New Daycare Building Arrives

The Sheridan County Community Foundation shared their announcement of the arrival of the new building that will house the daycare facility. Karl Pratt, SCCF Executive Director stated, "We are so very excited to see the new childcare modular was delivered to Hoxie this afternoon!"

The until is located just north of the elementary school entrance. Karl continued, "A big thank you to our schools and the staff there busily working on this process as it moves toward fruition!

Thank you again to the Dane G. Hansen Foundation, Patterson Family Foundation, Sheridan County and City of Hoxie Commissioners, and the SCCF board members for the funding support!

Thank you to the USD 412 Hoxie Community Schools board for believing in the need and venturing forth with this endeavor!

And thank you to the committee members who formed last summer and worked throughout the past year to help us get to where we are on our path to help address the childcare needs in Sheridan County!"

The community should continue watching for more updates as the next phases of the childcare projects begin.

DEPUTY COUSINS SUCCESSFULLY COMPLETES D.A.R.E. INSTRUCTOR CERTIFICATION

(SCSD photos)

By Sheriff Brandon Carver

The Sheridan County Sheriff's Department is always looking for new ways to build positive interaction with the youth of Sheridan County. One of the ways we will be doing this is through D.A.R.E. The Drug Abuse Resistance Education program has been well known for many years. Deputy William Cousins attended a two-week (July 25 - August 5) D.A.R.E. Instructor Course at the Kansas Law Enforcement Training Center in Hutchinson, KS.

Drug Abuse Resistance Education will be taught within the Sheridan County Schools this year. This includes: Selden Elementary School, Hoxie Grade School, and Hoxie High School.

Levi's Lowdown

USD #412 NEW TEACHERS

Amber Vaugn - HS Secretary

By Levi Gleason, Sentinel Intern/Staff Writer

Starting this year as the Hoxie Jr/Sr. High School Secretary is Mrs. Amber Vaughn. Born and raised in Burlington, CO, Vaughn moved to Hoxie after having her first child. Starting her first job here as a paraprofessional, Vaughn has always enjoyed education. After her first year, she took a job at The Hoxie Medical Clinic where she worked for eight years.

After the position at the high school opened, Vaughn saw this as a way to get back into Education, something she had enjoyed so much in the past. Vaughn cannot wait for the school year to start, and reminds everyone in the community that the office of the secretary is always open, and she would be more than happy to help you with anything she can.

Andrea Ziegler - 7-9 English

By Levi Gleason, Sentinel Intern/Staff Writer

Mrs. Andrea Ziegler will be joining the Hoxie Jr/Sr. High School staff as the 7-9 math teacher. Born in Cherokee, KS, Ziegler is more than familiar with small town education and small-town communities.

Ziegler did not always want to go into teaching. Starting her college career at Pittsburg State and earning a degree in Geography, her initial plan was to attend K-State and earn her degree in Urban Planning. After meeting her husband, Todd Ziegler, and moving to Hoxie in 2004, her plans changed. Beginning her professional life in 2005 at Hoxie Grade School, working as a paraprofessional, Ziegler gained a love for education and child development. After some time as a paraprofessional, she took a new position with the Hoxie head start program until eventually taking a short break from work. Throughout the past few years, she has continued working in the education field, as a paraprofessional, and as a long-term 7-9 English sub for the second semester of the 2021-2022 school year. "Trying gets you far, as long as you try, that is half the battle done" Ziegler reminds all incoming students. Further explaining that effort will make great progress towards success not only in school but in life.

D.A.R.E. is a highly acclaimed program that gives kids the skills they need to avoid involvement in drugs, gangs, and violence.

"It is important that we have a structured program for drug and alcohol prevention in Sheridan County for our youth. It is even more important that we have more opportunities to interact with the youth. Many parents have used phrases such as, 'You better be good/better wear your seat belt or the cops will take you to jail.' Parents may have good intentions when saying these things, but it definitely has a negative impact on the perception youth has on law enforcement. Therefore, we go into the schools on a regular basis to interact with the kids and get to know them. This helps them to understand that we don't just take people to jail, but we are here to help people."

- Sheriff Brandon Carver

The D.A.R.E. Programs lasts 10-weeks and the students will learn how to make responsible choices. 5th grade will also have a one-week program that covers tobacco and alcohol use/ effects. Students will also have the opportunity to participate in a statewide essay contest with a chance to win \$100. Students will be provided workbooks, t-shirts, and a graduation ceremony upon successful completion of the program criteria.

"This is not the old D.A.R.E, this is a more research-based lesson. It is keeping it real! Designed to have the kids help teach the program. I am looking forward to working with the youth in Sheridan County!"

-Deputy Cousins

Senator Moran Visits Hoxie

The Sheridan Sentinel's Levi Gleason speaks with Sen. Moran on various political subjects during his visit to Hoxie. (Sentinel staff photo)

On Wednesday, August 10, Senator Jerry Moran was in Hoxie to visit about what has been happening in Congress and what issues his constituents wanted to bring up.

One of the big issues was about the drought and the local crops. He said there was legislation for disaster assistance that would go beyond crop insurance.

The Inflation Reduction bill was discussed and what it includes. There is a provision that discusses capping certain medication pricing. He stated that provision in the legislation is one of the items that is partisan and it is mostly to get the "other side" to agree with passing all other content in the bill. Senator Moran's thoughts on this bill are that it makes no sense to spend this much money to "fix" inflation. The topic of medications and medical supplies coming from China was discussed. The Senator agrees that we need to be doing more than we are to get this manufacturing moved back to the United States. It was brought to everyone's attention that Cherokee County has an issue with their voting machines. There was an error in the software that showed the numbers correct, just for the opposite candidate. The question was asked what could be put in place to ensure hand counting ballots for better accuracy. Senator Moran had not yet heard this news, so had no answer but would do more research on the event. The Sheridan County Clerk's office does not use a machine; therefore, the audit of ballots came out perfect. If there are issues that you would like to discuss with Senator Moran, you can call his Washington, D. C. office, email, or visit with staff in one of his several offices in Kansas.

Andrea Graham - Kindergarten

By Levi Gleason, Sentinel Intern/Staff Writer

Mrs. Andrea Graham will be joining the Hoxie Grade School staff as a Kindergarten teacher this school year. Growing up on her family farm just northeast of town, you might know her already. After graduating high school Graham attended Fort Hays State University where she got her degree in Elementary Education. Taking her first job in Palco, her love for education only continued to grow.

Eventually, Graham found herself in Stockton where she taught as a Kindergarten for eleven years, and as a Intervention and Instructional coach for the building. She is now working on her masters in instructional coaching through the University of Michigan.

Mrs. Graham wants all parents to feel comfortable coming to her with questions about what is being taught and how it is being taught. She believes transparency in the classroom is key and is excited to get to work educating the next generation of Hoxie Students.

Sharris Werner - Grade School Principle

By Levi Gleason, Sentinel Intern/Staff Writer

Not only is USD 412 welcoming new teachers this year, but we are also saying hello to some new administrators. Ms. Sharris Werner will be the new elementary school principal. Werner grew up in western Kansas, spending most of her early life in Plainville. After graduating from high school, she started her higher education in political science earning a bachelor's degree with the intention of becoming a lawyer. Starting a family young, Werner decided to not pursue law and instead did substitute teaching for the Plainville school district.

Werner then decided that she wanted to go back to school. She earned her master's in business and afterwards her education degree through the transition to teaching program. Following this, she taught at Thomas Moore Prep-Marian (TMP) as a business and Yearbook teacher.

After feeling called to do more, Werner obtained her administrative license, and when the position opened at Hoxie, she saw it as a perfect opportunity. Ms. Werner wants all community members and students to feel welcomed to come talk, as her office door is open to all.

Chris Graham - 7-9 English

By Levi Gleason, Sentinel Intern/Staff Writer

Taking the reigns as the new 7-9 English teacher is Mr. Chris Graham. As the son of an English teacher, Graham always had a passion for the subject. Growing up in Morrowville, a small town in Washington County, he attended Fort Hays State University in hopes of becoming an English Educator. After getting introduced to the courses, Graham changed his mind and transferred to Lawrence spending five months towards earning his Journalism Degree. After meeting his wife Andrea, he decided that maybe English Education was the correct route and transferred back to Fort Hays State University, where he finished his English requirements and graduated.

Graham is not at a lack for experience in this field, starting his career at Logan where he taught for seven years as well as coached. Then moving to Stockton where he taught for an additional 10 years, leading him to Hoxie. Adding to that time as a teacher, Graham has experience coaching in Basketball, Track, Cross Country, Scholars Bowl, Debate and Forensics.

"I got into it because I liked English, and I stay in it because I really like working with the kids." Graham is excited for the year to start, and excited to help bring the Hoxie English department to a new level.

We're Going Back To School

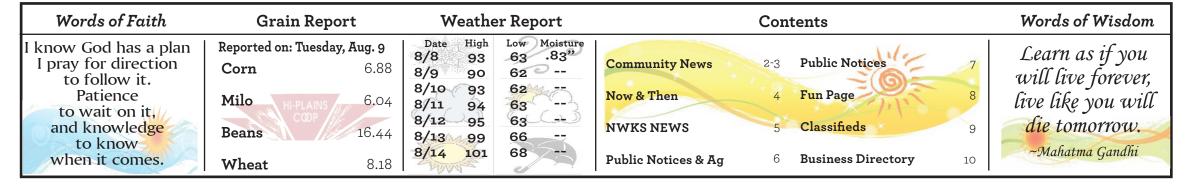

Correction: last week's title should have read USD #412, not #316

Fire Department Receives Special Equipment

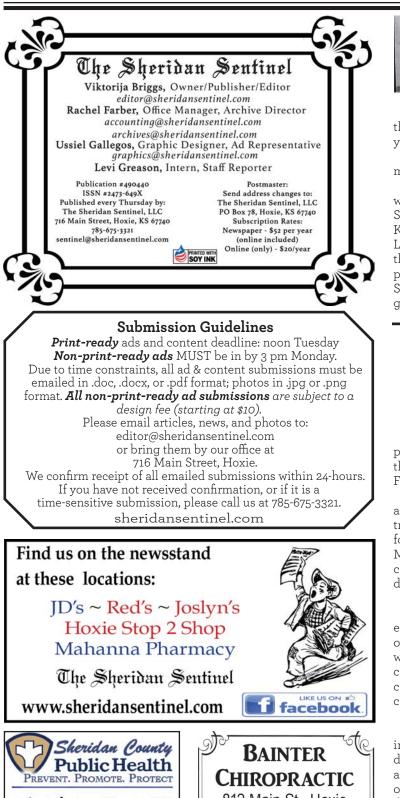

The Sheridan County Fire Department received from the Sheridan County Farm Bureau, Midwest Energy and the Gary Sinese Foundation three sets of grain bin rescue equipment, which will each be located at stations in Hoxie, Selden and Menlo. The hope now is that the equipment will never be used! (SCFD photo)

SENTINEL

JENNINGS NEWS By Louise Cressler A DESCRIPTION OF

We continue having extremely hot weather and no rain. With the temperature outside of over 100 degrees, it is not fun to do the yard work.

Jeff and Gwen Anderson, Angelus, came Saturday and mowed my vard and trimmed a few bushes.

A bountiful meal Wednesday at the Sunflower Senior potluck was enjoyed by the following people: Ramona Shaw; Stanley Shimek; Dorothy Shimek; Martin Titus; Ken and Julie Carter; Kay and Doyle Brown; Paul and Kathy Nauer; Allan Carter and Louise Cressler. A short business meeting was held after some of the men got the dishes done. The group agreed we should contract prepay our propane for this winter. We decided to play bingo at the September 8 potluck with each person bringing a \$4.00 to \$5.00 gift. Hope to see you there.

USDA Reminds Kansas Livestock Producers of Available Drought Assistance

USDA's Farm Service Agency (FSA) reminds drought-impacted producers in Kansas that they may be eligible for assistance through the Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish Program (ELAP).

ELAP provides financial assistance for water transportation and for above normal costs of transporting feed to livestock or transporting livestock to forage/grazing acres. To be eligible for assistance, the county must be rated by the U.S. Drought Monitor as having a D2 (severe drought) intensity for at least eight consecutive weeks during the normal grazing season, or D3 or D4 drought intensity at any time during the normal grazing period. Transporting Water

Producers must be transporting water to eligible livestock on eligible grazing land where adequate livestock watering systems or facilities were in place before the drought occurred and where water transportation is not normally required. ELAP covers costs associated with personal labor, equipment, hired labor, and contracted water transportation fees. Cost of the water itself is not covered. ELAP covers \$0.07 per gallon to transport water.

Transporting Feed

ELAP provides financial assistance to livestock producers who incur above normal expenses for transporting feed to livestock during drought. The payment formula excludes the first 25 miles and any mileage over 1,000 miles. The reimbursement rate is 60% of the cost above what would normally would have been incurred during the same time period in a normal (non-drought) year.

Livestock feed that is transported to livestock located on land enrolled in the Conservation Reserve Program (CRP) is eligible if the producer has an approved conservation plan with acceptable grazing practices developed in coordination with the Natural **Resources Conservation Service**

The payment rate to transport feed is \$6.44/loaded mile for expenses above what would have normally been incurred.

sense whatsoever.

Sumner

We have not seen beatings on the Senate floor recently, but the division in the nation is undeniable. As Jesus and Abraham Lincoln taught us, "A house divided shall not stand.' Either the division gets fixed, or the house crumbles to the ground.

In marriages, when the trust is gone, it is a long road to recovery; often, without trust, healing is impossible. It is the same everywhere. If an employer cannot trust an employee to keep his hands out of the till the working relationship will end.

Trust is key.

With that said, many Americans have lost faith in the elections. Many do not believe President Biden

Once people saw that the Inflation Reduction Act included the hiring of tens of thousands of IRS agents, many became convinced the government would soon be coming after anyone with conservative views.

The raid on President Trump's home has eroded many Americans' trust in the FBI, the Justice Department, and the administration in general.

Whether you believe the above events are true or false, whether or not you think these things are of no consequence or the end of the Republic, the truth is a growing percentage of the American people see at least some of these things as huge problems.

For those that believe the above list is a list of conspiracy theories, please consider this. If you have a child who thinks a monster is in the closet, you must convince the child that the beast does not exist to solve the problem. If you simply tell the child, "There is no monster in the closet." The child lays there afraid until they fall asleep. Opening the closet door, and showing the child that no monsters reside inside, brings a solution.

In America, no one is opening the door and showing people the absence of a monster in the closet. Why is no one opening the door? Is it because

there is a monster in there? Many Americans fall asleep at night afraid of the monster in the closet - the monster of a worthless Constitution and the loss of a Republic.

Trust in our elected officials and the division within the nation cannot be fixed until people are convinced there is no monster in the closet.

Hill City Entertains

The Hill City Rotary entertained the Hoxie Rotarians and their families at Antelope Lake Monday evening with the annual picnic dinner held by these clubs. Quantities of the finest, and most food in the world, was served by Hill City. Following dinner camp fire singing and visiting concluded the evening.

Norton is Winner

Norton broke the Hoxie Nugget winning streak by defeating them 3 to 2 before a good sized crowd, on the local diamond, Sunday evening. Boxler did the pitching for Hoxie. Hoxie got 4 hits, Norton 6. Hoxie made 6 errors and Norton 2.

Thimble Circle Club

David Miller spent last week with his uncle and aunt, Mr. and Mrs. Clay Duff and family, near Woodston.

Elizabeth Miller is helping W. E. Husteds with their chores.

Mrs. Elizabeth Super, Mr. and Mrs. Virgil Miller and family and Mr. and Mrs. John Brown and family spent Sunday with Mr. and Mrs. Gilbert Miller.

Studley Items

Mr. and Mrs. Charles Davis are on a trip to Yellowstone Park.

Mr. and Mrs. Sherm Wilcox, of Lenora, and Mrs. Maude Wilcox, of Arizona, were in Studley Sunday morning.

Mr. and Mrs. Jess Pratt attended the 4-H style show at Hill City, Thursday night.

Mickey's Want Ads

See the Monarch double oven electric range. A traveling preacher was due to deliver a sermon at a Western church. Arriving at the church, he paused to read the sign in front of it, which said: "Subject for this Sunday: 'Do you know what Hell is?' Come and hear our new organist."

Sure got some swell coffee tables, smokers and magazine racks in our furniture department.

South Studley Items

W. I. Transue and wife were Sunday visitors in the Mrs. C. D. Transue home, in Quinter. Lewis Transue and wife, Ralph Transue, wife and daughters, Venda and Velda called in the afternoon.

Mr. and Mrs. Jim McGinnis and Mrs. Bessie Turner returned Saturday after a pleasant vacation spent in various places. Among them were Albany, Ore., and Van Couver, Wash.

Carl McWilliams and family are vacationing in Colorado.

Lucerne News

The Don Kempers attended motorcycle races at Norton Saturday.

Buck Mowry is driving a Chevrolet car now

Mr. and Mrs. Byron Ewer of Elwood, Nebr. and Mrs. Ura Long were Sunday afternoon visitors at the George Launchbaugh home.

The Jim Bainters were Sunday supper guests of Mr. and Mrs. Larry Loughry and Todd of McCook.

Mr. and Mrs. Dwane Tice and Mr. and Mrs. Mike Weimer were Saturday supper guests of Mr. and Mrs. Roy Bainter.

Mickey's Want Ads

We have several nice desks, both for students and home use.

Older man to pretty girl at party: "May I sit and talk to you? I'm rather tired, and I want my wife to take me home."

Foley food mills, rotary colanders, cold pack canners, pressure cookers, large kettles, wooden spoons, jar funnels and other canning supplies.

Paver Count Tops 300

The Sheridan County Amusement Company reached and surpassed its goal of selling 300 personalized pavers prior to the Aug. 15 deadline.

According to organizer Bill Gasper, around 120 pavers were sold last week, bringing the total to approximately 345.

Selden

The Golden Plains junior high will have their open house on Aug. 28 at the Rexford School.

The Wessel Reunion was held Aug. 3 at the home of Bill and Kathy Schieferecke at Studley.

Ellen Shaw was hostess on Aug. 14 at the Senior Center. Ellen Shaw won high, Anna Albers took second and Flerry Shea took low.

Jennings-Allison

Elaine McKinley, of Tulsa, spent the week at the Votapka farm. Mary and Elaine visited Sue Long in Park, Kan. on Thursday.

Jay and Mahee Kump spent visiting the home of Tom and Barbara Bouts in Denver from Aug. 6-11.

Mr. and Mrs. Lawrence Jennings hosted a family dinner in honor of his niece, Mrs. John Connolly, and her husband and children, Jessica and Shannon of Pacifica, Calif. on Sunday.

Rexford

Betty Nickols and her grandson, Joey Nickols, of Colby, arrived home Sunday after spending two weeks in Nashville, Tenn., where they attended the Stamps-Baxter School of Music.

Cleda Moeder and Carrol Gould spent last weekend in Wichita with Jack and Mary Minnick. They attended the 25th wedding anniversary of John and Ann Minnick Brown in Schulte while there. Ann is Cleda's niece.

Tuesday evening, Aug. 12, the High Plains After 5 Club met for a dinner and program with over 70 present. Even though the dishwasher has been out of commission, the cooks have been able to keep up with the busy schedule.

Kansas DCF Too Busy Defending Kelly to Track Child Sexual Abuse

By Joanna Rodriguez, Deputy Communications Director, Republican Governors Association

jrodriguez@rga.org

Democrat Laura Kelly's Department of Children and Families is at the center of yet another fire storm today. The latest report from The Topeka Capital-Journal outlines how the agency failed to publish its annual report on child sexual abuse cases for the first three years of Kelly's term. To make matters worse, the newly released data shows the number of child sexual abuse cases more than doubled during the time Kelly's administration failed to publish the report.

This latest failure comes just two months after it was reported Kansas foster children are sleeping in offices again after Kelly stopped holding contractors accountable for the practice, and after DCF Secretary Laura Howard was caught using taxpayer-funded resources and time to support Kelly's re-election campaign.

"Democrat Laura Kelly made sure the Kansas Department of Children and Families used their time and resources to defend her against political attacks, but apparently didn't think it was as important they protect Kansas children from sexual abuse," said RGA spokesperson Joanna Rodriguez. "Kelly has been asleep at the wheel allowing state agencies to punt on their responsibilities so long as they do her political bidding."

Op-Eds on Gov. Kelly's "Record Economic Recovery"

Gov. Kelly Caught Lying About Economic Recovery *From: Shannon Pahls*, Executive Director, KSGOP

<u>shannon@kansas.gop</u>

Democrat Laura Kelly lied about her economic record again on Thursday (*August 11*). A report last night from KSNT outlined Kelly has been running around the state celebrating Kansas' record employment levels, but the reality just doesn't line up with her stump speech.

• Kelly claims her administration has created 48,000 jobs, but according to KSNT, that number is based on companies receiving commerce incentives, many of which are future positions that don't actually exist yet.

• KSNT also reported the number of jobs in Kansas is still actually 20,000 LESS than in January 2019 before Kelly's pandemic shutdowns.

• Kelly recently signed a \$4 billion tax incentive package with Panasonic that promised up to 4,000 new jobs, but reports from the Kansas City Star highlighted that there is actually no guarantee in the deal for even 1 job.

"Attorney General Derek Schmidt has said it best: Democrat Laura Kelly spent three years accomplishing absolutely nothing as governor and in many ways setting Kansas back," said Shannon Pahls, KSGOP Executive Director. "Kelly is using bad deals with no guarantees and smoke and mirrors from her Department of Commerce to paint a blatantly false economic picture for Kansas voters in the hopes they won't notice just how poorly she's managed the state throughout her term."

WTAS: Kelly Gaslights Kansans on Economic Recovery From: Alex Kuehler, Western Communications Director, RNC akuehler@gop.com

Laura Kelly is at it again. One of her favorite pastimes is gaslighting Kansans, and late last week she tried to tell them that the state had recovered all the jobs lost from the pandemic – something Kansans know is false. Even the media called her out for the blatant falsehood:

From the Kansas City Star: "Kansas Gov. Laura Kelly told a TV station that the state had restored the jobs lost in the pandemic 'and more,'...The comment, reported by Topeka TV station KSNT on Thursday, is at odds with data from the Kansas Department of Labor." The Kansas Reflector noted "The U.S. Bureau of Labor Statistics reported Kansas employed 1,397,000 nonfarm workers in June. That was 32,000 less than the 1,429,000 nonfarm employees in Kansas during February 2020 before COVID-19 carved a crevasse in the state's economy during March and April."

Reactions to FBI Raid on President Trump's Mar-a-Lago Home

U.S. Representative Tracey Mann (KS-01) released the following statement in response to the U.S. Federal Bureau of Investigations (FBI) conducting a raid on former President Donald Trump's Mara-Largo home:

"The raid of President Trump's home yesterday is a brazen political weaponization of the FBI and the U.S. Department of Justice. When Republicans called on U.S. Attorney General Garland to intervene when violent threats and actions were made against U.S. Supreme Court Justices and pro-life pregnancy centers, he remained silent – but found the time to raid Mar-a-Largo.

When former Secretary of State Hillary Clinton held state secrets insecurely on a server in her basement, the FBI also did nothing. And what about Hunter Biden's laptop? Is the FBI concerned with the private business relationship between China and President Biden?

This seizure of former President Trump's property is an embarrassment, it's un-American, it sets a horrible precedent, and it's an abuse of our country's justice system."

Congressman Jake LaTurner (R-KS) issued the following statement after the FBI raided former President Trump's home on Monday, August 8, 2022:

"The Department of Justice chose to raid the home of a former president, an action unprecedented in American history, at a time when trust in our institutions is already at an all-time low.

No administration is allowed to target political opponents, and no administration is above the law.

We The People deserve answers, and I will demand that we get them."

\$520M in Highway Projects Added to IKE Construction Pipeline

Governor Laura Kelly and Transportation Secretary Julie Lorenz today announced 11 Expansion and Modernization highway projects – a total investment of more than \$520 million – have been committed to construction as part of the Kelly Administration's bipartisan transportation plan, IKE.

"Expanding and modernizing our highways will improve roadway safety, create good jobs, and deliver more economic opportunities across Kansas, both now and in the future," said Governor Kelly. "These 11 projects demonstrate that investing in transportation benefits our communities, taxpayers, and businesses."

Combined with the first round of IKE Construction Pipeline projects, the Kelly Administration to date has committed to construction nearly \$1.3 billion for highway modernization and expansion projects.

After hosting a series of local consult meetings in 2019 and 2021, Kansas Department of Transportation staff worked with community leaders to help identify regional transportation priorities and determine cost-effective ways to deliver them.

Secretary Lorenz said KDOT is fully committed to the announced projects and noted the importance of watching inflationary prices and being flexible in scheduling.

"We need to balance the short-term urgency to address as many needs as possible with long term responsibility of making sure we're good stewards of taxpayers' dollars," said Secretary Lorenz. "Today's announcement helps us meet that balance."

Projects were announced in the City of Andover, where less than four months ago the community was ravaged by an EF-3 tornado. The community stands to benefit from the largest of the announced construction projects, improvements on East Kellogg (U.S. 54/400) from the K-96 interchange east to the 159th Street interchange. The \$230 million project was identified as the highest priority project in south central Kansas local consult discussions. Also selected for the IKE Construction Pipeline is the widening from two lanes to four along a seven-mile stretch of K-10 in Douglas County from north of the K-10/U.S. 40 junction south and east to the K-10/U.S. 59/Iowa Street junction. This \$124 million South Lawrence Trafficway project is the first of two construction projects in the area. Governor Kelly highlighted the balance of urban and rural projects included in the pipeline announcements. Construction projects were also announced in Ellis, Geary, Franklin, Miami, Morris, Osborne, Saline, Sheridan, and Wabaunsee counties. KDOT has also kept its promise to let to construction one phase of all T-WORKS projects before construction begins on highway improvement projects. Consistent with IKE's goals of community participation, each community is participating in a cost-share approach for the expansion projects. K-23 in Sheridan County: approximately 1 mile south of County Road 70 South (CR-406), north to Hoxie (Walnut Avenue) Scope: Reconstruct and add shoulders, two bridge replacements Miles: 6

NWKS News

Panasonic Battery Plant is Good for all of Kansas

KEY QUOTE: "Most exciting is that this announcement creates business opportunities statewide. It's not just Panasonic – other companies are knocking on our door because we've improved Kansans' quality of life, strengthened our workforce and supported local entrepreneurs."

News about Panasonic battery plant is good for all of Kansas, with more opportunities to come

Laura Kelly and Gary Sherrer | Salina Journal and Hutchinson News

August 12, 2022

• It's obvious that [the Panasonic announcement] is great news for northeast Kansas, but readers in other parts of the state may be wondering what this announcement means for them.

• Republican leaders like Senate President Ty Masterson and Speaker Ron Ryckman worked closely with Democrats to get this done...We can attest that bringing both parties together to accomplish anything of this magnitude isn't easy — but it shows that we can rise above partisan politics and deliver for Kansans when it counts.

• The influx of cash — including over half a billion dollars in increased payroll alone — will have impacts far beyond the Kansas City metro region: Manhattan, Emporia and even Wichita should all see increased business in the years to come.

• The same reasons Panasonic was attracted to Kansas have also brought other companies here — for instance, Scorpion Biologics in Manhattan, the Bombardier North America headquarters in Wichita, Great Plains Manufacturing in Salina, and Hilmar Cheese in Dodge City. More employers will join them.

• Kansas is back on the right track. In recent years, Kansas has racked up numerous awards for being a national leader in creating jobs, including for attracting the most business investment per capita. Winning Panasonic is one more to add to our trophy case.

• Every Kansan should know what [this announcement] means for them — that, with the right leadership, both sides of the aisle can work together to deliver jobs and opportunity to the entire state.

Schmidt Responds to Kelly False Claims on Camera

Kansas Attorney General and Republican Nominee for Governor Derek Schmidt is responding to brand new claims made by Governor Laura Kelly – which were proven false by the governor's own administration – on the performance of the Kansas economy.

"The facts say one thing, but Governor Kelly keeps saying another and hoping nobody notices," Schmidt said. "It's an election year, and the Governor's trying to make up lost ground because she has almost nothing to show for four years in office except budget-busting spending propped up – for now – by Joe Biden's bailouts and claiming credit for other people's work. But Kansans know her administration's abysmal record."

According to KSNT News Kansas Capitol Bureau reporter Rebekah Chung:

The governor stopped at Sporting KC as part of her economic development tour on Thursday. In an interview, Kelly said the state has restored jobs lost during the pandemic "and more."

"I know that during the pandemic, that every place lost jobs, but we have restored those jobs and more," Kelly said.

However, according to the latest estimates for June 2022, Kansas has only recovered 79.7% of 157,400 jobs lost during pandemic shutdowns that took place in March and April 2020. That's compared to 97.6% of jobs lost on a national level.

Despite the governor's false claim, Kelly's own Labor Department confirmed Chung's reporting that Kansas has not returned to pre-pandemic levels when it comes to jobs. According to data compiled by the Bureau of Labor Statistics, Kansas ranks 44th out of 50 states in America in pandemic job recovery. The KSNT News report also confirmed Kelly's repeated claims to have created some 48,000 jobs under her administration are false: However, labor numbers show that the total number of nonfarm jobs have actually gone down since Kelly took office in 2019. A monthly employment timeline shows that the total number of nonfarm jobs in June 2022 (1,397,600) are about 20,700 jobs less than the total number of jobs in January 2019 (1,418,300). During pandemic shutdowns jobs were at a low. As Schmidt noted, Kansans understand Kelly's performance on the economy is much worse than the governor's campaign advertises. Bureau of Economic Analysis data shows Kansas ranked 48th of 50 states in economic growth in 2021, and ranked 40th of 50 states in growth over the two year period between 2020 and 2021. Census Bureau data shows Kansas was one of only 17 states to lose population last year, marking the first time that has happened in our state since the Great Depression. Schmidt has proposed "Retire Tax Free", a plan to eliminate state income tax on Social Security, pensions, 401k's, IRA's, annuities, and other retirement vehicles to grow Kansas and address the economic stagnation, population decline, and outmigration that have been the hallmarks of Kelly's tenure.

Kansans aren't buying it.

"Laura Kelly has made a habit of trying to gaslight Kansans, but they see right through it. Kansans are well aware that her policies are to blame for the lagging economic recovery and will send a message by electing Derek Schmidt in November." – RNC Spokesperson Alex Kuehler

Commerce Department Launches Rural by Choice Champions Program

Lieutenant Governor and Commerce Secretary David Toland announced a unique opportunity for rural communities throughout the state – the Rural by Choice Champions Program (Rural Champions). This one-year pilot program will create a network of grassroots individuals who will tackle critical community projects and identified needs integral for rural prosperity. Rural Champions, which was made possible through a collaboration with the Patterson Family Foundation, will help drive success when there is a lack of capital or other resources to complete the project.

"We are continually looking at ways to keep and attract individuals that want to live and work in our rural communities throughout the state," said Lt. Governor and Commerce Secretary David Toland. "Through this program and other initiatives, such as our Grassroots Economic Development Program and Rural Opportunity Zones, we are focusing on removing barriers to success in rural Kansas."

In 2021, Commerce's Office of Rural Prosperity (ORP), in

Construction Cost: \$18 million

Scheduled Construction Letting: 2024 Project Type: Modernization

partnership with the Kansas Sampler Foundation, outlined the recommendation for Rural Champions in its Power Up and Go report, an effort begun by former Lieutenant Governor Lynn Rogers prior to his appointment as State Treasurer. The need for the Rural Champions program was identified through surveys and interviews of more than 600 rural Kansans under the age of 40 as something that would "move the needle" toward success.

In order to apply, communities describe current activities, challenges that are stifling progress and how a Rural Champion would benefit advancement. Twelve communities will be selected for the pilot program and will receive a stipend for wages for

Gold Bond Building Products, LLC, an affiliate of National Gypsum Company, has an opening for Medicine Lodge **Board Line Operator.** Comprehensive salary, 401(k) with employer match, retirement account, paid holidays, Life Insurance, Flexible spending accounts, Wellness programs, and more...

To apply call 620-886-5613 or apply in person at 1218 SW Mill Rd. Medicine Lodge, KS 67104

the Rural Champion. Projects could include anything that the community designates as critically needed, including, but not limited to:

• a new childcare facility or rehabilitating a building to support a childcare center

• health and wellness projects such as a trail system or shared bike program

- rehabilitation or construction of new housing units
- entrepreneurship development.

Eligible applicants, which must be located in counties with less than 40,000 population, include:

- Cities or Counties
- Economic/Community Development Organizations
- Community Foundations
- Local Chambers of Commerce or Tourism groups
- Nonprofit organizations including 501(c)3 or 501(c)6
- Main Street organizations or affiliates
- Federally recognized tribal communities

"The program was designed to help revitalize rural communities," said Trisha Purdon, Director Office of Rural Prosperity. "The Rural Champions will play an integral part in identifying projects – and then making them happen. Every community is unique, and this program provides the flexibility to develop a project that fits their goals."

Rural Champions will receive direct guidance and technical assistance from the Office of Rural Prosperity to ensure project success. The Office of Rural Prosperity will assist with the development of a rural community playbook to share with other communities for future projects.

Applications will be accepted until 5:00 p.m. Friday, September 16. An informational webinar will be held at 10:00 a.m. Thursday, August 18. For more information and to register for the webinar, visit our website at <u>https://bit.ly/3AeLzQY</u>. Rural Champions will be announced in late September and will have one year to complete their projects.

Questions can be directed to Kerri Falletti at <u>kerri.falletti@</u> <u>ks.gov</u> or 785-207-5206.

Don Neff

November 26, 1931 ~ August 14, 2022

Donald August "Don" Neff passed away on August 14, 2022, at Good Samaritan Oberlin, KS, at the age of 90. He was born November 26, 1931, in Selden, KS, to Florence and Margaret (Reinert) Neff.

He received his education in Kansas and Washington and went on to Kansas State College. After college, Don went into the Army and then came back

to start farming. He lived in rural Sheridan and Decatur counties before retiring in Oberlin. He married Geraldine Miller on August 21, 1956. During Don's life, he enjoyed farming, fishing, and making beautiful creations out of wood from the farm that each family member now enjoys.

Don was preceded in death by his parents, wife, Geraldine Neff; siblings, Lois Meitl, and Ron Neff; and son-in-law, Mark Jennings. He is survived by his children: Christina Rasure (Mitch Tiede) Goodland, KS, Debora Jennings, Wichita, KS, Michael (Jackie) Neff, Dresden, KS, Thomas (Chris) Neff, Marian, KS, James (Kristal) Neff, Manhattan, KS; six grandchildren: Daniel Rasure, Kayla (Brad) Hedges, Mallory Jennings, Jordan Jennings, Darius Neff, and Elora (Alex) Aldridge; four step-grandchildren: Elliott (Tamara) Gillespie, Aaron (Tara) Gillespie, Heath (Samantha) Schulte, Ashley Albers; and great-grandchildren EJ, Millie and Fredrick Rasure and Brooklyn and Brody Hedges; and ten step-great-grandchildren: Alex & Emma Gillespie, Jackson & Greyson Gillespie, Kamryn & Ryder Schulte, Jaidyn & Jaida Mathews, and Daysia & Dayanna Byers.

Mass of Christian Burial will be Saturday, August 20, 2022, at 10:30 AM at Sacred Heart Catholic Church of Oberlin. Visitation will be from 1:00-7:00 PM on Friday, August 19, 2022, at Pauls Funeral Home, Oberlin. Family will receive guests from 5:00-7:00 PM. Rosary at 7:00 PM. Burial will be in the Selden Cemetery at 2:00 PM on Saturday. Memorial contributions may be made for Masses or Decatur Community High School Scholarship Fund. Condolences can be left at www.paulsfh.com.

Handling and Storage of Treated Seed

As harvest begins across the country National Sorghum Producers is reminding farmers about the importance of taking precautions to ensure treated seed does not enter the grain supply. It's always important to completely remove, and properly dispose of, all treated seed from containers and equipment that will also be used to handle harvested grain. For educational resources on treated seed stewardship, including videos, graphics, one-pagers and FAQs, visit seed-treatment-guide.com/. To learn more about treated seed benefits and safety, visit <u>https://bit.ly/3plAszn</u>.

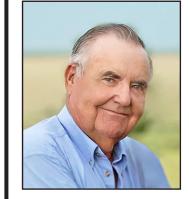

Kansas Crop Progress and Condition

For the week ending August 14, 2022, there were 6.8 days suitable for fieldwork, according to the USDA's National Agricultural Statistics Service.

Topsoil moisture supplies rated 45% very short, 37% short, 18% dequate, and 0% surplus. Subsoil moisture supplies rated 42% very short, 36% short, 22% adequate, and 0% surplus. Field Crops Report: Corn condition rated 20% very poor, 24% poor, 27% fair, 25% good, and 4% excellent. Corn silking was 90%, behind 96% last year and 97% for the five-year average. Dough was 63%, behind 72% last year and 73% average. Dented was 25%, near 23% last year, but behind 32% average. Soybean condition rated 11% very poor, 20% poor, 33% fair, 33% good, and 3% excellent. Soybeans blooming was 85%, near 84% last year and 87% average. Setting pods was 57%, near 58% last year, and behind 64% average. Sorghum condition rated 16% very poor, 27% poor, 30% fair, 25% good, and 2% excellent. Sorghum headed was 52%, well behind 73% last year, and behind 69% average. Coloring was 9%, behind 14% last year, and near 12% average. Cotton condition rated 6% very poor, 21% poor, 44% fair, 26% good, and 3% excellent. Cotton setting bolls was 92%, ahead of 77% last year, and well ahead of 54% average. Bolls opening was 12%, ahead of 5% last year and 2% average. Pasture and Range Report: Pasture and range conditions rated 34% very poor, 27% poor, 26% fair, 12% good, and 1% excellent.

Bill Dible

June 2, 1933 ~ August 9, 2022

William J. "Bill" Dible, 89, of Rexford, KS, and Bonita Springs, FL, passed away on August 9, 2022, at the Landmark Hospital of SWFL, in Lee County, FL.

Bill was born in Rexford, KS, on June 2, 1933, the youngest child of Ray and Almeda (Long) Dible. Bill spent his childhood on the farm northeast of Rexford, KS, Findlay, OH, and Manhattan, KS. He earned

his private pilot's license and graduated from Manhattan High School in 1951. He attended the Spartan School of Aeronautics in Oklahoma, receiving his Airframe & Power Plant License and Commercial Pilot License.

Bill enlisted in the U.S. Army in 1953 and married Donna Connelly on July 26, 1953, during his first leave. While in the Army, he worked on helicopters, and taught instrument flying using LINK trainers. They lived in Oklahoma, North Carolina, and Alabama the first three years of their marriage, while Bill served in the U. S. Army. The following three years they lived in Wichita, where Bill worked at Boeing Aircraft working on B-52 Bombers, and most interestingly, the RB-47H, which was a signal reconnaissance plane. They returned to Rexford in May 1959, to farm full-time.

Throughout his lifetime, Bill was industrious and enjoyed being involved. In addition to farming, he drove a school bus, worked at Bencken's Welding, served on the city council, was elected Mayor for 32 years, and drove a tractor to Washington, D.C. in 1979 with the American Agriculture Movement Tractorcade. Bill treasured family time together, the Dible reunion, and continuing family traditions – including his homemade peanut brittle.

Bill loved to travel. In the beginning it was family vacations with five kids in a station wagon, later in an RV as snowbirds in Texas, Arizona, and Florida, to eventually purchasing a home in Florida. Bill and Donna also traveled to Mexico, China, and Italy.

He loved everything about aviation, from building and flying models to flying private aircraft; NASCAR and local racing, sunset walks on the beach with Donna, and continually reading and learning. He was an early adopter of technology. Much to his wife's annoyance, he loved to visit, as Bill never met a stranger! He was lovingly known by the family as the "baby-whisperer". The majority of his charitable donations were to children's charities, including St. Jude's and the Deanna Rose Farmstead in Overland Park, KS.

Bill loved to farm and mentored many with his knowledge. He valued his close relationships with Keizer Carmen, Lionel & Chachi, Bruce Keiser, Chad Focke, Tom and Judy McCarty, the McCarty boys, as well as many others.

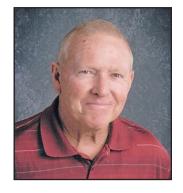

Bill was preceded in death by his parents Ray and Almeda Dible; stepmother Agnes Dible; siblings, Donald Dible and Margaret Haughawout; nephews, Peter and Robert Haughawout, Dennis Brown and Kenneth "Butch" Dible, and grandson, Dominic Passantino.

He is survived by his loving and devoted wife of 69 years, Donna, of Bonita Springs, Florida; children, Robert, Lynn (Mike) Zimmerman, Michelle (Lenny) Patmon, Susan (Gary) Pfrang, Anita (Rocky) Passantino; 11 grandchildren, and 12 great-grandchildren.

Visitation was held at Baalmann Mortuary in Colby, on Tuesday, August 16, 2022, from 5-7:00 p.m. Funeral service was at the Rexford Community Church on Wednesday, August 17, 2022, at 10:30 a.m. with burial to follow at the Rexford Cemetery. Memorials may be made to St. Jude Children's Research Hospital or the Rexford Community Church, and sent in care of Baalmann Mortuary, PO Box 391, Colby, KS 67701. For information or condolences visit www. baalmannmortuary.com.

John Terry, Jr.

November 28, 1944 ~ August 12, 2022

John Terry, Jr, 77, was born on November 28, 1944, and entered the heavenly realm on August 12, 2022. John, known as Dad, Grandpa, Coach, Mr. Terry, JT, was born in Goodland, Kansas as the middle son of six boys. He was raised by Henry and Mildred Wilkening, and a brother, Elmer Wilkening, on a farm outside of Haigler,

Nebraska, four miles into Kansas, creating his loyalty to the Nebraska Cornhuskers.

John grew up as a farm boy with deep faith, love of family, and enjoyment of football. Life taught him the commitment of hard work, yet it was his love of sports that led him into teaching. After completing high school at Haigler, he attended Fort Hays State University, where he played college football and graduated with a Bachelor of Science in Physical Education, he returned to his hometown. He spent two years coaching, teaching, and completing his Master of Science Degree in Mathematics, leading him to move forward in his career to Atwood, KS. It was here John met the love of his life, Connie. They were married on December 23, 1972, including, one daughter, Annette, whom he adopted in 1973. To this marriage was born four children: Brent, Justin, Jonna, and Michael.

During his career, Coach Terry was a teacher, football, basketball, and track coach. He was the assistant boys' basketball coach in 1972 when they won the Men's State Championship. An honor that was recently celebrated and he took great pride in. He was the line coach for the high school football team and head track coach for both men's and women's teams. In 1978, Coach Terry had another advancement in his career, which became the definition of who he was: Women's Basketball Head Coach. Although Coach Terry taught math, physical education, was part of three consecutive State Football Coaching teams, numerous State Track individual and team wins, and many honors as a coach, it was "his girls" basketball that encouraged him to continue coaching and teaching for over 47 years.

In 2014, Coach Terry hung up his whistle and passed the torch to the next generation of educators. It was during this transition time that John began his second 12 year long career of crop adjusting. A job he took great pride in, working up until his final days of life.

To quote his last words, "I've had a good life, I hate to cry, it is time to go."

Coach Terry was preceded in death by his parents, Mildred and Henry Wilkening; brother Elmer Wilkening; biological parents, John Terry, Sr and Bernitta, and brother, Leland Terry. He is survived at home by his wife Connie Terry and great-grandsons; daughter, Annette Dunker, husband, Kerry, their children, Sidney (Destanie), Ariel (Kody, children: Azia and Brigham), Aubrey (Spencer, children: Ayden and Evryn); son, Brent Terry, wife, Jennifer Shane, their children Gerald and Kierra Terry; granddaughters, Katie Terry (children: Carter, Rylan, Ni'lah, Luxianna) and Lauren Terry; son Justin Terry, wife, Michelle, their children Peyton (Paige), Paige (Devin), Paxton and Payvn; daughter Jonna Kay Terry; son Michael Terry, wife, Sara, their children, Gwen, Allyson and Ava; brothers, Cecil Terry, Bill Terry, Dean Terry and Duane Meiris; Beth Guth, Mike and Karen Guth and children, and many students, friends and colleagues.

Visitation is 5-7:00 p.m., with a Vigil at 7:00 p.m. Thursday, August 18, 2022, at Sacred Heart Catholic Church, Atwood. The Funeral Mass will take place at 10:30 a.m. Friday, August 19, 2022, at the church, with burial in Mt. Calvary Cemetery, Atwood. In lieu of flowers, memorials may be made to the Coach Terry Scholarship Fund and sent in care of Baalmann Mortuary, PO Box 391, Colby, KS 67701. For information or condolences visit www.baalmannmortuary. com

Sorghum Crop Update

By August 7, fifty-five percent of the nation's sorghum acreage had reached the headed stage, 12 percentage points behind last year and 9 points behind the 5-year average. Twenty-five percent of the nation's sorghum was at or beyond the coloring stage by August 7, equal to last year but 2 percentage points behind average. Twenty-nine percent of the nation's sorghum was rated in good to excellent condition on August 7, one percentage point above the previous week.

In its first report of the year relying on farmer surveys for yield projections, the World Agricultural Supply and Demand Estimates (WASDE) report projected a national average sorghum yield of 53.2 bushels. This yield would be the lowest since 2012 and reflects the severity of the drought currently plaguing the High Plains.

716 Main Street, PO Box 78, Hoxie, KS 67740

Kansas Crop Production Report

Based on August 1 conditions, Kansas's 2022 corn production is forecast at 621 million bushels, down 17% from last year's production, according to the USDA's National Agricultural Statistics Service. Area to be harvested for grain, at 5.05 million acres, is down 6% from a year ago. Yield is forecast at 123 bushels per acre, down 16 bushels from last year.

Sorghum for grain production in Kansas is forecast at 177 million bushels, down 33% from last year. Area for harvest, at 2.90 million acres, is down 15% from 2021. Yield is forecast at 61 bushels per acre, down 17 bushels from last year.

Kansas's soybean production is forecast at 198 million bushels, up 4% from last year. Area for harvest, at 4.95 million acres, is up 3% from 2021. Yield is forecast at 40 bushels per acre, up 0.5 bushel from last year.

Winter wheat production is forecast at 260 million bushels, down 28% from last year. Area for grain, at 6.85 million acres, is down 2% from last year. Yield is forecast at 38 bushels per acre, 14 bushels below last year.

Cotton production is forecast at 170,000 bales, down 9% from last year. Acreage for harvest, at 120,000 acres, is up 18,000 acres from 2021. Yield is forecasted at 680 pounds per acre, down 200 pounds from last year.

Oat production is forecast to be 1.26 million bushels, up 26% from last year. Harvested area for grain of 21,000 acres is up 1,000

PUBLIC NOTICES

Commission Minutes 8/9/22

Now on this 9th of August 2022, the Board of Commissioners, Sheridan County, Kansas met in regular session with Chairman Wes Bainter presiding. Others present were Joe Bainter, Mike "Buck" Mader and County Clerk Heather Bracht. Guests were Carolyn Meyer, The Sheridan Sentinel, and Monica Reuber.

At 8:00 a.m. Wes Bainter called the meeting to order.

Those in attendance stood and recited the Pledge of Allegiance.

The Board canvassed the provisional votes cast at the August 2, 2022 Primary Election. Shirley Niermeier, Treasurer and Jennifer Fenner, Deputy Treasurer, were present to tally votes. Bracht stated to the Board why each ballot was provisional and the validity of the ballot per Kansas Statute. The Board of Canvassers reviewed 23 provisional ballots and 17 were considered valid ballots. Chairman Wes Bainter read the valid ballots aloud with Commissioners Joe Bainter and Mader reviewing them.

Final results will be posted on the Sheridan County Clerk's Facebook page. Canvassing ceased. Wes Bainter moved to accept the election results as canvassed, seconded by Joe Bainter. Carried 3-0

Joe Herskowitz came to the table. Herskowitz stated that he needs to place an order for fuel. By consensus the Board approved ordering fuel.

Herskowitz advised the Board that the new loader had a hydraulic valve go bad. They took it to CAT on Monday and everything should be covered by warranty.

Herskowitz received a request from Rural Telephone for permission to install lines in the southwest part of the county. The document was approved and signed by Chairman Wes Bainter.

Two bids were received from JT Grader Service for work on 120S/150-80W and 130W/ Hwy 24-50S. The work would include pulling shoulders, filling ruts and holes, and general road maintenance. The estimate for work on 120S was \$7,000 and for 130W was \$4,800. Joe Bainter made a motion, seconded by Wes

Notice of Sale of Abandoned Motor Vehicles

Pursuant to K.S.A. 8-1102 the following abandoned motor vehicles which have been impounded by the Sheridan County Sheriff's Office. These vehicles and contents will be sold by purple wave, an online government auction to the highest bidder following September 4, 2022.

Owners, if any, have failed to claim impounded vehicles. The owners thereof may claim their vehicles & contents within ten (10) days of the second publication of this notice by paying the removal, storage, & publication costs incurred

If a vehicle was previously titled by a state other than Kansas or as a non-highway vehicle, a Motor Vehicle Identification number verification form will also be required to obtain title of any vehicle purchased & will be the responsibility of the buyer to request the verification & pay the costs involved.

The Sheridan County Sheriff's Office Reserves the right to withdraw any or all of the described vehicles prior to time of sale. No implied warrant of condition shall be understood by such sales

All sales shall be made under conditions imposed by the auctioneer representing the Sheridan County Sheriff's Office an all sales must be settled at the time of the sale. Titles will be transferred to buyers, if available. Requirements of the state regarding titles to abandoned or unclaimed vehicles will be met by furnishing an Affidavit of Sale & proof of publication.

Vehicles in storage at the Sheridan County Sheriff's Impound Lot to be sold:

Green Mitsubishi Montero Sport VIN # JA4MT31H8YP027300

Silver Pontiac Grand Prix VIN # 1G2WP52K41F245453

X

TOW HOLD! Grab that rope...preferably the one that leads to the towboat. Pick 1, 2, 3 or 4, and see if you guessed right.

HEADS UP! "It's over my head," said the cyclist, studying these scrambled letters: THEMEL. And there's something to remember about what he says. Can you puzzle it out? Rearranged, the letters spell HELMET.

X-POSE! No, folks, this is not another variation of tick-tack-toe. It is a three-X word square. That is to say, three of four words reading the same both across and down, and defined below, have X's in place as

- clues to their identities. Definitions are as follows:
 - 1. Company agents.
 - 2. This way out.
 - 3. Puckish one.
 - 4. Hades' river.

Remember, X's are clues and remain in place. Time limit for this exercise: 1 minute.

MIDDLE KADIDDLE WITS TESTER

BEHOLD! Before your eyes, left, is a circle. You are asked to find its center.

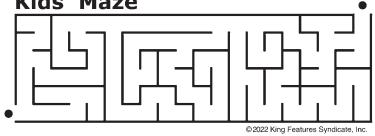

You have a pencil and a ruler with which to work, and, other than this page itself, nothing more.

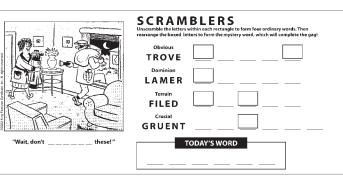

Now then, how can you go about finding the circle's center with reasonable accuracy?

How about this: Tear off a corner of the page. Place corner over circle with the point (90-degree angle) touching circle's rim. Mark points of intersection of paper segment sides (sides of angle) on rim. Draw a line between these points for circle's diameter.

Measure halfway along this line for center.

Kids' Maze

The Sheridan Sentinel 12Thursday, August 18, 2022 Page 8

Change each letter to the one that comes immediately BEFORE it in the alphabet to find a riddle and its answer.

Here's a copy of the alphabet to guide you:

ABCDEFGHIJKLMNOPQRSTUVWXYZ

XIZ EJE UIF TOBLF HFU

JOUP USPVCMF BU TDIPPM?

CENDVITE III VOT LITTOERIOU

HOCUS-FOCUS

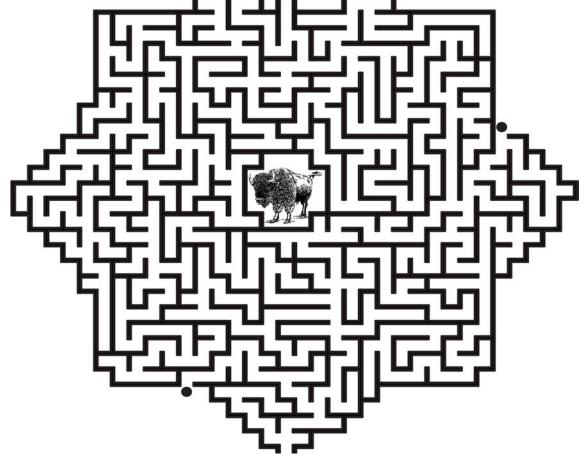

ΒY HENRY BOLTINOFF

Find at least six differences in details between panels.

moved. 4. Glove is missing. 5. Sleeve is shorter. 6. Pants are shorter. DITTERPRESS 1. FEACE IS SAOREL 2. SOCKS ALE DITTERPRESS, 3. BAIL IS

There are 13 black hexagons in the puzzle. Place the numbers 1 - 6 around each of them. No number can be repeated in any partial hexagon shape along the border of the puzzle.

meeting. Sheriff, came to the table.

Carver advised the Board that William Cousins had attended a DARE program (drug awareness) training. Cousins completed and graduated as a DARE instructor. The sheriff's office is currently working on getting the program implemented in the school district.

Carver presented information from Chicago Motors Inc. for a 2012 Chevrolet Tahoe costing \$16,995. This vehicle would be for the officer in Selden who currently drives the Charger. The Charger would be sold on Purple Wave. The Board discussed not trading in Undersheriff Diercks pickup when he gets his new vehicle and moving it to Selden for the officer. The trade-in value for the Dodge Pickup is comparable to what the proposed used vehicle would cost. No final decision was made.

Dana Hess came to the table to discuss what she found out about phone lines

Never clean your gutters again! Affordable, professionally installed gutter guards protect your gutters and home from debris and leaves forever! For a FREE Quote call: 844-607-1363

100%. The Board and Vance discussed and clarified this in detail. Vance reported that the repeater for Selden may be delivered in December and the duplexer is here. Radios for the sheriff have arrived but still waiting on the chargers and speaker mics.

Hess stated she had hired two part-time people but still has two full-time positions open.

The Board and interested parties discussed dispatching from another county for Sheridan County. Wes Bainter stated we have a problem, and we need to come up with a solution.

The following payroll was approved by the Board as presented:

General \$57,266.82

Road & Bridge \$15,599.67 Noxious Weed \$1,711.35

Public Transp.

\$1,088.50

MV \$1,280.17

At 11:28 a.m. with no further business, Mader made a motion to adjourn, seconded by Wes Bainter. Carried 3-0. The next regular meeting will be Tuesday, August 16, 2022, at 8:00 in the Courthouse main floor foyer. Attest: Heather Bracht, County Clerk, Wes Bainter, Chairman

Competitive wages, benefit packages, and regular performance and salary evaluations. Apply in person or online at <u>www.decaturhealth.org</u>. This institution is an equal opportunity employer and provider.

Commission Minutes

not required.

Bainter to approve the two bids from JT Grader Service. Carried 3-0

Herskowitz stated they are currently working on school bus routes.

Teeter has started back to work on road 60N/Hwy 23-70W.

There was discussion about the striping on the feedlot road. No decision was made.

Jerol DeBoer from Penco Engineering came to the table to discuss Bridge #56 (Popp) and Bridge #58 (Kinderknecht). There was discussion about the agreement with KDOT. If the County removes only bridge #56, the County would receive \$150,000. If the County adds bridge #58, the County would receive an additional \$50,000. DeBoer estimates bridge #56 costing approximately \$300,000 so the County would have an out-of-pocket expense of \$100,000. DeBoer stated if we take KDOT funds there

have to be Agreements for the temporary easements.

DeBoer advised the Board that funding is already in place for the year 2023 and that if a county is selected to receive funding, the project would be 100% funded. Wes Bainter contacted DeBoer via phone and discussed the amount Penco Engineering would charge for design and inspection services. DeBoer stated they would not exceed \$45,000. DeBoer advised the Board that the County would be responsible for paying for the cost of the bridge work up front and then submit paperwork to KDOT for reimbursement.

Mader made a motion to sign the Agreement for bridge #56 with changes seconded by Joe Bainter. Carried 3-0. **Kansas Press** Association

Carried 3-0. Present were the Board, Herskowitz, Pratt, and Bracht. The door opened at 10:00 with no decision being made.

At 10:01, Joe Bainter made a motion, seconded by Mader, to enter into executive session for a period of 5 minutes for the discussion of non-elected personnel. Carried 3-0. Present were the Board, Bracht and Pratt. The door opened at 10:06 with no decision.

Bracht advised the Board that Mindy Harting, County Appraiser, met the statistical performance standards established for both commercial and residential classes of property. The correspondence was passed about for review by the Board.

Bracht will ask the Historical Society Board to attend the next commissioner meeting to discuss plans for the new building.

Joe Bainter made a motion seconded by Mader to approve the July 26, 2022 Minutes as presented. Carried 3-0
