 3-0 Joe Bainter made a motion,

seconded by Wes Bainter, to approve the warrants of January 18, 2022, and January 25, 2022. Carried 3-0

Mike O'Dell came back to the table and presented the revised Application for Federal Assistance for the Sheridan County Hospital. Chairman Wes Bainter signed the application.

Joe Bainter stated he had read in the Minutes from the previous week that there had been discussion about contractors not paying their outstanding bills to vendors timely and Wes Bainter requesting something be put in the Mowing Agreements addressing this. Joe Pratt and Mader both feel this is not really the County's business. This discussion will continue.

Preacher's Point

Continued from page 3

bombardment of the trustworthiness of everyone in government. Because of the constant accusations, most Americans either believed Trump was corrupt or thought his opponents were liars. Either way, we had four years of a daily bombardment of "you cannot trust the government."

It is a Biblical principle - you reap what you sow. So, here we are today after sixty years of planting the seeds of distrust. Is it any wonder that people doubt election results or the motives behind a

The Bible and the Declaration of Independence inform us that our rights come from God. It is the role of the government to ensure that everyone has the opportunity to exercise those rights. This responsibility of government is accomplished by rewarding the good and punishing the evil (Romans 13:4).

Romans 13 also informs us that those in government service, from the President down to the local dog catcher, are "the minister of God." The people in government service are servants to the people and God. Therefore, those in government service must work and live as righteously as possible to honor those they serve, make correct decisions, and bring glory to the land they represent.

In the 1950s and 60s, many in the nation had followed Eisenhower into battle. Our lives and freedom rested on the shoulders of Eisenhower and other generals during World War II. Ten and twenty years after the war, the people rolled up their sleeves and received their shots because their leaders had a trustworthy track

Why is it that today people do not trust the government? Because for sixty years, both sides of the aisle have been telling us not to trust the government - especially the other side of the aisle. In other words, the government itself has been telling us not to trust the government.

According to Romans 13:1, God ordains all power. When those in power begin to act as if they understand their responsibility to God, people will start trusting them again.

I like Ike.
