about possibly having the recycling trailer that is parked at 3rd Base Liquor park in the empty lot across the street. Herskowitz will follow-up on this.
Herskowitz advised the Board prairie dogs were being treated today.
Road work was discussed.
Penco Engineering had sent revised information for the cost share program for Sheridan Ave. from the fire station to 10W. Total cost is \$946,550 – KDOT would cover \$500,000, County share is \$145,450 and the City of Hoxie is \$306,100. The cost for .6 miles to the south on 10W from Sheridan Ave. is \$400,000. Scott Foote has stated he will pitch in \$200,000, which is to his house. A list was presented of landowners on 10W that could be contacted to see if they would be interested in adding money to Foote’s so that the road south on 10W could be completed. This also applies to the .6 miles north to Highway 24. The Board agrees that contacting landowners is not something they will do.
There was a brief discussion about the .6 mile east of Selden that needs repair. The cost share could be utilized for that in 2023.
